## MID-EAST PENN DISTRICT NEWS

You can make a difference! The Mid-East Penn District will hold its "Half-Way Dance" on Saturday, January 18, from 8:00 - 10:30 PM at the Church-On-The-Mall in Plymouth Meeting. This dance is held to encourage new dancers to practice what they've learned, to meet new dancers, to hear new callers, and to enjoy square dancing. If you decide to attend this dance, please, help the new dancers and enjoy yourselves. By doing this you will contribute greatly to strengthening our class education. New, good, enthusiastic dancers are important to the health of the dance community. Your help and good attitude toward our new class will show them why they should continue their dance education. Today's class members are the future workers and officers of all clubs. Besides, it's the friendly thing to do!

Please, reserve Sunday, March 16, 1986 on your dance calendar! The Mid-East Penn District will be helping "The Friends of the Handicapped" by holding its annual dance. We will again feature three dance levels and the second annual "Balloon Launch". Tickets for this dance will go on sale after New Year's. We welcome and appreciate all contributions for door prizes and prizes to be awarded in the balloon launch. Please, spread the word at your club. We hope to see you and all of your friends in the Mainstream, Plus and Advanced rooms.

The officers of the Mid-East Penn clubs expect to receive invitations from the Federation to attend an "Officers Appreciation Dance" on Sunday, January 26, 1986. The Federation wants to thank last year's officers for their efforts, allow interchange of ideas between club officers, and provide a forum to discuss club, district, and federation problems and their possible solutions. You will surely enjoy this Free experience.

## 9TH ANNUAL DANCE TO BENEFIT FRIENDS OF THE HANDICAPPED

The Mid-East Penn District of Square & Round Dancers will sponsor their Annual Dance, (for the 9th time), to benefit "The Friends of the Handicapped", on March 16, 1986. This dance will again be held at Souderton Area High School. There will be rooms for Club Dancers, Class People, as well as for Advanced Dancers. Our area Callers and Cuers always donate their talents to this affair, for which we are very grateful.

### **9TH ANNUAL DANCE TO BENEFIT FRIENDS OF THE HANDICAPPED**

(continued from page 1)

Last year we had a "Balloon Launch" in connection with our Dance, which we will have again this year. Much to our surprise and delight we received cards last year from Maine, Massachusetts and New York. The farthest balloon travelled 600 miles. We awarded prizes to the persons who purchased the tickets as well

as the ones who returned the cards. We will have tickets ready for distribution at the January District Meeting for our next Balloon Launch.

Mark your calendars right now for The Friends Of The Handicapped Dance on March 16, from 1:00 to 5:00 PM.

Thanks in advance for helping us sell tickets as well as your attendance at the Dance. See you there!

As Education Chairmen, we urge you to mark your calendars now and save these dates to have a good time and help promote square dancing.

We hope we are seeing an upswing in the number of new dancers; in that classes once again are having more students. The new Square Dance School, sponsored by 6 clubs, has enrolled 36 students. In the school, it is felt, we will get new dancers into clubs who do not have enough participants for a class of their own. It is also a more efficient use

of the callers time as they only have to call once a month.

Let's start the New Year off on the right foot. Set a good example and encourage students to go to the Half-Way Dance on January 18 at the Plymouth Meeting Church on the Mall with caller Roy Shubert.

## NOTICE

Due to a conflict of dates for the many club dances throughout the various districts, the "Get Acquainted Dance", which had been tentatively scheduled for February 9, 1986, will not be held.

Also, please note the changes listed below for the Mid-East Penn district.

## D.V.R.D.T.A. NEWS

By Lydia Vender

About 50 dancers attended the D.V.R.D.T.A. meeting on the lovely autumn day of October 27, and stayed for the beautiful teach, by Mary & Pete McGee, of "Autumn Leaves". Many round dance teachers have decided to sell 50-50's at their round dance parties. One half will be given to the Delaware Valley Convention Committee, to be used for flooring needed in the round dance rooms at next years convention. We all

agreed that it was a fine convention last year and that lots of registrations have already been sold for this years convention. They plan to limit the amount of registrations to 1400 for 1986, so register early! Round dance teachers have been requested, by Dave Roberts, to send in their ballots for Classic dances to be taught at our meetings this year.

## **SQUARE DANCING MAGAZINE ENDS AFTER 37 YEARS**

(continued from page 18)

1948. Over the years, "Sets in Order" (as it was originally called) served as a chronicle for the changes in the square dance activity, witnessing the growth of square dancing from a veritable handful of dancers and callers shortly after WWII, to today when it numbers more than six million devotees and recording the happenings of the activity as it spread around the world.

Along the way, "Sets in Order" became "Square Dancing Magazine", official publication of The Sets in Order American Square Dance Society, the organization which houses in its Los Angeles offices the Square Dance Hall of Fame, which sponsors the Silver Spur Awards and offers scholarships each year to deserving men and women who show a potential for square dance calling. Bob & Becky Osgood will be continuing The American Square Dance Society and its activities at the Los Angeles address as well as continuing to publish and sell the Caller/Text, The Caller/Teacher Manual,

their various Handbooks, etc. By stopping publication of the magazine, they will have additional time to work with Callerlab and Legacy, which they helped to develop, to plan their twice annual Asilomar vacation institutes on the Monterey Peninsula in California and to expand their library and archives center in their home office.

"It's been a hard decision to make", state the Osgoods, "but today there are so many fine publications, such as the one you are now reading, so that disseminating the square dance news is not the problem that it was when our magazine started 37 years ago. Our dedication to the activity and our love of square dancing is as strong today as it has ever been."

## SEWING HINTS

(continued from page 23)

Since square dance attire is an intricate part of our activity, making square dance outfits is an exciting, creative type of sewing. It requires little more than basic sewing knowledge and skill, but with suggestions of fabrics, use of designs, interesting treatment of skirt, bodice, sleeves, your finished outfit can be a flattering one and a joy to wear.

I said this was going to be a sharing experience, and that is hopefully what it will be. Along with sharing my ideas, helpful hints, etc., I would like to hear some of your ideas, too. Any ideas that work well for you; problems you have, for which you would like an answer, send them to me via the editor and I will be happy to use them in a column to pass along to all who share in this fun and pleasurable activity.

My Helpful Hint for this month is: "Shopping for Fabric".

Have in mind a special dance, special season or holiday? Know which colors look well on you and unless you are very conservative, pick a bright, colorful print, stripe or solid color — designs beyond those used for our everyday apparel. Select fabric that is wash and wear — ironing a very full skirt can become very time consuming. Even though you may not have a particular style in mind, if the print strikes your fancy, buy it and be creative in making the dress. Think also in the terms of color selection for your partners shirts. If you do not make his shirts, coordinating a print with a solid and adding a tie made of your dress material can create a look of "belonging together".

So much for now, next month I'll have

ideas on the "what and how" to do with the fabric you have purchased. Enjoy dancing and enjoy being beautifully dressed to dance.

## CALLERLAB PRESS RELEASE

Daryl Clendenin, Chairman of the Callerlab Mainstream Quarterly Selection Committee, announced that "Spin The Net" is the Mainstream Quarterly Selection for the period which began October 1, 1985.

"Spin The Net" Author, Don Beck

Starting Formation (s): Parallel Ocean Waves or Eight Chain Thru. From parallel Ocean Waves, all Spin The Top, to form a momentary tidal wave. Without stopping, the very center four dancers, in their own wave do another Spin The Top, while the other four dancers Cast Off Three-Quarters and the outfacers will Run. Ending Formation: One-Quarter Tag - Timing: 16.

Singing Call Figure: Heads (sides) Square Thru, Dosado to a Wave, Swing Thru, Spin The Net, Centers Recycle, Pass Thru, Swing The Corner and Promenade.

Comments: Those who have used this call find good dancer reaction along with a reasonably quick teach. Don informs us that if started from normal waves (right hand waves with men on the ends, ladies in the center), you Swing Thru and then Spin The Net, the Spin The Top actions will be from the most common positions and will end in a One-Quarter Tag with a normal wave in the center and normal couples on the outside.

## **MODERN AMERICAN SQUARE DANCING IS AMERICA'S NATIONAL FOLK DANCE**

Well over six million people participate in a social activity characterized by music, exercise and good fun.

### **What is Modern American Square Dancing?**

Four couples form a "square" and dance a pattern of figures as described by the caller. The dance keeps pace with current pop and country music. Movements are smooth, rhythmic, graceful and easy to learn. The old Barn Dance has been modernized.

### **What kind of people square dance?**

People of all ages and walks of life who are interested in good, clean fellowship and fun. Instead of husbands and wives going separate ways, here is an activity geared to bring couples closer together. Square dancing is also an excellent family activity.

### **But I'm a single.**

Both the adult single dancer and teenagers are encouraged to join the activity and learn to dance. We encourage dancing partners since square dancing is a couple activity.

### **But I never danced before.**

If you can walk to music, you can learn to square dance. Many of today's ex-

perienced dancers had never been on a dance floor prior to learning to square dance.

### **How expensive is it?**

An evening dance program generally costs between \$2.00 and \$2.50 per person.

### **How do I dress?**

Square dancers dress first for comfort and second for show. For a start, the ladies should wear a full skirt and low heeled shoes. For the men, a long sleeve shirt is a must. Dressing for the dance is part of the fun and as you progress, you may desire to get slightly more elaborate clothing.

### **Am I too old (young) to square dance?**

Age is no barrier to square dancers. While most dancers are between the ages of 20 and 70, teenagers may "square up" with 80 year olds.

### **How can I learn to square dance?**

Square dancing requires lessons to learn the basic movements for the dancing of today. These lessons are dances which progress from the simple to the complex.

### **After the lessons - what?**

There are thousands of square dance clubs across the United States and Canada. Generally, you can dance any night of the week if you are willing to travel some distance. After lessons, you can dance anywhere in the world and attend square dance weekends and festivals for the rest of your life. Every June, a National Square Dance Convention is held with over 20,000 dancers attending each year.

Friendship is Square Dancing's greatest reward!

## EDUCATIONAL TELEVISION BROADCAST OF SERIES OF SQUARE DANCE FILMS

Walt Cole, Chairman of the Callerlab Communications and Public Relations Committee, is happy to report that a series of films promoting Square Dancing will be broadcast as a satellite uplink. Mr. George Arm of Seca, Columbia, SC and Mr. Larry Hall of South Carolina Educational Television, (WNSC-TV 30), PO Box 11766, Highway 21 Bypass, Rock Hill, SC 29730, have produced and directed this series. The series will be uplinked in half hour segments for 26 consecutive weeks which began Saturday, October 5, 1985, 4:00 PM (Eastern Time) to all PBS stations at no charge to the receiving station.

This series consists of 26 one-half hour sessions showing a color-coordinated square learning the Mainstream Program. It depicts interviews with some caller/leaders and shows live dancers in a festival atmosphere. In some locations these films have been used as sup-

plemental instruction. When used to supplement regular lessons, the retention rate was greater than without the film supplement.

Since many of you have VCR units, you could tape and/or edit the final 13 hours of broadcast into two cartridges of six (6) hours each. This is an excellent opportunity to publicize our activity and gain inexpensive reinforcement for your classes. Callerlab callers were involved in the production, calling and interviewed on these tapes. The ball is in your court.

Now is your chance to publicize and promote Square Dancing, hopefully increase the number and size of your classes and, at the same time, promote Callerlab. We are counting on each of you to contact your local PBS or educational television station and request that they "receive" this series of films when it is broadcast from South Carolina and then proceed to make arrangements to have the series broadcast in your own area. This will, of course, mean promoting the dates and times when the film will actually

1986 INDIANA CONVENTION**

**Where:** Indianapolis, Indiana, site of the greatest spectacle in square dancing in the Hoosier Dome and the adjacent Indiana Convention Center.

**When:** June 26, 27, 28, 1986.

**Who:** An estimated 40,000 square dancers from all over the world.

**Dancing:** all levels of square, round and contra dancing and clogging from 9 a.m. to 11 p.m. all three days, with dancing in some halls until 1 a.m. Exhibitions under the glamorous Hoosier Dome and also in the main dance halls.

**Education:** 23 panels, 22 clinics and 5 seminars are planned, more than 100 hours of advice, instruction and insight.

**Fashion:** The theme of the Indianapolis fashion show will be "The Greatest Spectacle in Fashion". Centerpiece for the show will include "The greatest spectacle in racing" — a model of the Indianapolis

Motor Speedway.

**Tours:** A visit to Indianapolis would be incomplete without a peek at the Indianapolis Motor Speedway, scene of the Indy 500-Mile Race, and a look at the Speedway Hall of Fame Museum, displaying some of the greatest cars in racing history. A Speedway tour will be available to all convention goers. Other tours before, during and after the dancing, include the Indianapolis Children's Museum, largest in the world and magic for children of all ages; Brown Country, where nature mimicks art and vice versa; Conner Prairie, a living museum where the year is always 1836; Madison, Indiana, a river town which historians and restorationists say should be fenced and left untouched in its historic quaintness; French Lick, site of Indiana's most notorious hotel and most explosive product, Pluto Water — "If nature can't, Pluto can," they once said; and Richmond, the city of roses and site of one of the largest rose-growing operations in the Midwest.

**Housing:** More than 2,000 rooms surround the Hoosier Dome, more will be opened by June 1986. Suburbs provide 9,000 more rooms, all within 20 minutes of the dancing. More than 7,000 room already are under contract. Campers have 2,200 special convention-time sites available, plus many spaces in the Indianapolis area. Three universities in Indianapolis will provide dormitory housing.

**Dining:** Some 50 restaurants are within easy walking distance of the convention site and more will be opened by the summer of '86; a gourmand magazine found

## FACTS ON THE 1986 INDIANA CONVENTION

(continued from page 33)

85 restaurants of note in the city, 22 restaurants have been opened downtown in the last year. Fare ranges from continental dining to fast-food to sidewalk vendors. Limited food service will be provided in the convention center.

**Travel:** Four interstates reach Indianapolis — I-65, I-69, I-70, and I-74. In addition, I-80 and I-64 bring motorists to the Hoosier state. Two interstates come directly downtown and an interstate belt circles the city. There are 130 daily airline flights into Indianapolis. Limousine service is available. Indianapolis has a full-service downtown helicopter port in the U.S. for those who want to arrive in style from the suburban airport. Within the city, travel includes taxis, buses, downtown trolleys and even horses and carriages.

**Weather:** In June, the Indianapolis temperature averages 71.7 degrees, with comfortable nights and sunny days (the rainfall for the month averages 4 inches). Relative humidity at mid-day averages 62 percent. Downtown, where the dancing

will be, is 712 feet above sea level; the highest point in town is 910 feet above sea level.

**Sights:** Any spot in Indiana — from spectacular caves in the south to frothy Lake Michigan in the north to the rambling Wabash River on the west, to King's Island (Disneyland of the Midwest) just across the eastern boundary — can be comfortably visited by car in one day. Both bus and walking tours show off Indianapolis. The city has three outstanding museums (historical, art, youthful fun), one of the few city markets surviving in its original form, the largest Scottish Rite temple in the world, a world-class zoo, four university campuses, Olympic-quality sites to swim or bicycle, and the largest developed city park in the nation.
