Published for Mid-East Penn District Federation of Delaware Valley Square & Round Dancers

Vol. 5, No. 2

November - December 1979

'ROUND THE SQUARES

The Schuylkill Promenades performed for Muscular Dystrophy in Pottsville over Labor Day to an enthusiastic crowd. They are looking forward to performing for the patients at Wernersville State Hospital in October.

Buckaroos always hold a Sing-A-Long Dance the 5th Friday in any month. The next one will be on November 30th.

BnBs will hold their 2nd Anniversary Dinner Dance on Sunday, December 9th from 1 to 9 p.m. Fountain Hill American Legion Hall, Bethlehem is the place.

Did you ever hear of a "Soup Nite?" Ask any member of the Perky Promenaders and you'll be surprised at their enthusiasm about this kind of party. You have to be sure to bring your own dish.

Valley Squares regret to announce the death of two of their members. John Walzer and Ailene Tronoski. They extend their Sympathy to both families.

Why not ask any of the Curli Q's about their Cookie Exchange to be held on December 9th?

CHAIRMEN'S CORNER

How quickly the seasons pass us by. It seems as though time hurries by so rapidly that we would like to extend our summer and fall months. Looking at accomplishments and activities we notice there was time enough for six class dances, demos at malls, celebration of National Square Dance Week, the 18th Federation Convention, kickoff of our membership drive, and many other enjoyable times together. Looking to the future is winter with its celebrations and holidays. Many will be wondering, 'What gift can I give for someone special'. We believe the best 'Gift' we all can give "Ourselves". It does not cost very much and will be enjoyed far more than any purchased item. Giving ourselves to a sick friend, your neighbor, a lonely child, or your best friend is much more gratifying than anything else we could do. Try it — you may like the feeling it 'GIVES' you. Best wishes for a joyous holiday season to all.

BANNER STEALING

All the Clubs in the Mid-East Penn District were polled as to their policy on Banner Stealing. All Clubs responded and the list following have agreed to participate. Some clubs not participating in Banner Stealing, acknowledge visiting Clubs by "Pinning" their Banner and this also helps to promote visitations.

GROUND RULES FOR BANNER STEALING

1. A banner may be captured at any regularly scheduled club dance by a visiting club having two or more squares present.
2. All visitors must be registered in the guest book and must be wearing their club badges.
3. Couples who belong to more than one club cannot represent one club and steal a banner from another to which they belong.
4. A club may "steal" a banner or retrieve a banner on a club visit but not both at once. It takes a visit to steal and a visit to retrieve.
5. When there is more than one visiting club having at least two squares present, the club that has at least two squares registered first in the host club's guest book is entitled to the banner. (This is to prevent discrimination against small clubs.)
6. In the event the host club's banner has already been captured and is thus not available, the host club shall give the

visiting club a raincheck, and as soon as convenient after it recaptures its own banner, must deliver it to the club holding the raincheck. If two squares accompany the banner, it may be taken home again from that same dance. Otherwise, it must be recaptured according to rule No. 7.

7. A banner may be recaptured at any of the next three scheduled dances of the captor club by two squares, or by one square if beyond the three-scheduled-dances time limit. After ten scheduled dances, the banner may be recaptured by any one or more couples visiting the captor club.
8. A banner may be captured only one time (by the same club) within a dancing year (September to September).
9. A club is allowed to have a traveling banner which must be a reasonable facsimile of the master banner.
10. A club having a traveling banner will not display its master banner while the traveling one is in the possession of another club.
11. The capturing club agrees to exercise good care of the captive banner and to have it available at the dance when the members of its club come to take it home.
12. Any club NOT WISHING TO PARTICIPATE IN BANNER-STEALING should make this known to the District secretary, and it will be duly noted in the Club News Section of the District publication.

GRAND SQUARE AWARDS

Friday night, September 14th, the Rainbow Strollers of Reading, honored three area couples with the Grand Square Awards. They were Pete and Mary McGee of Bethlehem, George and Olive Wilcox of Doylestown and Bill and Joan Crouch of Denver, Colorado formerly of Delaware County.

This is the fourth time these awards have been given to persons who have contributed very much to encourage and perpetuate Square and Round Dancing.

The award, written by Sam Procopio, reads as follows: "In today's world, unselfishness has dropped by the wayside. But not for the above who have equally Circulated the Grand Square with their abilities, their friendliness and good fellowship in the fun-loving Square Dancing world. We honor them because they Twirl with the experienced as well as the inexperienced, and Pass Thru doors setting examples of courtesy Turns—leaving a good Chain reaction. With no better Substitute, we ask them to Pass the Center, bow to the Corners and their Partners as we extend to them a Grand Parade Salute."

Our Congratulations to these couples and to the Club for their thoughtfulness.

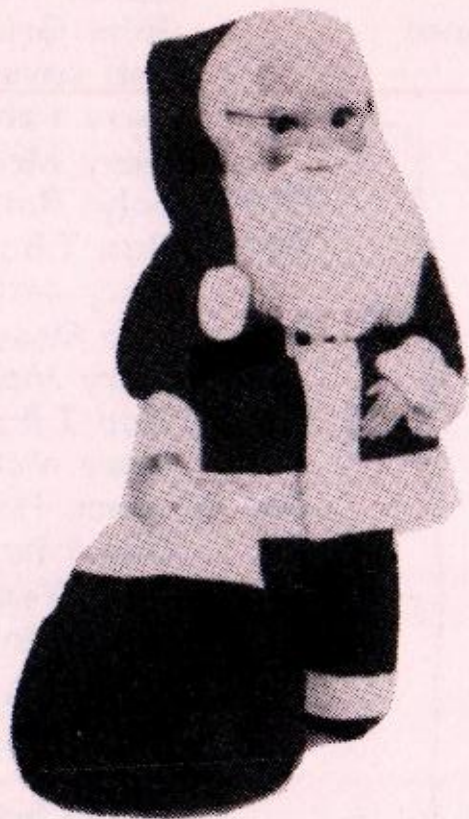

CONGRATULATIONS

Richard Woodyatt has been appointed Regional Director of the Mid-Atlantic Region of BnB and will be responsible for coordinating existing singles clubs and working to form new clubs. He was also elected President of Single Square Dancers USA at their Annual Convention in Kansas City over Labor Day. Congratulations, Dick.

If you expect perfection from people, your whole life is a series of disappointments, grumblings and complaints. If, on the contrary, you pitch your expectations low, taking folks as the inefficient creatures which they are, you are frequently surprised by having them perform better than you had hoped.
