PRESIDENT'S FINAL MESSAGE

Submitted by Bill & Doris Manuel

The success of our Federation lies in your hands. If our newly elected Federation President receives the cooperation and support rendered us, their term in office should be a very successful one.

Looking back on our two years in office, the time never stopped moving. We can not believe it is all over, but it is. The elected officers and appointed standing committee chairpersons helped us immensely and were always there when they were needed. Without their support, our term in office would have been very difficult -- any president is only as good as the men and women with whom he works. (THANKS AGAIN!) Words can not convey our deepest feeling of appreciation.

Let us conclude by saying without "All of You" our term in office would not have been as fruitful as it was. (THANKS!)

THANKS -- TO THE 26TH NATIONAL CONVENTION

Ten years ago, your Federation of Delaware Valley Square and Round Dancers hosted the 26th National Square and Round Dance Convention and from the surplus funds that were derived from this convention and the foresight of the couples who served on the executive committee of this convention, we the dancers of the Federation have and our enjoying several functions that are financed by the 26th National Convention. These are the "Free Summer Dances," the "Officer's Ball," along with the purchase of various items that have helped to educate the new dancer and further promote square dancing within the Delaware Valley area.

On behalf of the dancers of the Federation of the Delaware Valley, we the officers and standing committee chairpersons want to THANK YOU, THE 26TH NATIONAL CONVENTION.

NEW JERSEY'S FIRST STATE CONVENTION — A TREMENDOUS SUCCESS!

**Submitted by the Square
Dance Council of New Jersey**

Over 1,700 dancers, from as far north as Massachusetts and as far south as the Carolinas, showed up at Trenton State College on March 14 for the first New Jersey State Convention sponsored by the Square Dance Council of New Jersey.

From 9:30 a.m. until 11:00 p.m. the Student Recreation Center, Packer Hall and the Athletic Center were filled with happy sounds as square dancers, round dancers, cloggers, line dancers and contra dancers joined forces for a full day of activity.

The facilities at the college were perfect! The Student Recreation Center, with its parquet floor, was ideal for round dancing and clogging. During the two round dance teaches by Mary & Pete McGee and Hap & A.J. Wolcott the room was comfortably filled. This was also true for the instructional class in clogging. The second floor balcony was ideal for displaying the many club banners while the first floor allowed ample space for the participating club's Showcase Of Ideas...and a two-set display of Barbie and Ken dolls dressed in convention and state outfits crafted by Helen Cavanaugh.

Three Educational Seminars were held during the afternoon. The first session, based on Square Dance Programs, was instructed by CALLERLAB'S Executive Secretary, John Kaltenthaler. The second session, led by ROUNDALAB'S Executive Secretary, Peg Tirrell and based on ROUNDALAB'S Phasing System, was most enlightening to all. And the third session, a Sewing Clinic, was instructed by Rose Ericson who kept everyone "in stitches" with her sewing hints.

Packer Hall was a bee hive of activity as its North Gym hosted CALLERLAB'S
(continued on page 8)

Basic Program and its South Gym hosted CALLERLAB'S Mainstream Program. Various sessions of Advanced and Challenge dancing, along with some Clogging and Contra dancing, were programmed in the Dance Studio while Plus dancing was being held in the Athletic Recreation Center. The Progressive, Tandem and Hexagon Square sessions were all very crowded and the enthusiasm was most contagious as all the dancers realized...it worked!

All dance floors closed down at 6:30 p.m. to prepare for the Grand March which Bill Heyman promptly began at 7:00 p.m. The march was led by a committee of people who worked very hard to produce New Jersey's first convention. Committee Co-Chairmen, Bill & Donna Anderson proudly introduced their staff of helpers and then Committee Co-Chairmen, Frank & Helen Cavanaugh dedicated New Jersey's first convention to Convention Treasurer, George Dock, who had recently passed away. Greetings from the Governor's Office were then presented by Tony Patterson and fol-

lowed by the presentation of the Circle of Service Award, given to a dancer for his dedication and service to the total square dance activity, which was awarded to Burris & Meryl Plummer of Pennsauken, New Jersey. On behalf of his staff and the dancers, the Chairmen thanked all of the callers, cuers and prompters who paid the full registration fee to attend the convention and then graciously donated their services for the dancing pleasure of the attendees. Finally, it was time to resume dancing. What a sight as the Athletic Recreation Center Gym suddenly became alive with motion of dancers in action.

The Athletic Recreation Center is very unique in that aside from an extremely large gym, surrounded on two sides by a balcony, there are also seven separate squash courts which served as a perfect location for the vendors to display their wares.

Many of the dancers who attended the convention arrived early in the morning and left late at night. The day was exhilarating as the attendance steadily rose

to reach 1,704 dancers, which surpassed the pre-registration total of 1,430. The convention was enjoyed by so many dancers that the pre-registration for 1988 is already at a count of 106!

All attending dancers were given critique sheets so that next year's convention can be even better than this years. These comments will be carefully studied and evaluated during the summer by next year's Chairmen, Jim & Doris Howatt and their committee so they may begin to plan New Jersey's Second Annual Square and Round Dance Convention. In 1988, the convention will again be held at Trenton State College on Saturday, March 19th.

36TH NATIONAL CONVENTION QUESTIONS AND ANSWERS

For 35 years, dancers have gathered to stage "The World's Greatest Square Dance Event." A.S.D. SERVICES PROVIDES SCHOLARSHIPS

Submitted by American Squaredance Magazine

One of the functions of A.S.D. Services (an arm of American Square Dance magazine) is to provide scholarships to callers desiring to further their education at callers schools. Several callers have been assisted in this way to date, but more funds are being sought for this purpose.

Individuals and organizations wishing to set aside donations in increments of \$100.00 for caller scholarships are urged to contact A.S.D. Services for full information. Several amounts already received have been designated as memorials to callers no longer with us, others are tributes to callers deserving of recognition in designated areas.

Callers wishing to further their education at schools available may also contact A.S.D. Services for assistance. Write to: A.S.D. Services, c/o American Squaredance Magazine, P.O. Box 488, Huron, Ohio 44839.

CATEGORIES OF CALLERLAB AFFILIATION

Submitted by Callerlab

CALLERLAB has several types of membership as well as a number of ways in which non-members can become affiliated with the organization. In some instances, the difference from one category to another may be quite small. That, and the fact that the word "member" sometimes is tacked on incorrectly to the name of a non-member category, causes confusion.

To be a MEMBER of CALLERLAB, a caller must be an active caller, subscribe to the CALLERLAB Code of Ethics, pay dues, and attend the annual CALLERLAB Convention at least once every four years (eight years for overseas members). An active caller is defined as one who calls an average of at least one full dance each week and at least 50 dances each year. To qualify for membership, a caller must have been an active caller for the three most recent years. The requirement to be

an active caller is waived as a requirement for continuing full membership for those callers who have been members in good standing for eight consecutive years.

ASSOCIATES are callers who have been dues-paid members in good standing for three or more years, have attended three or more annual CALLERLAB Conventions, and who have, for one reason or another, dropped out of active calling. Upon request, this category of membership is granted to individuals whose interest and experience in caller leadership makes it advantageous to retain their expertise in CALLERLAB. Associates may not seek office or vote in elections.

A GOLD CARD HOLDER is a special category of CALLERLAB affiliation. The gold card is presented to selected individuals who have served CALLERLAB in an outstanding and meritorious fashion. The Gold Card Holder is entitled to all privileges and benefits of active membership. To date, three Gold Card Memberships have been awarded.

THERE ARE NO OTHER CATEGORIES OF MEMBERSHIP. The category closest to that of a member is the **SUBSCRIBER**. This caller meets all the requirements of full membership except physical attendance at an annual **CALLERLAB** Convention. He or she receives **CALLERLAB** publications, participates in discussions and polls, and is included in the **CALLERLAB** insurance program. The Subscriber cannot vote in elections and can serve only on the Subscriber Committee although input from subscribers is actively solicited in straw ballots. Upon attendance at an annual **CALLERLAB** Convention and payment of the established dues, the Subscriber becomes a full member. This category frequently suffers from the incorrect use of the term "Subscriber Member," which is akin to saying "Non-Member Member."

When a caller receives a nomination for membership in **CALLERLAB**, his or her name is entered on the roster. The candidate's qualifications are then ascertained by personal letter and, if qualified and appropriate, an invitation to attend the annual **CALLERLAB** Convention is issued. The name remains on that list until the caller takes action to have it removed, or other circumstances make it clear that the name should not remain on the roster. Callers in this category may become subscribers or members as established above.

At the annual **CALLERLAB** Convention held in Phoenix, Arizona in 1985, the members voted, almost unanimously to add a new category of **CALLERLAB** affiliation -- the **CALLERLAB APPRENTICE**. For some time there has been concern that newer, and usually younger, callers who cannot qualify for member or subscriber status do not have ready access to up-to-date information from **CALLERLAB**. Many of these young callers have expressed a desire to receive **CALLERLAB** publications and even attend the annual Convention. The wisdom of providing these future leaders with proper training and guidance is apparent and the action of the membership is in the best interest of Square Dancing.

The **CALLERLAB APPRENTICE** is not a member and will not be referred to as such. The **CALLERLAB** Apprentice may

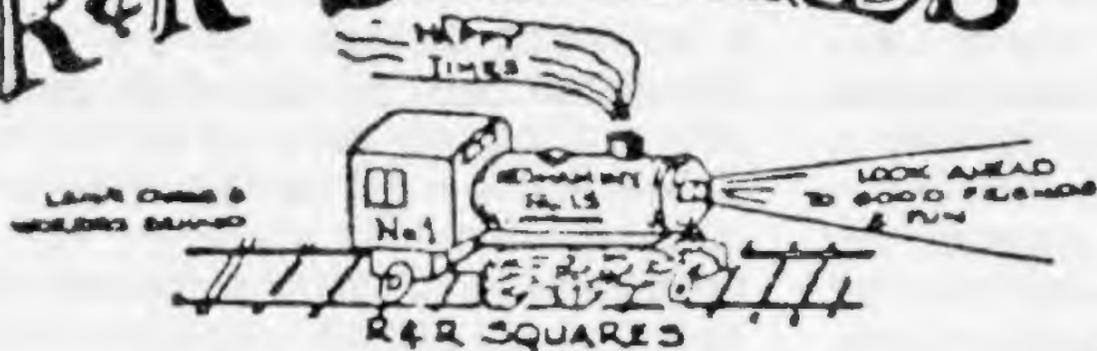

be a caller who does not meet the requirements for membership such as calling 50 dances per year for once a week for the three most recent years. An Apprentice may attend the Conventions in a non-voting capacity upon payment of the current fees. An Apprentice gets no vote and may not serve on committees. Conversion to a full member may be requested when, and only when, ALL requirements for full membership are satisfied. If a **CALLERLAB** Apprentice has attended a Convention and subsequently meets our criteria for membership, the Apprentice could convert to full membership upon written application. The Apprentice would be identified with a similar but different badge from the member/subscriber. **CALLERLAB** Apprentices residing in continental North America, will be covered by the same corporate liability insurance policy as are our members and subscribers.

It is hoped that with the category of **CALLERLAB APPRENTICE** many additional callers will be able to take advantage of the experience of the outstanding leadership available through **CALLERLAB**. With the opportunity of attending Conventions for Apprentices, additional training will be provided which should result in an overall improvement in the teaching and calling skills of the newer callers.

A recognized callers' organization may become an **AFFILIATE** organization of **CALLERLAB** through a chartering process. The organization need not initially have a member of **CALLERLAB** as one of its members. Within three years, at least one of the members of the affiliated organization must be or become a **CALLERLAB** member who attends an annual **CALLERLAB** Convention. Convention attendance requirements are then the same as for members, i.e., once in four years for organizations in North America and once in eight years for non-North American organizations. The affiliated organizations receive selected **CALLERLAB** publications and are expected to meet **CALLERLAB** standards, including subscribing to the **CALLERLAB** Code of Ethics. The individual members of the affiliated organization have no personal

Members of Affiliated organizations in the U.S. and Canada who are not members, subscribers or apprentices of CALLERLAB may elect to receive liability insurance by a payment of a specified fee (currently \$20.00 per year in 1987). Affiliate organizations are eligible to receive education grants in accordance with established policies.

This explanation is intended to help our readers understand more clearly the ways in which callers can become partners with CALLERLAB and to encourage all to use proper titles when referring to the various categories of affiliation.

26TH D.V.S. & R.D. CONVENTION LOCATION CHANGE

**Submitted by the 26th
D.V.S. & R.D. Convention Committee**

By now you have no doubt heard of the change in location for the 26th D.V.S. & R.D. Convention. Our new headquarters will be the BRANDYWINE HOTEL & RESORT, Route 30, Downingtown, PA. This resort not only offers fine dancing accommodations but is a complete resort in itself, having an 18 hole golf course, indoor and outdoor miniature golf, indoor and outdoor swimming pools, tennis courts, bowling, sports complex, jogging track, bicycle rentals, and many other features about which you will be

reading and hearing. All rooms are connected to the dance area by covered and enclosed walkways and parking will be at your motel door. In addition, the Downingtown area offers many fine camping areas to accommodate those who prefer to combine their dancing weekend with camping. Your Convention Committee and your Federation are happy to be able to provide this new facility so that we might add to your pleasure.

The number of dancers we can accommodate is still limited, so we continue to urge you to make your reservations immediately in order not to be disappointed.

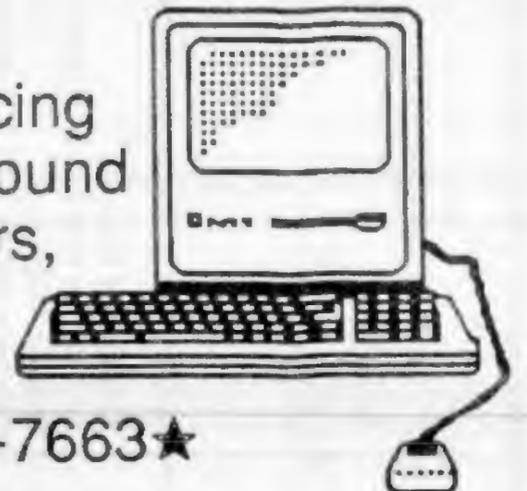

A full program of dancing is scheduled, as always. For the new graduates there will be approximately 22 hours of Mainstream dancing along with about 47 hours of Plus dancing. Dance levels A-1 through C-2 will be programmed daily, full schedules of Round dancing are planned, and special programs of dancing are scheduled for the Youth.

The ladies (and men) will especially look forward to our annual Fashion Show, while many of you will also plan to visit the Stitching Post and Sewing Clinics.

The registration fee of \$35.00 per couple and \$18.00 per single, includes all dancing and special events (except the meals). That's a bargain you can't refuse. Pick up your registration form at your next dance and send it to Registrars, Gary & Nancy Strouse, 320 Northview Ave., Telford, PA 18969 or phone them at 215-723-7382 if you can not locate a registration form. We want you to FOLLOW THE RAINBOW to a great weekend with your friends.

FEDERATION'S OFFICER'S BALL — A BIG SUCCESS!

Submitted by Harry & Ethel Smith

The Officer's Ball, sponsored by the Federation, held on February 1st at the Dunfey City Line Hotel, was attended by more than 200 square and round dancers, representing the three districts within the Federation and their local clubs.

The callers, Mark Franks & Buck Fish, and cuer Rich Locke, did an excellent job calling and cueing for these fine officers of our clubs, districts and Federation.

A program on first aid was conducted at half time by Donna & Bill Anderson of Staten Island, NY. The Andersons who have presented their program at National Conventions gave unselfishly of their time to present a very worthwhile program to help us better understand what should be done in case of an emergency while dancing as well as what medical supplies should be on hand at each club. By a show of hands, it would appear that very few clubs have a first aid kit available and on display at their dance halls. Thanks to the Andersons, hopefully many more clubs will institute their suggestions.

Thank you, Federation, for sponsoring this dance for the officers.

N.S.D.C.A. THANKS MID-EAST PENN DANCERS

**Submitted by the National
Square Dance Campers Assn.**

Through the efforts of three active couples, Gene & Barb Denlinger, Burl & Pam Lally, and Chet & Carol Kinsey, the National Square Dance Campers Assn. sponsored a five day demo at the R.V. & Camping Show held at the Valley Forge Convention Center, January 28 through February 1.

This was our second attempt to attract campers into our square dance activity with the hopes of obtaining their N.S.D.C.A. membership upon graduation from class.

In order to have the coverage over 29 hours of dancing, we needed lots of help. Thanks to John & Kathy Falter, who in turn recruited people like Joan Marcus,

Kathy Dash & Betty Mathers, the dancers response was fantastic! We had approximately 170 square dancers attending over the five day period. To each and every one of you, we extend our deepest gratitude. We would also like to publicly thank the callers, Bill Gottshalk, Ted Knauss, Burl Lally, Bruce Williamson and Dalt Young, who graciously gave of their time to make our demo a great success. Thanks guys, to you and your wives.

We came home with six membership requests, one chapter formation request, thirty-three forms for square dance lessons and a new class being formed in the Pottstown area. The results were well worth our time and efforts and we have been invited back next year.

Once again THANKS everyone, we couldn't have done it without you!

MESSAGE FROM THE REFRESHMENT CHAIRPERSON

Submitted by Jeanne Richards

I want to thank all of the clubs who provided refreshments for the special dances sponsored by the Mid-East Penn District in the past two years. Your cooperation was greatly appreciated and made my assignment successful. A special thanks to the class of the Combined Squares and Edge Hill Squares for helping both years with the Half-Way Dance and the Three-Quarter Dance.

I trust all of the clubs will cooperate with the new Refreshment Chairperson, Jane Spinks, when she calls upon you.

TEXAS IS A CAMPER'S BONANZA

**Submitted by
Julius & Beverly Baumann**

How do you like your camping? Do you bring along the TV, and shower to clean up after a stroll around the countryside? Or do you prefer throwing the tent and lantern, and maybe a cooking stove, in the trunk of the car? Whatever you like to do, Texas is ready for you. The scenery varies from the swamps and forest of the East to the rocks, cactus and spring fed pools and rivers of central Texas to the mesas, or slender table-topped mountains of the north-central part of the state. To the west, you drive and drive, through hills and stretches of plains until you arrive at Big Bend country, home of the Chisos and Davis mountains and the fabled Rio Grande River. South is 624 miles of seashore, caressing the Gulf of Mexico.

Square dancers are always interested

in history and would enjoy sitting near the very spot in Galveston where pirate Jean Lafitte buried pieces of eight. You might have to dig pretty deep, though, because after the giant hurricane of 1900, they built a seawall and raised the whole town about sixteen feet. Perhaps you are interested in the Alamo, in San Antonio. We had folks from all over come to help us in our war for independence.

Some of the more famous, and infamous, places to visit are: did you ever hear of Luckenbach, Texas (where everyone wants to go); Terlingia (home of the world's greatest chili cook-off); or Beaumont (home of the "Spindletop" museum). The biggest single attraction of North Texas (around the Dallas, Fort Worth area) is the place where J.R. Ewing is the orneriest ranch boss around. Southfork Ranch is near Plano.

The Texas Rangers are another part of Texas history that you can visit at the Texas Ranger Hall of Fame in Waco. They were really a special breed of people.

Judge Roy Bean's place is all fixed up and waiting for you to visit it in Langtry. That's sixty miles west of Del Rio. You can not spend the night but you will see the place where the judge proclaimed himself, "Law west of the Pecos."

There are caves and lakes (bring the fishing rod) to visit, and museums, and some of our great vacation spots, such as New Braunfels or San Marcos. Perhaps you plan to try some sea fishing, or make a quick trip to the Mexican border or better yet, to a town further on into the interior.

Reams of great camping spots are described in the "Texas Public Campgrounds" brochure, obtained from the State Department of Highways and Public Transportation, P.O. Box 5064, Austin, Texas 78763. There is also a "Texas Travel Handbook," obtained from the same people at 11th and Brazos Streets, Austin, Texas 78701. KOA Kampgrounds has a special Texas brochure. Write to them at 6805 Gaudalupe Street, Austin, Texas 78752. "Houston recreational and camping facilities" are outlined in a brochure by the name, obtained from the Greater Houston Convention and Visitors Council, 3300 Main Street, Houston,

Texas 77002-9396.

If you want to visit interior Mexico, be sure to bring your automobile title along. This is not necessary when visiting the border towns. Write to the Mexican Government Tourism Office, 2707 North Loop West, Suite 450, Houston, Texas 77008. They will do everything possible to make your trip a pleasant one.

A NEW BOOK BEING PUBLISHED BY CALLERLAB

Submitted by Callerlab

CALLERLAB is pleased and proud to announce the publication of a new book, CURRICULUM GUIDELINES FOR CALLER TRAINING, copyright 1986.

The book is in loose-leaf form to allow callers active in caller training to tailor the book to their individual needs. The entire spectrum of caller training is covered to include the approved CALLERLAB Curriculum topics and suggested time frames for each subject. CALLERLAB recognizes

that each caller trainer deals with his subject matter on an individual basis. The binder approach will enable the trainer to insert syllabus material for his own program in the appropriate sections while maintaining the continuity of the approved curriculum.

The purpose of the book is to establish standard curriculum guidelines for the training of all callers regardless of experience. The book provides this for different types of programs -- from a one-on-one type of home program to a full week-long college with one or more staff teachers. Caller Associations, who conduct periodic training for their members, can use this book as a source document regardless of who conducts the individual phase of training.

The cost for this book is \$25.00 which includes postage and handling with Continental North America. Overseas orders will require \$5.00 additional postage to cover that added expense of overseas shipment (a total of \$30.00 U.S. funds). If overseas airmail is desired (A.O. Rate),

NEW SERVICE LONG OVERDUE

Announcing a new and long needed service available for the first time to square dance clubs and callers.

Before the advent of low cost, efficient computers, this service would have been fantastically expensive. Computers have made it possible to arrange timely contacts between thousands of clubs and callers, on a practical and economical basis.

INCA (International Caller Agency) now has a means to arrange bookings by contacting callers for the clubs and vice versa. There is no charge to the clubs and a very nominal fee (as low as \$10.00) is paid by the callers. There is no membership fee. (No results -- no fee.)

INCA can be contacted at 109 Marvin St., Biloxi, MS 39532; 601-392-5469 or 601-392-8263. Mail is preferred and as much lead time as possible should be allowed for them to do their best job.

INCA's owners are well qualified. Howard Noe, Operations Director, and his wife have been square dancers for 16 years and for 10 years he was making weekly bookings for the Magnolia Swingers of Biloxi, MS. His partner, Art Harris, is the computer expert and business manager. Together, they make a dedicated

and competent team. Their services and/or additional information are available for the cost of a postcard.

THE LANGUAGE OF SQUARE DANCE PROGRAMMING

Submitted by Callerlab

There seems to be a great deal of variety, and some confusion, regarding the designation of dance programs throughout the square dance world. At conventions, festivals, and club dances; and in various publicity releases and publications, one sees program designations such as MS+, MS Plus, MSQS, Soft Plus, etc. What do these terms mean? Does MS+ indicate that dancers should know some of the Plus Program? If so, which part? Or does it mean that, in addition to Mainstream Program dancing, there will be some sort of added attraction? The MS Plus designation is similarly

vague and confusing.

Terms such as Soft Plus really tell us nothing, since the "soft" part, like beauty, is in the eye of the beholder (or, probably, the caller for the evening). When one sees the MSQS designation, he probably assumes that the dancer will be expected to know something about Quarterly Selections. However, does that mean all Quarterly Selections, only the current Quarterly Selection, or something else? Even more important is the fact that the Quarterly Selection Program was never intended to be a regular dance program. The latest publication of the CALLERLAB basic and Mainstream Programs makes that clear with this statement: "There is no program called Mainstream Quarterly Selections Program. Those experimental calls are intended for use in Mainstream Workshops. No dancer is required to know the QS calls to attend a MS open dance. If such calls are used, the caller is to teach them if necessary. Please advertise dance programs as MS and 'not' MSQS."

Proper program designations help dancers to find that dance where they can be most comfortable and can have greatest enjoyment. They also tell callers the program they are expected to call. We need to be more specific and careful in designating dance programs, and club officers and dancers need to be more insistent that callers adhere to the advertised program. Use of vague and incorrect programming language leads to confusion and frustration. Use of the proper terms aids both dancers and callers.

The correct program designations are shown below. Dancers should be able to dance, in accordance with their definitions, the number of basics or movements shown. All lists are current as of February 2, 1987.

Basic Program (B) - Numbers 1 through 49 on the CALLERLAB Program approved 4/18/84.

Mainstream Program (MS) - Numbers 1 through 68 on the CALLERLAB Program approved 4/84.

Plus (+) - The Mainstream Program and the 27 calls on the CALLERLAB Plus Program approved 4/84.

Advanced One (A-1) - The Mainstream and Plus Programs and the 38 calls on

the CALLERLAB A-1 Program approved 9/85.

Advanced Two (A-2) - The Mainstream and Plus Programs plus the 78 calls on the CALLERLAB A-2 Program approved 9/85.

Basic Challenge (C-1) - The Mainstream, Plus, Advanced and the 64 calls on the CALLERLAB C-1 Program approved 11/85.

Extended Challenge (C-2) - The Mainstream, Plus, Advanced, C-1 and the 76 calls on the CALLERLAB C-2 Program approved 12/85.

NEW SEWING & CRAFTS SECTION IN 1987 EDITION

1987's Edition of the National Square Dance Directory includes a new section covering square dance sewing and crafts. This part of the Directory features helpful hints for all seamstresses, novice through expert. Along with these hints are advertisements for patterns, fabrics, fas-

teners, sewing books, notions, etc. If you like to create you own square dance apparel or would like to learn how, the Directory now has a section especially for you.

The Directory has many other sections to aid dancers, callers and leaders alike. The club listings include type of club, program of dancing, when and where dances are scheduled and a contact's name, address and telephone number. There is a "New Dancer" section with information of square dance history, etiquette and other items. Directories of festivals, publications, organizations, callers and leaders are among the many other informative sections. Details in square, round, contra and clogging products and services add to their usefulness of this publication.

The Directory is available at most local square dance shops. Inquiries and information should be directed to: National Square Dance Directory, P.O. Box 54055, Jackson, MS 39208; 601-825-6831.

234,788 sq. ft.! Count 'em! 234,788 sq. ft.! Then 234,788 sq. ft. multiplied by 3 days is 704,364 sq. ft., and totals the dancing room at the 36th National Convention in Houston, TX, June 25-27, 1987.

A 10,200 ft. room will feature Mainstream dancing with live music by the Ghost Riders band, 8:00-11:00 p.m. on Thursday through Saturday. There's also 17,000 ft. of Mainstream with Rounds and 18,000 ft. of Mainstream only. A 17,000 ft. room will house Plus dancing with Rounds and 14,000 ft. will house Advanced dancing. The Youth room is 7,000 ft., the Solo room is 18,000 ft. There will be 3 rooms totaling 15,700 ft. for Challenge dancing, two Contra rooms, two Clogging rooms and fun rooms for Slow and Easy Squares.

The Showcase of Ideas is close to 3 Round Dance rooms which total 30,150 ft. What more could you ask for?

You want more? How's this for more? ...24,000 ft. of Plus dancing in the Astro Arena. ...380 callers from all over the U.S. ...The Parade of States will converge from 4 entrances in the Astro Dome to set a record as The World's Largest Square Dance Under One Roof!

After all the parading, dancing and checking out the vendors, you can visit the beautiful Bluebonnet Park to rest your feet while watching Exhibitions and the Youth Fashion Show.

Yes, my fellow dancers, everything is bigger in Texas...

YOUNG PEOPLE HAVE MORE FUN AT THE 36TH NATIONAL SQUARE DANCE CONVENTION

**Submitted by the 36th
National Convention Committee**

The welcome mat is spread for all of the teen square dancers attending the 36th National Square Dance Convention in Houston, Texas.

So what should the youngsters bring to Houston next summer? Just bring the

usual smile and the anticipation of a super time. Vice Chairmen, Cliff & Wanda Teegarden, of the Fort Worth Swing Timers square dance club (and State of Texas Teen Coordinators), and their Directors are planning an event that they will talk about the rest of their lives. They know something about teen fun in square dancing because they have a daughter and two grand-daughters that are square dancers.

Aside from many dances geared especially for teenagers, they plan a super Fashion Show entitled, "Yellow Rose of Texas," with plenty of participation from both boys and girls. After Parties are planned; Oklahoma is planning one on Thursday by Tom & Sue Hoffman (Vice Chairmen of Youth Activities for the 1989 convention) and California is planning one on Friday.

Wanda says that, "There is a special interest of both callers and parents, and they all have a ball when they get there."

There is a call for models who have finished lessons and are between the ages of 9 and 21, but the time is short. Send names and addresses and tell them what kind of outfit you are going to make. Contact the Teegardens at 7816 Natalie, Fort Worth, Texas 76134.

The directors are: Workshop - John & Mary Ann Smith of Hurst; Programming - Jack & Yvonne Moody of Bedford; Chaperones & Hospitality - Jess & Terry Michel of Dallas; Trail-End & After Parties - John & Pat Langford of Denton; Special Events - Tom & Rachel Calvert of Denton; and Statistics & Reports - Jimmy & Becky Autry of Saginaw, Texas.

Bring the square dancing young ones to Texas, June 25-27, 1987, and turn them loose and have an old fashioned good time.
