CHAIRMAN'S CORNER

Here we are in September already, it seems as though we would like three more months of summer. Square dancing gets back into full swing starting with the 19th convention and National Square Dance Week shortly after. Our annual membership drive is beginning and we look forward to a full schedule of fun dancing. DIET, our Federation educational seminar will be Sept. 21st, please let's have a large turnout from MEP.

Thank you for all the cooperation with our emergency 50-50 ticket sales. It was a big success with results printed elsewhere in this book.

We have received some comments on our published financial report which we do appreciate. We have a question for you to consider. How important is your TV guide? Many depend upon it to follow and choose their programs when they have the time to watch. The cost of this TV guide is considered small in relationship to the value it gives us. How important is your SD guide? The cost of our SD guide is approximately \$4.00 per member, which includes mailing to your home. If we didn't mail your SD guide, how would you get it? Does your club dance in July so that you could pick it up off a table? Our Squares and Rounds publication gives us so much more than a TV guide that its importance should rank number one on the list of publications we receive. It is inevitable that our dues will increase this year since our reserves have been used and nothing remains. How much it affects our membership is yet to be seen, we hope not at all. What can you get for \$5.00 these days? Think about the importance of the Federation membership and our district publication in relation to the minimal cost of the membership.

The next regular meeting of the Mid East Penn District will be held at Melody Lakes Recreation Hall on Sunday afternoon September 14th at 2:30 p.m. After the meeting we will have a Covered Dish Dinner. Coffee and Punch will be provided. Kindly bring your own table service. We hope to see all of the VIP'S as well as any of the Dancers who care to attend. This is a good way to find out what is happening in your District as well as making new friends.

**ODE TO BILL MORRELL
FROM THE CLASS OF 1980**

Arriving in shy little twosomes, or four,
Ten clod-footed couples appeared at Bill's
door.

Our hearts were so hopeful, Our feet were
of lead,
But visions of twirling feet danced in each
head.

We squared up with haste, to create an
illusion,
Not wanting the others to know our
confusion.

And we circled together, and we chained
and we crossed,
It was all very simple, and no one got lost.

So we thought, "This is easy — I don't have
to worry,
But first night security fled in a hurry.

We listened intently to calls of all kinds,
Trying to develop computer-like minds.
Our ears were in tune, but just as we
feared,
Some of us cross-trailed and some of us
veered.

Our Angels kept watch as they always
must do,
To see if we're spinning the top or chain
through.

But at last, we could make it, without
breaking down,
We were giddy and cocky — the best in the
town.

Then Bill said, "You're fine — but I want
you to know,
You're learning this fast, but you're
dancing too slow.

And every one of us, velocity souped,
Stared at the clock and were thoroughly
pooped.

Jerry laughed with abandon, and ran for
the door,
And Hank's Denim wrap-around
unwrapped to the floor.

With three Janes in our group, two
weddings occur,
The third Jane is slower, but we're
working on her.

And now that we're graduates, we can all
shoot the star,
And can Grand Square, Coordinate,
Remake the thar.

And with chest-swelling confidence, we
leave by the door,
Go home to our houses and collapse on the
floor.

And when we're in bed and our slumber is
deep,
We hear Bill Morrell singing calls in our
sleep.
