'ROUND THE SQUARES

Bee Sharp Club of Easton, Pa. will celebrate their 1st Anniversary Dance on March 19th with a Wine and Cheese Party.

It is with regret that our Presidents, George & Wink Rutler, have resigned due to his business at Rutler's Screen Printing where many of the Square Dance Clubs have their club jackets printed. We wish them well. In the meantime, our Vice Presidents, Milt & Doris Carft, are now Acting Presidents.

+++++

The Buckaroos have been warming up to Buck's calling and Frank's cueing in their new location in Warrington. Scores of dancers came to "Dance with the Buck for a Buck".

The sun is high over the equator and spring begins at the Buckaroos. On March 22nd we will celebrate springs arrival with the "Spring Equinox Festival". For good dancing - come on over.

+++++

Everyone at the Bucks & Does enjoyed the Christmas Party. Santa Claus handed out oranges from Florida and home made candy. Two class members, Al & Maria Rizzo, were guests. We also had a visit by former members John & Esther Karban who are now residing in Florida. Mike Walsh and Ray Kirk did some special harmony singing calls plus leading the song fest.

+++++

Christmas City Square and Circle Club will not dance on Saturday, April 6, 1985 because of Easter.

TRIMMINGS by Lillian Sutton

Trimming your square dance dress gives you an opportunity to be creative and to express your individuality. The trims should always be an integral part of the dress, enhancing rather than overpowering the design or fabric of the dress. In seeking the right trimming detail, you will often get a hint from either the fabric or the style of the garment. However, not every dress needs trimming as many times the design of the dress or the individuality of the fabric can stand on its own. Some trims are incorporated during the construction of the garment such as cording, piping, top stitching and tucking, so do plan the trimming before you begin sewing. You will find commercial trimming in the fabric or notion departments. Upholstery and drapery departments carry some unusual trims and although they are intended for furniture or draperies can work beautifully on a dress or skirt. If your dress is washable, be sure the trim is also, and do pre-shrink it. Commercial trimmings can be expensive, but there are many ways you can decorate your dresses inexpensively with a personal touch.

One way is through your choice and use of the design of the fabric. Border and large prints require little or no trim. You can create design with striped fabrics by combining the stripes vertically, horizontally on the bias, or mitered. Combining prints with solids can also decrease the need for expensive trim. Fabric stores often feature coordinating fabric not on-

ly with prints and solids, but prints that are designed to be used together, checks of various sizes in the same colors, and polka dots with the colors of background and dots reversed.

There are many ways to use checks in a decorative way. They are interesting cut on the bias, smocked, tucked, or embroidered. The June 1984 issue of "Square Dancing" gave directions for chicken scratch embroidery on gingham. Cross stitch is also effective on checks. Shrink the floss before using!

Shaped facings for the neckline can be part of the trim of a dress. Simply apply the facing to the outside rather than the inside of the dress. You might use the dress fabric or a contrasting color for the facing.

Top stitching, saddle stitching and decorative machine stitching are effective trims. Be sure you have a decided contrast in color for these to show to the best advantage. Using a strip of pellon (or similar underfacing) under machine decorative stitching will make it appear more raised.

Tucks are decorative. It's easier for the most part if you tuck the fabric before cutting the pieces. Tucks may be equal or varied in width and distance apart and can be horizontal, vertical or cross tucked.

Embroidery can transform a dress into a work of art. Design your own, buy transfer embroidery patterns, or copy from china, wallpaper, drapery or other decorative fabrics. You can enlarge or diminish the size of the design by using a copying machine, then transfer the design to your pattern piece with dressmakers tracing paper.

Ruffles, applique, quilting, trapunto, cording, buttons, bows, braids, laces, edgings or rick-rack can be used alone or in combination with another type of trim in decorating a square dance dress.

Even though there are many trimming ideas a good seamstress will enjoy creating her own styles of trim. Being guided by your own good style sense, let your fancy lead the way and have fun creating individualized trimmings.

Dance with a Wine and Cheese Party afterwards.

(continued from page 7)

Saucon Squares and Rounds have been enjoying their new home since early November. We have great facilities for dancing and enjoying extra activities. All of December was filled with many club parties and the first New Years Eve party at our new home.

The Saucon Swinger's threw a party for the children at State Hospital. Each of the 38 children received a gift from Santa that had previously been chosen from a wish book. What great times - children and adults dancing to the "Jingle Bell Rock".

In January the Saucon dancers presented a demonstration at the Cedar Brook Annex to entertain the residents there. Saucon dancers are also planning many specials for the coming months.

Our classes have finished their first semester and are working hard toward graduation in the spring.

The all position dancing workshop members held a Spaghetti supper (Yum!).

Saucon Square and Rounds wish to express their sadness in the loss of several square dancing friends during the past months.

Valley Square club members are enjoying their new caller, John Carlton and invite come dancers to come and hear him too.

24TH DELAWARE VALLEY SQUARE & ROUND DANCE CONVENTION

NEW LOCATION!! The big news about this years Delaware Valley Convention is that it will be held in a new location. The Convention will be held on September

19th, 20th and 21st at the Philadelphia Marriott Hotel on City Line Ave. (Rt. 1), at the Schuylkill Expressway. This new location will provide a beautiful setting for the Convention and offers many advantages, with the cost of a hotel room nearly the same as our previous location and ample free parking.

The Convention will feature nine national callers and three national cuers to provide many hours of dancing at all levels. Square dancing at the Mainstream, Mainstream Plus, Advanced and Challenge levels as well as Easy, Intermediate and Advanced rounds.

The Marriott is a resort hotel which has many added features besides the beautiful ballrooms where we will be dancing. Included are indoor and outdoor pools, whirlpool, game rooms, exciting restaurants, and as previously mentioned free parking. Also, since it is not a high rise, there will be no jam-ups in the elevators.

The best way to enjoy the Convention is to come and stay at the hotel in one of the luxurious guest rooms, and take advantage of the many other attractions in addition to the great dancing. In order not to overcrowd the dancing areas, attendance at the Convention will have to be limited. Don't be left out -- register early. For registration information contact: Lou & Ted Varney, R.D. #2, Box 89N, Chadds Ford, PA. 19317, (215) 459-8124.

The 24th Convention Committee is extremely excited about our Indian theme and our great new location! We are looking forward to a sold out Convention that we'll all happily remember for years to come. Be a part of it! Join the Tribe in '85!

DON'T FORGET THE HANDICAPPED DANCE!!

MARCH 17, 1985, SOUDERTON AREA HIGH SCHOOL 1 to 5 P.M. will be the dance to benefit The Friends of the Handicapped. This is the 8th year our Mid-east Penn District has sponsored this dance. Last year we were able to give the Friends a sum of \$1500.00-profits from the dance.

This year we are also having a Balloon Launch which we hope will increase the amount we are able to give to them. Tickets are being sold by all Clubs for \$1.00 each. One ticket will be attached to each helium filled balloon and released after the dance from the baseball field. We all plan to out and watch this launching. Prizes will be awarded to the purchaser as well as the finder whose card from the balloon comes back to us from the farthest point. We already have several prizes to be awarded.

There will be as always both Class and Club levels for dancing. As an added attraction there will be a room for Advanced dancers. All of the Callers and Cuers donate their time due to their kindness, for which we are very grateful.

Hope to see you all there on MARCH 17th.

DIXIE DERBY'S IN MUMMERS PARADE

January 6, 1985 marked two big firsts - A first for the Mummers Parade, and a first for square dancing. In the 85 years of the Mummers Parade, this is the first time an authentic square dance club had ever participated.

The Dixie Derby's paraded up Broad Street with the Hammond Comic Club, to the tune of "Hello My Baby". Caller and star of the show was Glenn Matthew. Eight squares of dancers were arrayed in authentic western style square dancing outfits with tinsel garland trim.

We arrived at the judges stand at 10 A.M., and were televised by Channel 10. Our theme was "Square Dancing, U.S.A.". The Dixie Derby's were considered a brigade. We captured first place

out of nineteen brigades within the Hammond Club. A fifth place out of seventy was awarded in the overall competition of the entire parade.

The Club won \$575 and received 160 points, which contributed to the first place award to the Hammond Club. This was a big upset for them.

Each dancer was presented with a one of a kind dangle, a replica of the Hammond Club badge. Turn your right hand lady and go Red Hot will never be forgotten.

Thanks to a great club and dedicated dancers and workers, we are now official Mummers.

Parade Chairmen,
Joe & Betty Mathers

SPECIAL EVENTS CALENDAR GUIDELINES

Ken Hohe will add all "special events" submitted to him in writing to his computer calendar. At each district meeting, he will give a listing to attending club representatives. The Executive board defines "special events" as Federation and District sponsored events, National Caller Dances, and any event not scheduled on the club's usual meeting date.

The "special events" calendar will not be published in the paper. It is not a form of advertising. Clubs can use it to prevent conflicts between "special events".

— NOTICES —

If there are any errors in your "Squares and Rounds" address label, please, call Ken Hohe at (215) 965-9772.

All representatives are invited to a covered-dish dinner after the March meeting. The meeting will be at Colonial Woods Campground recreation room. Please bring your favorite covered-dish, plates and utensils. The District will supply cups, napkins and beverages.

Local callers and cuers will help the District hold a special fund-raising dance at Benner Hall from 2:00 to 5:00 P.M. Sunday, September 29, 1985. Please, see your club representative and future issues for additional dance details.

REPORTS ON FEDERATION AND DISTRICT MEETINGS

It was announced officially at the January 10, 1985 Federation Meeting that our 1985 and 1986 Delaware Valley Square and Round Dance Conventions would be held at the Marriott Hotel, City Line Ave. and Monument Road, Bala Cynwyd. All Federation Meetings are also to be held there until further notice.

Plans are under way for a "Club Officer's Ball" (replacing the former President's Ball) to be held soon. A conflict of dates has delayed the scheduling for this affair.

An announcement was made by John Lachenmayer, Chairman of the Convention Advisory Committee, that Clarence and Juanita Dye will be Chairmen of the 1986 Delaware Valley Convention, which will be our Silver Anniversary. The Committee will consist of former Convention Chairmen.

Special events dates should be sent to Merle Plummer for inclusion in the print out.

The Nominating Committee presented the following names for officers to be voted upon at the Annual Meeting: President - Bill & Doris Manuel, P.D. District; Vice President - Doug & Ethel Vollmer, P.J. District; Secretary - Marguerite Scadding, P.D. District and Treasurer - Frank & Connie Evans, P.J. District.

John Lachenmayer, Chairman of the 23rd Delaware Valley Square and Round Dance Convention, presented the Federation with a new typewriter for the use of future Convention Committees and a check in the amount of \$4,344.87, proceeds from their highly successful and enjoyable Convention in 1984.

By note of the delegates, the "Where to Dance Book" is to be printed as of May 1, 1985 and distributed as soon as available.

Flyers for the Wildwood Weekend have been sent out to all clubs. The dates are April 12, 13, 14; the cost is \$158.00 per couple, which includes 2 nights lodging, 3 meals, and all dancing and workshops at the Convention Hall in Wildwood.

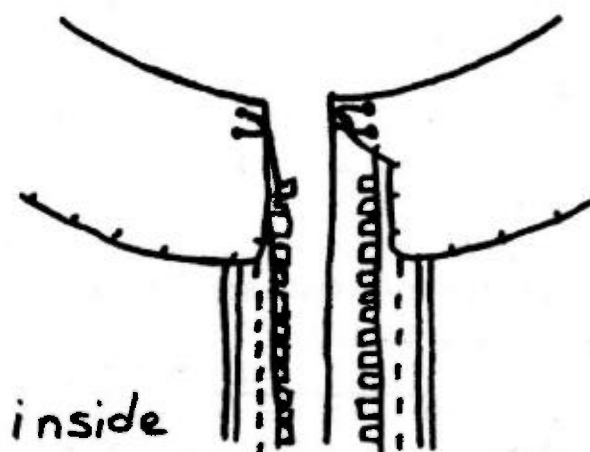

SEWING INFORMATION by Lillian Sutton

This month we will try to help you with Zipper application. There are two basic methods of putting a zipper in a dress or blouse. They are lapped and centered. The lapped application is probably the best choice for a square dance dress as it is suited to light or medium weight fabrics, gives ample coverage of the zipper, reduces gapping at the waistline and affords less possibility for the folds to catch in the zipper.

There are several ways to finish the neckline facing after the zipper application. The type of application and the position of the slider at the neck edge determines the method selected. For most square dance dresses the slider can be at least 1/2 inch below the finished neck edge so the following method is recommended.

When cutting your garment, increase the centerback seam to 1". The opening for the zipper should be equal to length of the zipper plus 1 1/2". Close the opening temporarily with machine basting and press seam open, then follow all other steps as directed in the zipper instructions. After zipper is stitched in place, attach the facing to the neck

edge, trim and clip the seam allowance and understitch a row of machine stitching along the neck edge of the facing -- that secures the trimmed seam allowance to the facing. Turn the facing to the inside, baste and press the edge. Turn under the seam allowance on the left facing, trim away excess to reduce bulk, and slip stitch to the zipper tape. On the right side, clip in on the seam allowance about 1/2" from the top, fold at an angle to clear the slider, and slip stitch it to the zipper tape. Finish with a hook and eye.

"NEW" NATIONAL SQUARE DANCE DIRECTORY

There have been a vast number of changes in club information in the 1985 Edition of the National Square Dance Directory. Hundreds of clubs have folded while hundreds more have sprung up to take their place. Dance nights and locations have changed on over 2000 clubs. Club contacts have been updated. These changes and many more have been made in the updated edition of the Directory.

In addition to club listings the Directory has many other features for dancers. There are directories of callers and leaders, publications, organizations and festivals. There are also details on square dance related products and services including apparel, accessories, records, badges and resorts.

The 1985 Edition will be published March 1, 1985 and is available at over 500 local square dance and western shops. Inquiries and information should be directed to: National Square Dance Directory, P.O. Box 54055, Jackson, MS. 39208, or call (601) 825-6831.

MEMBERSHIP REPORT

Some memberships are still trickling in as of this writing. Our present membership totals 1027 members in the Federation, 1985.

Two more clubs are to be added to the 100% membership in the Federation.

Congratulations to: Curli-Q's and Valley Squares. This brings a total of 7 clubs with 100%.

A representative from the Mid-east Penn District and your area, will visit all of the 100% clubs; presenting the clubs with their Badge/Bar for 1985. This visitation should be completed by the time you read this (weather permitting, of course).

Please return all unused membership cards (that you don't need) to the membership chairman, if you haven't already, as soon as possible.

This will be the last report we (Jim & Ruth) will be putting in "Squares and Rounds". By the time you read this our term of office as your Membership Chairman will be drawing to a close. It has been a real pleasure serving as your Membership Chairman these last three years. We wish continued success to the new chairman.

Here's to "Happy Dancing"!

27TH NEW ENGLAND SQUARE & ROUND DANCE CONVENTION

With only two months to go till the biggest dancing event New England has ever seen, everyone in Rhode Island is busy and excited. The dancers are eager to show their fellow dancers what is meant by true dancing friendship, and the committee is hard at work with final touches in every category. They have labored many long hours to provide you with a great weekend of dancing pleasure and it is almost here.

Al & Helen Roberts, Caller Programmers, and Bill & Marge Headen, Cuer Programmers, have been burning the candles at both ends to provide our visitors with terrific dancing programs. They have studied past conventions, attended many meetings of education, listened to both fellow callers and cuers, as well as the dancers themselves, for complaints and suggestions. Now they are planning who will be where and when, and they are using what they have compiled to make the best possible dancing schedule.

In the square dancing portion we have 125 callers from all parts of the New England area. Together they will offer the dancers two days and nights of all levels of dancing from Basic movements to Challenge levels with Contras, and live music in between. Callers have been scheduled to man our 17 halls with music to stamp your feet by, as well as providing calls for handicapped dancers, and various other special groups. So check your schedule when you arrive and look for the hall in which your favorite caller is working, or even the time of perhaps the wheelchair demonstration or the Contra dancing. Whatever your pleasure, we know it will be available for you to enjoy.

In the round dancing portion we have 45 cuers to which you can Waltz, Foxtrot or even Polka to your hearts content. There will be teaches in the Easy, Intermediate and Advanced categories, if you wish more than just dancing, with also demonstrations and a show case of rounds. All information on times and halls will be in your registration packages. So when you tire of do-si-doing, come join a

circle and round dance to the fine cueing staff Bill & Marge have lined up. They guarantee you will be satisfied, and remind everyone to stop by and enjoy the round dance hall at the top of the magnificent Biltmore Hotel, convention headquarters. This will be a treat!

So as time passes quickly, we come closer to the 27th New England Convention in Providence, Rhode Island. You will find the best callers and cuers here in Rhode Island on April 26th and 27th. So, register and see for yourself why we say "Dancing's Great In The Ocean State!"

THE END OF AN ERA

Our January/February issue marked the end of an era. Cliff & Dot Kehrle have contributed their energy, enthusiasm, talents, and a prodigious amount of their time, for the past six years, as business managers and editors of "Squares and Rounds". Their tireless efforts have brought the paper from 14 pages to 24, 28 and sometimes 32 pages, advertising revenues are up dramatically, the professional appearance has reached new high standards, and the paper has reached its readers "on time".

Cliff & Dot retired from the papers staff after delivering the January/February issue to press. All "Square and Rounds" readers owe them a sincere, hearty, and enthusiastic thank you for all their hard work, and wish them future happiness.
