Published for Mid-East Penn District Federation of Delaware Valley Square and Round Dancers

Vol. 13, No. 3

January/February 1988

## GREETINGS FROM THE CHAIR

Roy & Marion Goerlich

This is a New Year - a time for renewal and re-evaluation! A time when we should re-examine ourselves to improve and to take up responsibilities that we have overlooked or neglected. We should see to it that our club, District and Federation have the proper support they need to have good dancing so that all might receive the same benefits we have enjoyed in the past. Do whatever is required to be done - like help carry the load, invite the shy members to help and participate in the work and leadership.

## DANCE FOR THE HANDICAPPED

By the time you read this, tickets for the 4th Annual Balloon Launch will have been given out to all clubs. This event, in conjunction with the 11th Annual Dance and the 2nd Annual One-Niter in the afternoon, is being held to benefit the Friends of the Handicapped. The latter tickets will be given out at January's District meeting.

The affair is scheduled for March 20, 1988, 1:00 to 5:00 p.m. with the balloon launch around 5:15 p.m., at the Upper Dublin Senior High School, in Upper Dublin, PA.

This is the ONLY fund raising activity supposedly backed by the Mid-East Penn

District. It is a joint venture by all clubs and it would be a shame if everyone doesn't pitch in to make it a success. The dance includes Class, Club, Advanced and Beginner level dancing, plus Round dancing.

Please purchase and sell as many balloon tickets as you can. This year, top prizes thus far received for the person whose balloon is returned from the farthest point include \$100.00 cash and/or a ride in a hot air balloon, plus others. We could use help in obtaining other prizes, please help. Friends of the Handicapped does a wonderful humanitarian job in helping the handicapped, so let's all jump on the bandwagon. PLEASE!

For further information, contact Rose & Aaron Silverstein at 368-1936 or Dot & Cliff Kehrle at 536-8416.

## EDUCATION COMMITTEE NEWS UPDATE

Bob & Charlotte Goerlich

The first District Dance will be held at the Church-On-The-Mall, in Plymouth Meeting on January 16, 1988, 7:30 to 10:30 p.m. Students are encouraged to attend as this is the first dance they will be able to attend. Calling will be at the class level only. Angels are also encouraged to attend to lend support and meet new class members. Remember when you were students?

Callers and cuers who have not yet received booklets for their students, please call us at 215-887-2153. We also need to know the number of diplomas you will require for graduation.

See you on January 16th!

## SEWING...BE ORIGINAL

Ruth McLay

When attending National or Local Conventions, it's a good idea to visit the Sewing Clinics provided in the program. Here, you can get patterns for collars, sleeves, necklines and various other patterns just for the time spent tracing your own size. Usually, all materials for tracing are provided.

These patterns can be fitted to your favorite dress and you will end up with your own original creation simply by adding lace, ribbon, braid or ruffles to your basic pattern. Don't hesitate to be creative. You will be amazed at the compliments you'll receive.

### D.V.S. & R.D. CONVENTION NEWS UPDATE

Bill & Erma Molin, Publicity Chairmen  
D.V.S. & R.D. Convention Committee

INNOVATIVE!! That's the word to describe the 1988 Delaware Valley Square & Round Dance Convention. Bill & Doris Manuel's Committee for the 27th Delaware Valley Convention is full of new ideas to enhance your dancing pleasure in September (22-24), 1988, at the Brandywine Hotel & Resort in Downingtown,

PA.

For instance, a "BUY ONE, GET ONE FREE" registration for dancers 19 years of age and under will open up the Convention to our younger dancers. Each Convention has a program geared for the Youth, but too often the expense has kept them from being able to enjoy this opportunity. In 1988, these young people can pay for one registration and obtain a pass for a second youth to also attend. The pools, indoor sports complex and outdoor activities help make the Youth Program more attractive. We will keep you informed as more of the Youth Program unfolds.

BOOSTER sheets have been mailed to all clubs by now and you should have no difficulty finding a list to sign for \$1.00 which entitles you to be entered in a drawing for a FREE REGISTRATION, plus a listing in the Program Book of the Convention. You can help your club to 100% participation by your \$1.00 donation.

For those of you who like statistics or who wonder about the programming of dance hours per level at the Conventions, we offer these interesting figures from the 1987 Convention:

Mainstream: 14 hours of dancing programmed. Squares per hall: high 9; low - 0; average - 2½.

Plus: 44 hours of dancing programmed. Squares per hall: high - 68; low - 2;

average - 16½.

Advanced 1: 6 hours of dancing programmed. Squares per hall: high - 13; low - 4; average - 7.

Advanced 2: 21 hours of dancing programmed. Squares per hall: high - 28; low - 2; average - 16.

Rounds Only: 28 hours of dancing programmed. Couples per hall: high - 74; low - 15; average - 36.

2x2 Rounds: 16 hours of dancing programmed. Couples per hall: high - 50; low - 7; average - 23.

These figures show an increase in Plus and Advanced dancers over the 1986 Convention with other levels relatively static. The Program Chairman for Square

and Round Dancing will try to make their schedules reflect the needs of the dancers attending the Convention. For this reason it is important that you indicate on your Registration Form the dance level you prefer.

Remember to make your plans now by sending your Registration Form and Room Requests. The news is spreading quickly about what a wonderful time will be had at the 27th Delaware Valley Square & Round Dance Convention - don't be left out! Your friends will all be there!

new hall will host Basic/Class level dancing - ideal for the dancer that hasn't graduated from lessons yet. Packer Hall's varied facilities will house Mainstream dancing in the South Gym and Advanced dancing and Clogging in the North Gym. The Dance Studio will feature Contra/Traditional, Challenge and Youth dancing during the day and Round dancing at night. The Brower Student Center's lovely wooden floor will be an ideal facility for the higher phases of Round dancing most of the day.

In addition to all those hours of dancing, several Education and Leadership Seminars have been scheduled, including two Sewing Clinics. Special areas have been reserved for vendors and exhibitors. A Showcase of Ideas will feature displays by area dance organizations. Clubs and organizations are again encouraged to bring their banners, which will be displayed in the registration area. A Grand March will take place at 7:00 p.m.

For the delegates' convenience, the campus has a snack bar and restaurant, which will be open for most of the day. Also, many reasonably priced restaurants and fast-food establishments are only a short drive away. There are several ho-

tels and motels nearby for those who desire overnight accommodations. Space has been reserved this year for those wishing to bring recreational vehicles - there will be no hookups.

Callers, cuers, prompters and dance leaders from New Jersey and surrounding areas have been programmed for the Convention.

Information packets describing the Convention program and college facilities will be sent to registered delegates well before the Convention, so all may be able to plan their days activities. Registration forms may be obtained from Registrars, Don & Pat Stephens, 674 Clifton Ave., Toms River, NJ 08753. For further information, contact Burt Caplan, Publicity Chairman, c/o Hontchar, 286 Clarksville Rd., Princeton Junction, NJ 08550.

## LEGACY PROMOTIONAL KITS

Almost 1,000 LEGACY Promotional Kits have been distributed world-wide, as was announced by Stan & Cathie Burdick, LEGACY Square Dance Month Chairmen.

The purpose of the kits, subsidized by LEGACY and available for only \$1.00 postage and handling charge, was to make available 22 pages (including a poster) to those responsible for recruitment and promotion of fall classes. It is hoped that their use will help to increase the numbers in square dance classes, the Burdicks said.

The theme of Square Dance Month (September) this year was "Program For Fun", and was tied in with the design of a computer. Some of the promotional copy made available to the key promoters read as follows:

"Are you in the right 'mood', and is all your equipment (resources, plans) in the proper 'mode' for the big push to 'program for fun'? Your screen should be

green for 'go'. Your 'hard drive' for new recruits should be well established and your 'readout' should show plenty of recruits by now. We really need to 'double the dancers' this fall, and your efforts are essential."

"Don't forget to really 'Program For Fun' in those first few lessons to keep 'em wanting more. Remember the LEGACY survey that told us convincingly: 'The fun is gone - bring it back.' Make every class a friendly, social event as well as a learning experience. Keep those portals open for three consecutive sessions (coast a bit with the same dozen or 15 basics) to build those numbers a bit. 'Beginners beget beginners', as they say. The units are on. All systems are 'go'. Now it's up to you to 'Program For Fun'."

## SECURITY ON HAND TO HELP

When you come to the 37th National Convention in Anaheim next June 23, 24, & 25, one of the first things to catch your eye will be dancers wearing large blue & gold sashes with 'SECURITY' on them. Please also notice that they are armed only with a big smile and a 'May I help you, folks?' attitude. Our security people are there to extend a warm California hospitality greeting and help you to get around. Remember, 'Mi casa es su casa' - 'Our house is your house'.

The Anaheim Convention Center is a big, beautiful facility. The Center, together with the Anaheim Marriott and Anaheim Hilton, will play host to thousands of dancers, dispersed among hundreds of dance locations, cafeteria, exhibit halls and rooms holding classes, panels and workshops. During several weeks prior to the Convention, the 37th National Security Director has scheduled training to insure that anyone wearing a blue & gold security badge will know what is going on

and where it is.

Yes, it's a big 'casa', but our desire is to make you feel as much at home as possible. Security people are on hand to facilitate this goal. So, don't hesitate to step up to one of them and say, 'Howdy! Can you help me?'

## 12 CLINICS TO HELP 37TH CONVENTIONEERS GET MORE OUT OF DANCING

your best' to 'dancing better with others' to 'saving your voice while calling', the clinics will give participants practical experience in testing out tips on how to look better, dance better and call better. Nine of the clinics will be offered on all three days of the Convention. Consult your Program Book upon arrival for a complete list of clinic times and places and for many other events scheduled by the 37th National Convention Education Committee.

On the theory that we all do better when we know we look good, the 37th Education Committee will offer 'COLOR' - coordinating your own personal coloring of hair, eyes and complexion with clothes and accessories to help you look your best; and 'REFLECTIONS' - accentuating your positive features and minimizing any negative ones.

To promote more satisfaction from improved performance in Square and/or Round dancing activities there will be 'RHYTHM & TIMING' - feeling the beat and keeping time with the music while the caller must always be ahead of the beat;

'SMOOTH DANCING & STYLING' - executing figures with style and comfort; 'ROUND DANCE STYLING' - learning the finer details of waltz, two-step and Latin rhythms at your level; and, for those who regularly or occasionally need to promote club activities, 'FLYERS & POSTERS' - getting results with clear, appealing advertising.

If you're in the mood to try something new, the 1988 Convention Education Committee is providing 'CONTRA (WESTERN)' - a chance to try Contra dancing and see if you like it; and 'SO YOU WANT TO BE A CALLER' or 'SO YOU WANT TO BE A CUER' - finding out just how easy or how hard it is, whether you would like it, or could even do it.

If you're already a caller, two clinics which will be provided especially for you are 'CALLERS CRITIQUE' - new callers' techniques analyzed by experienced, recognized callers/instructors; and 'CALLERS -- SAVE YOUR VOICE' - a professional voice therapist will discuss techni-

ques to avoid problems with your voice.

Teens, pre-teens and their parents at the 37th National Convention may wish to try 'TEEN FUN TIME' - an opportunity to explore ways to be sensitive to and accommodate each other's needs vis-a-vis square dancing.

These clinics, along with 17 panels, 10 seminars, the Organizations Round Table, Showcase of Ideas and Publicity Display, will provide 37th Conventioneers unprecedented opportunities to benefit from shared experiences involving thousands of their dancing friends from all over the United States and the world.

## LEGACY...WHAT? WHY? HOW?

LEGACY is a support group, a part of the whole square dance program, set up to encourage and facilitate communication within the activity. It is an information and education source that offers knowledge, education, leadership and service.

Members and 'Trusties' are primarily concerned with the healthy growth and preservation of the total square dance activity. Their concerns include proper publicity to and education of the general public, promotion of Square Dance Month, Square Dancing as a National Folk Dance, information on and promotion of education and leadership seminars (Mini-Legacies), a Hot Line for fast communication of important issues and a biennial survey of your feelings and comments.

Membership is open to anyone in the activity, caller, cuer, dancer, publisher or supplier, who for three or more years has served in some form of leadership and

## EARLY BIRDS NOW LATE COMERS

Would you believe nearly 1,500 Early Bird Certificate Holders have not yet registered to attend the Convention in Anaheim in '88? Aren't you folks coming to the party? Maybe you don't understand. The certificate you bought or won is not your Convention registration. It only entitles you to register at the reduced rate of \$15.00. To complete the process, please fill out a Registration Form and send it to: 37th National Convention, P.O.

Box 8549, Anaheim, CA 92802.

There are items on the Registration Form, such as your choice of hotel, purchase of a Program Book, the Disneyland After Party, Western Concert and Knott's Berry Farm tickets which must be purchased at the time of registration. A letter and Registration Form was sent to each Early Bird Certificate Holder explaining how to register. Perhaps yours got lost. The procedure is easy and extra Registration Forms are available in a variety of places such as from your club or favorite square dance shop. PLEASE, fill one out and send it in SOON. Include your Early Bird Certificate number if you have it. (Don't send your Early Bird Certificate.)
