QUARTERLY SELECTION

For the quarter beginning April 1, 1981, CALLERLAB has selected one new movement for use in workshops at Mainstream Dances. This move was written by Dick Kenyon and is called RELEASE RECYCLE. The definition and some dancing examples follow:

RELEASE RECYCLE: From a $\frac{1}{4}$ Tag formation, the ends of the Right Hand Wave and the outside boys (beaus) extend to the dancer ahead of them and all finish like a RECYCLE. Ends in a starting Double Pass Thru formation. Timing is 6 steps.

Please remember that this is the Quarterly Selection for the quarter beginning April 1, 1981. It does not mean that all clubs or all dancers must use the call but rather is for groups that would like to try something extra. It should be workshopped before being used at any dance labeled Mainstream. For the majority of clubs, this call should be used with standard set-ups only (girl on the boy's right). For groups that can handle variations of Recycle, this call can be used from a variety of Boy-Girl arrangements. However, not all clubs enjoy or desire other than standard positioning.
