'ROUND THE SQUARES

The Bee Sharp Square and Round Dance Club from Easton, PA. celebrated their 1st Anniversary on March 19th with Ralph Stapenell calling and Mary & Pete McGee cueing. A great time was had by all. SEWING INFORMATION

by Lillian Sutton

Cording is a decorative trim that you can use to produce a professional finish to the garments you make. It is easy to do and about the only investment required is your time. Cording can be used in any seam, but is most often seen at the edges of necklines, armholes, collars, cuffs and yolks and in waistline seams. On square dance dresses it is also effectively used in the seam joining a flounce to the skirt, around a midriff and between the gores or tiers of the skirt. It is especially nice in the waistline seam as it produces a finished look and eliminates the need for a belt, which tends to be hot. For the cording you can use self fabric, a contrasting color or print, or bias tape for your cording depending upon the design of your dress. To make cording, cut strips of true bias wide enough to cover your filler plus seam allowances. Since $\frac{5}{8}$ " seam is the standard for most patterns it will be easier to insert in your construction seam if you allow this on your cording, so your strips will probably be $1\frac{3}{8}$ or $1\frac{1}{2}$ inches wide. You can use purchased cable cord, string, or yarn as the filler, but be sure to shrink it first. To make the cording, fold the bias over your filler and stitch close to the cord. Use the cording (zipper) foot on your sewing machine, stretching the bias slightly as you sew, being careful not to stitch into the filler. Sew the cording to the right side of the seam you are finishing so that you can see that it is stitched accurately. Then permanently join the seams by stitching on the wrong side along the original cord stitching line. At the end of the seam, pull the filler out $\frac{5}{8}$ " and cut it off to reduce bulk in the seam where two pieces are joined as at the center back of waistline and neckline edge, etc. If the seam you are cording is almost straight, as a waistline seam, you might be able to use a straight strip for your cording, but bias will lie much smoother.

Bias tubing is another versatile trimming that you can make. Depending upon the way it will be used, the bias tubing may be pressed flat or used as a roll; the type of fabric often controls the width it will be made and how it will be used.

Sometimes the seam is trimmed close to the seamline for a soft pliable tube or the seam may be made several times as wide as the finished bias to form a firm tubing. Cable cord or yarn can be inserted into the finished tubing to make a hard tube which can be made into belts. Always use true bias, otherwise it will twist and pull and be difficult to use. Use a short stitch on the machine and hold the bias firm when stitching. After stitching, turn it with a bodkin or bobby pin.

When pressed flat, the tubing can be used to outline a midriff, edge a collar or neckline, make decorative bows or cover the waistline seam. Tack it by hand to the garment from the underside. When a hard tubing is made, it can be used for straps, twisted, braided, tied into knots at intervals, or formed into scrolls to add a decorative detail to a dress. Here's where you can play around with the tubing until you find the right detail for your dress.

I like to tack flat tubing at the waistline seam as it gives the appearance of a belt, but is more comfortable than a belt for dancing. Make the finished tubing about $\frac{1}{2}$ " wide. Trim the seam and press it open over a dowel and after turning, press the tubing flat with the seam in the center of the underside. Tack it to the waistline seam and finish with a flat bow at the center back.

To make a flat bow - make tubing the desired width and press flat with seam in center of the underside. Cut a piece of tubing twice the length of the finished bow. Mark the center and fold raw edges to that center line and stitch flat. To create the knot, cut a strip of tubing long enough to go around the bow, plus a seam allowance. Wrap it around the bow at the center. On the underside, lap one end over the other pulling tight to create the bow effect and skipstitch in place. Tack the knot invisibly to the bow.

These basic techniques will help you in making bows from ribbon, braid, lace or tubing to use in decorating a dress.

TO ADVERTISERS OF SQUARES AND ROUNDS

Have you noticed that your ad seems to be a little different then when you sub-

mitted it or you feel you are being charged for an ad that is supposed to be camera ready? Well, then let me explain. Since the Squares and Rounds is not published by the same people as it used to be things have changed a little. Trout Printing & Publishing is doing the publishing of this magazine right now and we have changed the ad sizes a little. Please do not get upset if your ad is re-justified. To get the new ad sizes, while we are publishing the magazine, take the first issue we printed, the March/April issue, and position your ad on one of the ads in that magazine. For example: if your ad is a half page ad then position your new ad on one of the half page ads in the March/April issue. This will be considerable help to us. Thank you for your time and patience.

TRYING TO COORDINATE SQUARE DANCE LESSONS

Believe it or not, it is time to start thinking about square dance activities for next Fall. More specifically square dancing

needs to think about lessons, and how to make them successful by having new dancers come into the activity. Clubs need to think of ways to keep the people interested by making it fun. Callers need to decide where they stand in the whole program: where to have the lessons, who to sponsor them, how to get potential dancers to come out, what they will do about angels, and how to make the lessons interesting enough for people to come to lessons for 30 weeks.

In order to help with this, the Mid-East Penn District is trying to do some coordinating. We would like for all the clubs and callers who are planning on having lessons this coming September to send this information to: Rick Caughey, 1720 McNelis Drive, Southampton, PA. 18966.

Along with this, it would be helpful to have information about clubs, callers and individuals who would be interested in helping with demos. Only general information is needed at this time, not specific dates, times and locations. This is for demos only, not lessons.

Please don't put off sending the information. **DO IT TODAY!** Thanks.

Red Hot Squares is the friendliest club in Lansdale with a Mainstream level. We dance at the Trinity Lutheran Church in Lansdale on the 1st Friday and the 3rd Saturday of each month and at 1642 School Road in Hatfield on the 2nd and 4th Tuesday. There will be no dance on June 15th due to the free summer dance in Quakertown. Several of our members attended the Friends of the Handicapped Benefit last March and had a great time. In January Frank and Marie Marx went to the Catskills and we missed them while they were gone. Rudy Teichman retired from FMC Corporation and joined the leisure crowd. It's good to have Bob Dean back on his feet again after his recent heart attack. We will be attending LVACA night at Christmas City on May 4th to dance to the callers of the Lehigh Valley Area Callers Association. Hope to see you there. Our own Martin McLain will also be calling at Lehigh Valley B'N B on May 12th, and at R & R Squares on May 24th. We want to remind all new graduates that Red Hot Squares dance at an easy Mainstream level and they are all welcome to join us. For more information contact Martin McLain at 885-1246.

R & R Squares has booked guest callers for the dates that Dalt Young has prior commitments for. At the February 22nd dance the caller scheduled was Gloria Roth which was advertised as such. At the last moment Gloria was

unable to make it and we were fortunate enough to hear the calling of Glenn Matthew. It was a picture worth a thousand words and we are very grateful to Glenn.

All attendance records were broken at Saucon Squares on January 25th when we held a surprise birthday party for Dalt Young, Mary McGee and Ted Knauss. All three have reached the nifty-fiftys. A special cake with 150 candles was shared by all and followed by a wine and cheese party.

Our address has been changed to Salem Lutheran Church, 134 E. Broad Street, Bethlehem, PA.

The Sweetheart Rounds graduated on April 24th and are looking forward to summer workshops on Wednesday evenings with Mary McGee.

D. Hoffmier and Ken Brocius were crowned Sweetheart King and Queen during our Valentine wine and cheese party on February 14th. They sure made a royal couple and we all had a great time at the party.

THE PHILA. CONVENTION FASHION SHOW

I am chairperson for the Fashion Show at the 24th Delaware Valley Square and Round Dance Convention being held this year at the City Line Marriott Hotel. I would like to use this space to tell you about the show which will take place on Saturday, September 21st at noon around the Hotel's outdoor swimming pool. Those attending may wish to eat lunch while watching the show. My appeal to you now is not so much to attend the show, but to be in it.

Using the theme, "The Idea Fashion Show", I would like to have many volunteers to model their dresses designed and made for the show. Each dress will depict a design "idea". For example, the "idea" may be a surplus front with a tie at the hip; a collar, sleeve or hemline treatment; an interesting combination of several fabrics; or some new construction technique. The "idea" dress might show how you filled a need - a dressy and cool summer dress, a casual winter dress, or a brightly colored party dress. I am looking for men's shirts constructed with design "ideas" also; "ideas" like a new shape for the yolk, an unusual placement

of the plaid or printed design, or the very fact that it coordinates beautifully with your dress.

This type of show will not permit time for lengthy descriptions of each dress or shirt. Instead, each garment will be announced along with the "idea" it depicts. After parading their garments in the show, models will stand around the pool area so that those attending can take a closer look and ask questions.

I would like to use many models drawn from the readers of Federation magazines including FED-FAX (Pen-Del), SQUARES AND ROUNDS (Mid-East Penn), and PENN-JERSEY NEWS (Penn-Jersey) - maybe as many as forty models! If you want to participate and be part of the show, please call or write me, and I will send you a form now, asking for your design "idea", and will stay in touch with you as the show plans develop.

The Fashion Show will be informal, spontaneous, informative and fun, and it can happen only with your help.

For more information. Write: JoAnne Shaw, 18 Hillcroft Road, Windy Hills, Newark, Delaware 19711 or Call: JoAnne Shaw at (302) 737-5657.

JOIN NAPRD

Write for your FREE, informative brochure to learn more about the National Association for the Promotion of Round Dancing. The sole purpose is to promote the round dance recreational activity! Anyone may join, and there are still openings for some administrative positions. For more information write: NAPRD, P.O. Box 126, Lemont, PA. 16851.

HELP PUT A FLOAT IN THE 1985 TOURNAMENT OF ROSE'S PARADE

Do you enjoy square dancing? Do you think it promotes friendliness? Do you think your community, and your country, and your world would be better off if there were more square dancers? Then you can help your fellow dancers to put "YOUR" float in the Rose Parade in Pasadena, on New Years Day in 1985. Your non-dancing friends will be impressed and will be more receptive to your invitation to join your next class!

The 1985 float will be your 10th consecutive entry. Each float has brought messages of praise from dancers everywhere, and encouragement to "keep up the good work".

You may not be able to take part in the year-long preparations but you can make the float possible by your \$1.00 donations for the bright, new "wild lilac" roses for your badges. Donations are tax deductible.

For your convenience, we will send the

roses "on consignment" to a responsible caller or officer of a club or association. For more information and application write to address listed below.

The lucky dancers whose names were drawn at the National in June, 1984, to dance on the 1985 float are: Woody & Gail Wood, Upper Darby, Penn.; J.W. & Helen Rutledge, Leavenworth, Kansas; George & Jean Rodeck, Westwood, Mass.; Alternates Out of State are: Don & Kathy Miller, Albany, N.Y.; Robert & Ruth Phillips, Newfain, N.Y.; Bob & JoAnn East, Clearwater, Fla.; Chosen From California are: Joe & Irene Miller, Los Gatos, Ca.; Anna Mae Allen & Jim Salter, San Luis Obispo, Ca.; Alternates from California are: Sylvester Nealon & Cheryl Edgenton, Inglewood, Ca.; Orin & Jean Wilson, Canyon Lake, Ca.

Applications are now being accepted to dance on the 1986 float! Names will be drawn at the 1985 National. For more information and application write: Square Dancers of America, A Non-Profit California Corporation, P.O. BOX 1225, San Gabriel, CA. 91778-1225.

ATTENTION ROUND DANCERS

There is an in-depth GUIDE put together especially for the Round Dance choreographer - First-time or Seasoned. It is called "Cue Sheet Preparation and Publication Guide."

This guide will enable you to prepare a "Top Quality" cue sheet, easy to read and use. Here are some of the critically important, valuable bits of information you will find in the Cue Sheet Guide: Articles, Suggestions, Instructions, Definitions, Abbreviations and Facts for your review and use in preparing your future cue sheets. ALSO...Cue Sheet Format - How to physically prepare your cue sheet - Dance Phrasing - Sample cue sheets - Do's and Don'ts - A lesson in Timing Punctuation, and much, much more!

NOTE: This guide contains all the information that was contained in the FREE

Cue Sheet Information Package offered by RDM in the past...PLUS changes and/or additions to that material, new material, changes to Publication Policies and Requirements superceding those contained in the previous Cue Sheet Information Package. The New FREE Cue Sheet Publication Information Package, which we began mailing out in Mid-November 1984, deals only with Publication facts, and is current.

To receive your copy of this Cue Sheet Preparation and Publication Guide, send \$3.00 to: Round Dancer Cue Sheet Guide, P.O. Box 126, Lemont, PA. 16851. Immediately upon receipt of your check or money order (U.S. Funds, only) we will mail your copy via First Class Mail.

LEADERS - Even if you don't plan to compose your own round dance, and cue sheet...this cue sheet guide contains those things that can help you to learn faster and easier from available cue sheets, and will give you the information needed to recognize a cue sheet that has been prepared with the reader in mind.

WHERE DOES MY HEAD GO?

by Brian Bassett, RDM Publisher

We're sure you have heard many "rules" as to which way you should turn your head while executing certain round dance figures. So many, in fact, that we know you will enjoy being presented with a basic rule that will cover head positioning for every round dance figure you know, excluding only some of the more advanced English competitive Ballroom figures where sometimes head positioning is merely a matter of styling.

The following consideration for head positioning is purely a mechanical one. In the interest of comfortable, pleasant to watch dancing — you should always "Turn your head so that you are looking in the direction of turn in the particular step or dance figure your are executing."

If you are pivoting or turning right face you should look to your right until the head is facing in the direction it should be in when the step or figure is completed. Look to your left when turning or pivoting steps or figures have you moving left face.

NEVER look down. Looking down at your feet or even at your partner when executing turning or pivoting steps or figures is a sure way to make these same moves more difficult than they should be.

Beginning dancers often think that by watching their feet, learning dance steps is made easier. Actually, the opposite is true. No one feels the need to watch their feet as they walk...Feet can be "thought" where to go, so don't ever look at your feet while dancing or learning. That just gives the brain one more thing to

decipher, thereby slowing down the overall learning process.

EDUCATION REPORT

The Mid-East Penn Half-Way Dance is now over and was a nice success, thanks to the Caller, Roy Shubert and the outstanding support of the Edge Hill Squares. By now the Three-Quarter Dance will also be history. Sunday, May 5th is the Big Dance for the New Graduates. Do make a special effort to attend, both graduates and club members. The three "FREE" summer dances are as follows:

1. June 15th, 1985 - Plymouth Meeting Church on the Mall, Caller - Dalt Young and Cuer - Jane Styer.
2. July 20th, 1985 - Quakertown Fire House (West End), Caller - Glenn Matthew and Cuer - Gene Senatore.
3. August 10th, 1985 - Quakertown Fire House (West End), Caller - Buck Fish and Cuer - Frank Fertsch.

A MESSAGE FROM SAM & PEGGY BRUBAKER

It was our pleasure to serve as chairmen of the district. It was alot of work but one that we would never have traded because of the experience and the many friends that we received. We hope that whenever anyone is asked to do something their immediate reaction will

(continued on page 22)

(continued from page 21)

be "yes" because you gain so much no matter how big or small the job is. We started out many years ago, 12 to be exact, in a small club and we have built our experience in many ways. There is a saying which is so true; "A busy person is a happy person." We will look forward to seeing everyone at dances or at meetings.

In addition to club listings the Directory has many other features for dancers. There are directories of callers and leaders, publications, organizations and festivals. There are also details on square dance related products and services including apparel, accessories, records, badges and resorts.

The 1985 Edition was published March 1, 1985 and is available at over 500 local square dance and western shops. Inquiries and information should be directed to: National Square Dance Directory, P.O. Box 54055, Jackson, MS 39208, or call (601) 825-6831.

THE END OF AN ERA

Our January/February issue marked the end of an era. Cliff & Dot Kehrlle have contributed their energy, enthusiasm, talents, and a prodigious amount of their time, for the past six years, as business managers and editors of "Squares and Rounds". Their tireless efforts have brought the paper from 14 pages to 24, 28 and sometimes 32 pages, advertising revenues are up dramatically, the professional appearance has reached new high standards, and the paper has reached its readers "on time".

Cliff & Dot retired from the papers staff after delivering the January/February issue to press. All "Square and Rounds" readers owe them a sincere, hearty, and enthusiastic thank you for all their hard work, and wish them future happiness.

REPORTS ON FEDERATION AND DISTRICT MEETINGS

At the January 13th District meeting, Dot & Cliff Kehrie and Patty & Jim Thomas submitted retirement letters. The first free summer dance will be on June 15th at Plymouth Meeting. Membership is just over 1000. Finance reported an \$1800.00 short-fall unless we cut costs and/or get additional income. Education asks us to welcome our New Graduates May 5th at Benner Hall. Nominations submitted their selection for '85 - '86 District Officers. Delegates were asked to consider a 50 cent per member dues increase. Delegates approved a fund-raising Banner Dance for September 29th. After considerable discussion, delegates voted to have Ralph Trout publish the next two issues of SQUARES AND ROUNDS. The March/April issue and the May/June issue were mailed first-class.

Notes: The January 16th Half-Way Dance made \$200.00 and was well attended. The January 24th Presidents Dance was also well attended. May 1st

is the July/August issue deadline. To avoid being lost in summer vacation confusion, clubs should sign up for next years insurance program.

Retrieve your club banner on September 29th and help the District treasury. To add zest to our Fall fund raiser, delegates suggest that clubs pin or steal other club banners. These banners can be freed by attending our September dance. Banner-stealing rules for this dance will be given to delegates attending the March 10th District meeting and will be printed in future issues.

March 10th Sam & Peggy Brubaker will finish their two year term as District Chairmen. They have worked long and hard looking after District business, attending District meetings and dances and promoting the Mid-East Penn District. They have established a new Finance Committee, and Refreshment Committee, and have involved the other officers, board members and club delegates in the District's work. We owe Sam & Peggy many thanks for their service.
