**Around and Around and Around We Go .....**

*The above picture was published in the Bethlehem Globe Times of Monday, August 30th, 1976. The gentleman leading the round dance is Hugh Graham, the round dance cuer for Saucon Squares. On this same stage the Saucon Squares exhibited not only the "rounds" but also did some square dance exhibitions and the heritage dance. Saucon Squares is an active and continually growing Squares and Rounds Dance Club in the Montgomery District.*

Both clubs had previously been featured attractions at the Temple University Music Festival, Philadelphia's Hoe-Down on the Parkway and

I hope by now that everyone has joined the Federation. If not, see Peggy Brubaker and I'm sure she will sign you up. Remember, this is the last time you will get Squares and Rounds at your clubs. Starting with the January-February issue, it will be mailed to members of Montgomery District who have joined the Federation. So get with it and help yourself and square dancing.

\*\*\*\*\*

Please let us have some news from your club ... we'd like everyone to be represented in these pages. [*Please type all copy ... and double spaced, too*].

\*\*\*\*\*

Our prayers go out for all ill and convalescing dancers ... may you all be well and back dancing again by the time you receive this issue.

\*\*\*\*\*

Call for Help Dept.: How about some help from our callers and cuers. Come to our December District Meeting to give us the benefit of your experience and know-how. We know you are all very busy, but we need your help to make the District grow.

\*\*\*\*\*

Disappointments — Too bad the Phillies couldn't make it all the way ... but there is always next year. And they still deserve a hand for a job well done in '76. ... There was a Solo Dance just a few short days ago. We all agree that there is a need for this type of club. It was planned and managed by some of our younger dancers. They needed our help - WHERE WERE YOU????

**EMBASSY CLUB**

3

At the last District Meeting it was decided to promote visiting between clubs by initiating the Embassy Club.

Anyone who visits all the square and round dance clubs in the District would earn a special badge and belong to the Embassy Club. Similar badges will also be awarded to dancers who visit all the square dance clubs **or** all the round dance clubs.

Wallet sized cards will be provided to have your visit validated by the club's VIP. When all the clubs are visited the card is submitted to the Embassy Club Committee. Respective badges will be awarded at the annual Autumn Festival. Members clubs are listed in each issue of the newsletter.

We thank Harry Evans for bringing this idea to us and Clare and Pat Barnes for agreeing to coordinate the program. More details will be available at the Autumn Festival Dance on November 7.

**AN 'UNCONVENTIONAL' TREAT 5**

At the shore, one of the campgrounds to be used by our convention travelers has made available an area complete with pavilion, picnic tables, and other facilities where professional seafood caterers will serve creamy clam chowder, succulent steamer clams, select Maine lobster, charcoal broiled chicken, sweet corn on the cob, tomatoes and cucumbers, rolls and butter, chilled watermelon, and beverage -- **all for the amazing cost of \$10.50**, including transportation to and from the Convention Hall. The children's menu is identical with the exception of clams and lobster, for only **\$4.00**. As a result, whole families may enjoy this gala "**CLAMBAKE**" in the great outdoors at a cost that's almost unbelievable.

So, set aside some time between 2 and 6 p.m. on Friday, June 24th, to share in the delights of a real authentic clambake such as seafood gourmets always seek out. Reservations are being accepted now by: "Peter J" and Jennie Zukauskas, 314 East Broadway, Bel Air, Maryland 21014 (Phone: 301/879-1842).

the festivities which welcomed the Freedom Train to Valley Forge. They both also take an active interest in community welfare, with performances donated regularly to senior citizens' groups, nursing homes and special community events.

John Sweeney did the calling for Valley Squares, while Ray Neely called for the R & R Square Dance Club.

Needless to say, both clubs were tremendous hits with the large audiences that were in attendance on the Thursday and Friday nites that this celebration took place.

The Callerlab selection of Mainstream calls for the 4th quarters of 1976 are: Touch, Touch 1/4, 1/2, 3/4, plus the call of Roll. The brevity of both of these calls is quite unusual plus the fact that the movement, on the part of the dancers, that is generated by the calls are equally brief.

**Touch:** This call is intended for facing dancers and simply means for the dancers to step forward and touch right hands and create Ocean Waves. Naturally, the call of Left Touch means a left hand Ocean Wave. The fractional turns are optional. 1/4 means to turn 1/4 or a single hinge. 1/2 means a turn of 1/2 or a Trade. 3/4 means a 3/4 turn and is equal to a Cast 3/4. It has been noted that

Touch 1/4 is equal to a Curlique but it is not intended to replace the call of Curlique. Both calls will find their place in future choreography.

**Roll:** The call of Roll means that the moving dancers will add an individual turn of 1/4, in the direction of their body flow, from the previous call.

It is possible that both of the above calls will rapidly find their way into Club Level and Mainstream dancing. Dancers will quickly become familiar with both calls and the reaction will probably be favorable because of the brevity. Callers will find the calls usable and frequent use will bring about rapid acceptance as future basic calls.
