## CANCER BENEFIT DANCE

On May 20th a benefit dance for the Cancer Fund was held at the Northampton County Community College sponsored by the Lehigh Valley Callers Association and NCACC Radiologic Tech Students. The afternoon featured 12 squares dancing to many area callers and round dance leaders. The evening was a fun level dance with 5 squares participating. This endeavor raised \$270.00 for the Cancer Fund which we hope will be a continuing fund raiser with a greater participation.

**ROUND DANCE LEADERS OF  
LEHIGH VALLEY AREA**

A group of Round Dance Leaders from our area met and formed the Round Dance Leaders of the Lehigh Valley Area electing Bill and Sylvia Bleam as Chairmen. A membership in this organization is open to all Round Dance Leaders with Associate Memberships available to dancers. The next business meeting will be September 24th at Northampton Area Community College. Anyone interested in being a part of this organization please contact Bill & Sylvia Bleam at (215) 346-7838.

"What do we get for our membership money?" "What is the District/Federation?" These are phrases we hear many times. In the near future, we hope that we may be able to answer these and many other questions dancers have about our District and Federation. The Executive Committee is presently working on a program to educate all of our member clubs, thereby strengthening our District and Federation.

Congratulations and Thanks to Barbara and Donald Miller for the "New Graduates Dance" success. Thank you to the Callers and Round Dance Leaders who generously gave their time and talents to help make our functions "the place to be."

We would hope that all our our clubs would use the Federation Computer printout of special events to the fullest. It is very disheartening to have one of our clubs schedule a Dinner Dance on the same date as the Annual Federation Meeting and free dance. It is a "Slap in the Face" when the information is known ahead of time and completely disregarded, and it is "Stealing" from the dancers when they cannot take advantage of a Federation Benefit in order to be loyal to their Club. We do hope in the future that all possible efforts will be made so that such an unfortunate scheduling will not happen again.

# HERE ARE SOME POINTS TO PONDER

## A World of its Own

**A**S YOU COME into closer contact with square dancing, you will realize that here for the brief time you spend with your friends each week, very little matters other than the immediate activity at hand. What you did during the day, the concerns that face you in the coming week, the problems with the household, all of these disappear as you concentrate on the calls and as you enjoy your friends in square dancing. The fact that your friends are sincerely interested in doing their part in making the dancing successful is of the greatest importance.

What religion they follow, how their political beliefs lean, facts about their private life, and bits of idle gossip have no place in square dancing. A good rule to follow is "if you can't say something good about square dancing and square dancers, don't say anything."

## Avoid This Trouble Spot

**T**HE "KILLER" in so many different types of activities is also a menace in square dancing.

### BEWARE OF CLIQUES

Webster says: *a clique is an exclusive or clannish set.* If it is exclusive, it must exclude somebody or perhaps even a lot of somebodies.

Square dancing's value is its inclusive, not exclusive, features. As one friend told us, "You go to a square dance knowing no one and you come away with dozens of new friends." What other activity exists today that can have this statement made concerning it?

How do cliques get started? Lots of times it's an innocent desire to dance with some particular friends. Sometimes unconsciously such a gathering will have the effect of leaving someone else out. Hurt feelings can sometimes lead to drop-outs.

The true spirit of square dancing is best exemplified in constant mixing within a group. The most successful square dance clubs are those where the members voluntarily mix among themselves. In groups such as this it is seldom necessary for a caller to use mixers for the dancers themselves have discovered the real value of knowing, enjoying and dancing with as many of their fellow members as they possibly can during the course of an evening.

## A Sense of Value

**I**N MANY ACTIVITIES it becomes necessary to classify oneself as an amateur or a professional, as a duffer or an expert, as a novice or as one who is at the top of the ladder.

During the last decade, square dancers have gone through various phases. At one time they would classify themselves as beginners, intermediates or advanced dancers. Then later on the system changed and dancers were either referred to as being low level or high level.

The one big fallacy in classifying dancers in this way is that each area is different. As a mat-

Continued on page 5

Continued from page 4

ter of fact, divisions *within* areas are seldom the same and a person who might be considered *high level* at one dance could very easily be intermediate or even low level in another. For instance, your group may have been dancing for four months and you may have an occasion to visit a beginner group with folks who have only been at it for three or four lessons. To them, of course, you are extremely high level. But then, on the other hand, perhaps you visit a group that has been in existence for three, four or five years or more and you find to your dismay that there are not only many figures and basics new to you but that the effortless manner in which the dancers move, the friendly atmosphere of the gathering and other significant points put them at a level far above that to which you consider yourself to belong. The only true evaluation is that you are either learning, indicated by the fact that you have to think with each new command "which is my left hand, which is my right," and you still have an incomplete vocabulary, or that you are reacting automatically to each command of the caller.

As you are in this activity long enough you begin to react spontaneously and you begin to adjust to situations without delay and to recover from errors without panicking. Then, and only then, you reach the point you have been aiming for. From the mechanics standpoint, at least, *you are a square dancer.* ■

**SUMMER PICNIC**

The Mid-East Penn District is having a picnic August 12, 1979 at Lake Towhee, a Bucks County Park, Applebachsville, Pa., from 2 - 7:30 PM. All district members are welcome to attend. There will be games for everyone's enjoyment and a pot-luck supper. The district will furnish punch and/or lemonade to quench your thirst. Along with your covered dish don't forget your table service. Don't miss this opportunity for fun and fellowship.

## Round the Squares (Cont. from Page 1)

The Schuylkill Promenades welcome and congratulate all Graduates. They are invited along with other dancers to dance with them to the comfort of their air-conditioned hall. The Club proudly graduated six couples at their May 6th Graduation. Games, prizes and a Buffet Table were enjoyed by all as well as the calling of their Teacher-Caller, Dave Kreiter.

Edge Hill Squares are having dances for new Graduates every Thursday during July from 8 to 10:30 P.M.

Florida has claimed another couple from Melody Lakes Belles and Beaus. First Nelson and Henrietta Hollenbach moved to Melbourne. Now Lou and Dot Bechtel even moved their home to the Clearwater area in Florida. We miss both couples but wish them the Best of Luck.

The Yearling Club will continue to meet every Monday during July and August — from 8 to 10 P.M. at the Church on the Mall, Plymouth Meeting Mall. They will be dancing MS plus 1 and 2.

Potts Advanced Squares will have a dance on Friday, July 6th at the Church on the Mall. Elaine says they will dance A1 and A2.

Curli Q's will have a "Dance in the Park" on Sunday, July 15th from 2 to 5. This will be at Emmaus Community Park with Bill Gordon calling. Sunday, August 26th they will be joined by the Bachelor and Bachelorettes for another "Dance in the Park." Bill Gordon will call and Mary McGee cue the Rounds.

Frank Fertsch will continue his Round Dance workshop every Tuesday during July and the 7th and 21st of August.

Valley Squares Pocono Weekend was enjoyed by 30 couples. The dancing was to the calling of John Sweeney and Peg Dockry. There was hiking, good food and a great talent show. Even the weather cooperated with blue skies. The fashion show modeled by Erma Molin, Trudy and Frank Miller was quite unique. May 2-3-4 has been reserved for the 1980 for another fun weekend.

---

Stardusters of Berks County will have many guest callers during July and August. Be Isure and check the Guest Caller List—sounds interesting.

---

Leisure Squares have been very active demonstrating square Dancing. They danced for Middle Smithville Twp. School PTA on May 31st. Also will take part in the West End Fair, Rt. 209 in Gilbert, Pa. on August 29th and 31st. They raided T-Bow Twirlers on June 23rd with over three squares.

---

The Square Dance Class of 1979 graduated on May 5th as Linda Garber of Pal Promenaders tells us. It turned out to be a really nice successful affair. Congratulations to all the Graduates.

Yellow Rockers will camp at Sun Valley Campground, Bowmansville on August 17, 18 and 19th.

### CALLERS GRADUATION NIGHT

This time of year finds Clubs Graduating classes of Square Dancers, and the Square Dance World welcomes them each year, but for the very first time, this area has had a *CALLERS GRADUATION*, at which time the Square Dance World was invited to welcome four new callers, into the Leadership capacity of the activity.

On Sunday evening, May 20th, 1979, at the Coopersburg, Pa. Town Hall, Gloria Roth presented her winter's Callers Class of the following: Bob Laxson, Center Valley; Helen Greatsinger, Bethlehem; Jerry Fehnel Catasauqua and John Grise, Quakertown. Together with their spouses/partner, these people have attended a course through the winter, which was made up of all phases of Modern Square Dance Calling.

On Graduation night, each caller called for the first time to a hall full of Square Dancers. Gloria and Johnnie Roth were hosts, with Gloria conducting the Ceremony. This involved the four Square Dance Leader Couples present, Danny and Helen Thibault, Ray and Gerry Kirk, Mary and Pete McGee, and the Roths, each of whom represented a side of the Candlelite Square. The dancers present were given a brief idea of what goes into becoming a caller, and as each caller finished, the ovation was thunderous. The many dancers present were gracious, understanding, sympathetic, and pulling for the success of each caller...a fact—most new callers never "feel" when they start and struggle on their own. The follow up to the course will be a Second Year Course starting in the fall, for the same group of callers, with Gloria Roth as Instructor.

## WHERE WERE YOU?

On April 22nd the Annual Federation meeting was held at North Penn High School.

The new officers elected were Jim & Sally Guenther—President, Roger & Marion Owings—Vice President and Bill & Erma Molin—Treasurer, and the secretary is Edie & Dick McAdoo. There were 25 squares enjoying the calling of Bob Clark and Ted Knauss. The round dance leaders were Aggie Munson and Ron Rumble. An enjoyable afternoon was had by all those in attendance; were you there?

The dance was hosted this year by the Mid-East Penn District with the Perky Promenaders taking care of hospitality and many other things. The representation from the Mid-East Penn could have been a great deal more supportive since this is one of your benefits as a member of the District and Federation.
