Published for Mid-East Penn District Federation of Delaware Valley Square and Round Dancers

Vol. 13, No. 6

July/August 1988

## EDUCATION REPORT

**Bob & Charlotte Goerlich**  
Education Chairmen

By now, all of the classes have graduated and we wish everyone a relaxing summer.

The two remaining "Free Summer Dances", sponsored by the Federation, are scheduled for July 16th and August 20th at the West End Fire Hall in Quakertown, PA. Larry Davenport will be calling on the 16th and Carl Hanks on the 20th. Please mark your calendars and plan to attend. It will be a good opportunity for new graduates to dance to different callers and meet new people from other clubs. Hopefully, we'll be seeing a lot of new faces at these dances.

Also, at the Convention in September, there will be plenty of Mainstream dancing. Representatives of the Convention Committee visited the various classes and invited all of the students to attend. We hope to see many of you there.

## FROM THE CHAIR

**Roy & Marion Goerlich**  
Mid-East Penn District Chairmen

"Summertime" and the easy living, as a famous song goes. Rest and relaxation are utmost in our minds. We enjoy nature's wonders and the beauty of this time of the year. The hectic days of fall, winter and spring are behind us once again. We can relax and enjoy the outdoors and the many activities that we have been longing to do. We wish you all a wonder-

ful summer and look forward to an enjoyable new beginning in September.

## WELCOME!

**Roy & Marion Goerlich**  
Mid-East Penn District Chairmen

We would like to welcome three new clubs into our district, they are Twilighter Rounds, Starduster Rounds and Hickory Run-Arounds.

The Mid-East Penn District now has 46 clubs, and we encourage everyone to visit as many of them as possible. We especially hope that many of our dancers will participate in our "Club of the Month" program. Look in this issue for July and August's featured clubs.

## DANCE TO BENEFIT FRIENDS OF THE HANDICAPPED

The dance and balloon launch to benefit the Friends of the Handicapped was held at Upper Dublin Senior High School on March 20th. There were 500 dancers in attendance with activity in four different rooms. The callers and cuers were all local ladies and gentlemen who graciously donated their time.

There were 823 balloons launched into a very high gusty wind. The farthest card was returned from Weirton, NJ and there were also a few from Marion, PA.

The top six winners in the balloon launch were: (1) Claire Wildemore, Melody Lakes - Quakertown, PA; (2) Preston

## PETTICOAT HINTS

Ruth McLay

It's possible to add new charm to your dresses. Change the combination of your petticoats from the way you are used to wearing them. Switch them around with different dresses. Try a multi-colored petticoat or one of the new fashion colors. Or you can add a second petticoat over or under the one you usually wear with a certain dress.

**Washing and Drying:** When washing your petticoats treat them gently. Ivory Snow with a very small amount of La Franz (a blueing agent) is great for white petticoats when using warm water (or water warm enough to dissolve the soap

powder). Make sure to mix your soap powder and the blueing agent very well before washing your petticoat. These two washing agents will leave your petticoat with a fresh scent after it has been dried.

If you are washing your petticoat by hand, use an up and down motion and gently rub together any soiled area with warm water. Rinse well in cool water (not cold). You may want to rinse your petticoat several times to make sure all the soap is out.

Take the petticoat from the wash tub

and hang it dripping wet on the clothes line. Start pinning the petticoat at the waist and then at several points on the bottom of the skirt, spreading out the skirt as evenly as possible. They do dry rapidly, so switch pinning points on the clothes line and smooth out any wrinkles and then fluff petticoat.

If you are drying your petticoat indoors, protect your floor with several sheets of newspaper or plastic (or try using your garage).

If you would rather use your washer and dryer, wash in warm water using the gentle cycle and fluff dry, do not use any heat. Then hang your petticoat on the clothes line to dry the cotton area on the waist.

I prefer to hand wash my petticoats, but you may feel differently.

## FEATURED CLUBS FOR JULY AND AUGUST

Chet & Shirley Lightcap

This time we are paying special tribute to the Diamond Squares of Schuylkill Haven, PA and the Tumbleweeds of Doylestown, PA.

The Diamond Squares is a caller-run club under the adept hand of Lloyd Schroeder from Auburn, PA. The level of dance is Mainstream Plus and Quarterly Selections. The first Saturday of every month finds them dancing at the Senior Citizen Building on Haven and Liberty Streets in Schuylkill Haven, PA. They enjoy a well-rounded dance with Bob & Gloria Reaser on rounds and an A-2 tip before the real fun begins. Dances are held from 8:00 to 11:00 p.m. year round. The hard work begins every Wednesday in Lloyd's home where they workshop from Mainstream right up through Advanced. Fun times include a summer square dance picnic at Lake Wimona and 4 to 5 demonstrations every year. You have to agree the 55 dancers in this club really enjoy a "Class Act" and Lloyd's parting words were "come up and see us sometime" and I'm sure he meant you.

The Tumbleweeds are also a caller-run club, and although small in number, they

work hard at workshops (work, you say?) and have a lot of fun doing it. Wednesday nights will find them dancing their little hearts out. The 3rd Wednesday of the month is dance night, all other Wednesdays are workshops. This all takes place at Central Bucks Family Y.M.C.A. in Doylestown, PA from 8:00 to 10:15 p.m. with their fearless leader and caller, Helen Greatsinger. This multi-talented lady does both the calling and the cueing. Holidays and graduations are made extra special with more dancing and festivities, so plan to visit the small but mighty Tumbleweeds!

## **D.V.S. & R.D. CONVENTION NEWS UPDATE**

**Bill & Erma Molin  
Publicity Chairmen**

At the annual meeting of the Federation of Delaware Valley Square & Round Dancers, April 24th, a drawing was held to award a free registration to one of our boosters. The lucky winners were Charlie & Shirley DeSantos of Pi-R Squares. We congratulate them and thank the rest of our boosters for their support. Remember, it is not too late to become a booster and have your name listed in our Program Book.

This article will be a 'sort of' wrap up about the Convention and the surprises it holds for all dancers attending. We previously told you that this Convention Committee was INNOVATIVE! You've heard about the 'two for one' registration available to dancers under the age of 19; you've been told about the many hours of mainstream dancing with National Callers; but we haven't told you about the 'double up' calling that has been scheduled for many of the dance halls. Can't you just hear Jimmy Lee and Ed Foote sharing a mike for one solid hour? Or how about Keith Gulley and Rusty McLean? Or how about any twosome out of our eight callers? Well, you can believe it's going to happen, not once but several times during the weekend. Talk about FRIENDSHIP SET TO MUSIC!!

And our Round Dance Program will

please everyone, too. Rounds will be cued at all levels, some in the square dance halls on a 2x2 basis, but most in the round dance halls. In addition, the teaches by our Round Dance Leaders will also be at all levels (easy through advanced).

All clubs in the Federation are invited to bring their club banner for display. It's quite a sight to walk into the lobby and see so many banners. Out-of-state dancers are always quite impressed, so delegate one of your members to be responsible for hanging and removing your club banner from the lobby.

Since quite a bit of dance time is allotted for new dancers, we would like to ask that our more experienced dancers take some time to join them in the mainstream room and get to know our new friends. It's an opportunity to share your club news with them, encourage them to visit you, and let them know they are a part of a large friendly family interested in making sure they have a good time.

One final word: watch your September publications for an advanced copy of the entire dance schedule for the Convention.

## **FEDERATION NEWS UPDATE**

**Paul & Evelyn Lofurno  
Publicity Chairmen**

April 24th was the date of the Federation's Annual Election and Dance held in Cherry Hill and sponsored by the Penn-Jersey District. Unfortunately the weather was so nice that most folks found other activities with which to occupy themselves. Less than 70 members were present. That's more typical of a political primary election on a rainy day.

Dancing started at 2:00 p.m. with the calling and cueing by Bob Gaunt and John Toll respectively.

The business portion of the meeting began at 3:00 p.m. and was conducted by Roger Owings, our outgoing President. Last year's election meeting minutes were read by Secretary, Thelma Schum and were quickly approved as read. Our president then read a letter of acknowledgement and thanks for the

cash gift made in Clyde Ryerson's memory to the Coriell Institute for Medical Research. Following this, a brief description of the proposed new boundaries for each district was given. Discussion on the proposal however, was tabled until our next meeting in order not to prolong the day's business activities. Next on the agenda was the election of officers. Unopposed and unanimously elected were: President, John & Mary Ellen Lachenmayer; Treasurer, Ron & Dottie Smith; and Secretary, Jeanne Richards.

For the first time in perhaps a decade, there was a contest for a position, the Vice-Presidency. Doug Vollmer and the Lightcaps (Chet & Shirley) stood for that position with the latter couple being the winners. The ballot counting was ably accomplished by Bud Wolf (Pen-Del District) and Bill & Ella Knight (Bucks-Trenton District).

During the ballot counting, George Greenacre spoke about the proposed state organization. Time cut him short, however.

Bill & Doris Manuel, Chairmen of the 27th Federation Convention, gave a status report on the coming event. 700 registrations have been received to date. The usual drawing for a free registration was held following their report. This included the names of all those who are boosters for the Convention Program Book. The lucky winner was Cheryl De-

Santis of Pi-R Squares.

Roger Owings closing remarks were next and he stressed the need for some new blood in our organization's leadership. Lastly, he thanked all those who cooperated with he and Marian throughout the past year.

One half of our new President, John Lachenmayer spoke next (Mary Ellen, the other half, was by his side) and his first task was to present a beautiful set of sterling silver candlesticks to the Owings.

The following members were introduced as John & Mary Ellen's staff: Membership, Clarence & Juanita Dye; Publicity, Erma & Bill Molin; Property, Ron & Mary Weiss; Insurance, Roger & Marian Owings; Laison, Burris & Meryl Plummer; and Showcase of Ideas, Joe & Betty Mathers.

The business meeting was then adjourned and dancing resumed at 4:15 p.m.

## NEW JERSEY'S 2ND STATE CONVENTION...A SUCCESS

**Burt Caplan**  
Publicity Director

More than 1,900 dancers attended the 2nd New Jersey State Square & Round Dance Convention held on March 19th at Trenton State College in Ewing, New Jersey. This was an increase of more than 200 dancers over last year's Convention.

While most of the dancers were from New Jersey, eastern Pennsylvania and the metropolitan New York areas, there were participants from as far north as New Hampshire, from as far west as Iowa, and from as far south as Florida.

The Convention, sponsored by the Square Dance Council of New Jersey (S.D.C.N.J.), ran from 10:00 a.m. until 10:30 p.m. with a full program of square and round dancing, clogging, contra and line dancing. In addition to calling the

varied dances, the 60 square dance callers and dance leaders ran workshops and teaching sessions.

Many of the square dance clubs hung their colorful banners in the Student Center, and there were displays set up by the 7 organizations that comprise the S.D.C.N.J. During the day, there were several clinics and workshops dealing with such topics as "So You Want To Be A Square Dance Caller" and "Gags, Games and Gimmicks", a fun program for after-dance parties. And since many women make colorful outfits for themselves and their partners, a "Sewing Clinic" was held. There were also 14 vendors on hand displaying and selling square dance clothing and related goods and services.

An exciting feature held during the evening of the Convention was the Grand March when all of the clubs, dressed in their colorful, matching outfits, marched around the main dance hall.

There are square dance clubs located in almost every community in New Jersey. For information on classes and dances in clogging, square, round, or contra dancing, please contact the Chairmen of S.D.C.N.J., Doc & Peg Tirrell, 3 Churchill Rd., Cresskill, NJ 07626.

## 4TH ANNUAL WILDWOOD WEEKEND...A SUCCESS!

**Bill & Erma Molin  
Publicity Chairmen**

About 60 couples gathered in Wildwood over the weekend of April 29th to May 1st for the annual Weekend of Dancing sponsored by the Federation of Delaware Valley Square & Round Dancers. Chairmen of this year's event were John & Mary Ellen Lachenmayer, recently elected Presidents of the Federation.

Bill Dann and Elmo Troiani provided a spirited program of square dancing, while Hap & A.J. Wolcott kept the round dancers happy with a good mix of classic, easy and intermediate rounds. The dancers attending were very enthusiastic about the 'package weekend' and voted overwhelmingly to continue this annual

affair.

First State Squares of Delaware presented a well-planned program of entertainment entitled "Then And Now". Skits showed a variety of activities in the 'then and now' theme - from beach frolicing in their old-fashioned costumes, and a Nelson Eddy/Jeannette McDonald duet to Jitterbugging in the 50's, and rock n' roll and hard rock as performed in the 80's. As a matter of fact, this performance was so outstanding that it was awarded with a genuine "Oscar" by the Federation President.

Next year's Wildwood Weekend will be under the direction of Doug Vollmer of the Penn-Jersey District. Make your plans now to attend in 1989 - it's a weekend that surprises you with excellent accomodations, good food and fine dancing in a large convention hall.

**PENNSYLVANIA'S NEW OFFICIAL STATE OUTFIT**

**Chet & Shirley Lightcap**

We did it! We're official! And we're excited! The turquoise and white outfit you may or may not have seen at various official and unofficial events has been accepted by our new Pennsylvania State Federation as the official state outfit. Work on this outfit began two years ago

after the National Convention in Indianapolis.

Being proud Pennsylvanians, we were more than a little upset with our appearance in the Parade of States. Determined to do something before the next convention, we armed ourselves with patterns, colors, a lot of supportive friends and collaborated to design the outfit as you see it today. Turquoise and white were chosen in deference to our state colors of blue and gold due to brightness and also because no other state has this color. The design was chosen for its simplicity. We're hoping it is easy enough for anyone to sew. Make the neckline high or low, whichever suits you best.

The man's outfit is readily available at most square dance shops that sell H-Bar-C shirts. We will even have kits available by mail order - and one of the best parts is - we now have the support of the entire state and the kits are being made by a group in western Pennsylvania.

There were 40 Pennsylvanians in the Parade of States at Houston last year wearing the outfit. Maybe this year in Anaheim, we will have hundreds.

For further information, please call Len & Mary Ann Keen at 323-3489 or Chet & Shirley Lightcap at 323-3994.

P.S. - A great big "yellow rock" to all those who helped get this project off the ground.

## **PENNSYLVANIA'S NEW STATE FEDERATION**

**Bob & Dottie Elgin**

We all know the value of being represented by large numbers of people involved in the same activity and with the same desire to have the activity flourish and even gain new heights in popularity. This is what our newly formed State Organization will do. As with any organization, it is only as good as the people within.

To even begin to enumerate the many advantages this State Federation will bring would be impossible. They are limited only by our imagination and willingness to reach out and attain our goals. To just scratch the surface, some of the goals are:

1. Better acceptance in schools and public buildings. To secure the use of school properties for square dances at a modest price.

2. An insurance program at a reasonable cost.

3. Statewide publicity.

4. Statewide communications. To communicate effectively with our members so there is more enthusiasm for clubs, local festivals and conventions, and the National Square Dance Convention.

5. To have the 'square dance' declared our official state dance.

6. To obtain a tax free status as an educational group. (This would allow donations to be tax deductible.)

7. To obtain government grants.

8. To obtain the use of state printing services. (The state of Texas pays for the printing of their state square dance magazine.)

9. To have an official state dress.

10. To plan and promote an annual state convention.

11. To obtain a bulk mail permit.

12. To have a state license plate with the square dance logo.

13. To communicate effectively with the non-square dance population to promote new dancers and a better understanding of our programs.

14. To share mini-legacies.

These are just a few of the things we can accomplish and the list can go on and

on. We need the full support of everybody to successfully attain the above goals.

## **IT'S TIME TO GET MINI-LEGACIES ROLLING**

**Dan & Mary Martin  
Mini-Legacy Committee Chairmen**

It is well known that every undertaking must have a continuing supply of good leaders. Square dancing is no exception. So, if we recognize the universal importance of good leadership, why is it that so many square dance programs suffer for a lack of it? Classes bring in a stream of energetic people who demonstrate that they can quickly learn. And, at least in the early stages, they want to be part of the team. Yet we do not seem to move effectively towards recognizing, attracting, encouraging, developing and using the resource talents that are so readily available to us.

Let's set the record straight! Leaders are made, not born. And Mini-Legacies are designed to help make good leaders for square dancing. Plenty of friendly folks out there on the floor are willing to be used in responsible positions. And square dancing needs them. These persons must be found, motivated and molded. Our activity needs an on-going and continuing supply of good, willing, knowledgeable leaders. They are there, but they need encouragement, training, help and direction.

Leadership training programs, sometimes called Mini-Legacies, are where all this begins to happen. Local organizations must develop their own supply of trained leaders, and well-planned and executed leader training exercises offer valuable opportunities to do just that. Leader development seminars draw people together in pursuit of desired common goals. They enlighten, develop and strengthen personal feelings of "Can do" and "Willing to try." Believe it or not, they don't hurt a bit! Fact is, these experiences can be great fun, with good fellowship to boot. We say - try one!

## **LEGACY SPEAKS ABOUT COMMUNICATION**

**Bill & Colleen Wilton  
Education Chairmen**

Legacy, through its Log and Mini-Legacies, has been communicating with the square dance world for the last 15 years. Although much has been said and written about communication, lack of it has often been deemed the cause for the demise of many organizations and clubs. For most of us, the word 'communication' conjures up a vision of the spoken or written word.

Listening is another form of communication. It is listening to what others are trying to communicate to you. Listen to what spectators at a square dance exhibition are saying, "They don't look happy", or "That is for old people". If you hear this, it is telling you that something should be done to change the image we are putting forth.

Observation. How often have you, when attending another club's function, observed what is going on around you? Can you observe friction among the members or are they just one big happy family? Are you greeted with a smile or do you just have the sign-up sheet shoved at you? Take your observations back to your club as a way of improving its image.

Body language is another form of communication. All of us have attended square dance functions where people are seen hugging each other as they renew friendships. Hugging tells people that you like them and are glad they are your friends and members of your square dance family.

Legacy members hope that everyone will concentrate on listening, observing and hugging so that we may impart an entirely new image to the general public and members of our activity.

## **3RD NEW JERSEY STATE CONVENTION DATE CHANGED ...NO FOOLING!**

The Square Dance Council of New Jersey has announced that the date of the 3rd New Jersey State Square & Round Dance Convention has been changed from March 11, 1989 to April 1, 1989 at Trenton State College in Ewing Township.

Doc & Peg Tirrell, Chairmen of the Square Dance Council of New Jersey, and Tex & Margaret Shipman, General Chairmen of the 1989 Convention, explained that changes in availability of facilities at the college resulted in the Council rescheduling this successful event, which attracted 1,925 participants in 1988.

Over 400 dancers have already registered for the 1989 Convention. They will receive individual notification of this change from the Registrars and may request refunds if necessary. Additional registration information can be obtained from Don & Pat Stephens, 674 Clifton Ave., Toms River, NJ 08753; and additional Convention information can be obtained from Publicity Chairmen, Ken & Helena Robinson, 614 Van Liew Court, Neshanic Station, NJ 08853.

Panelists for this very informative seminar were Bob & Dottie Elgin (PA) and Charles & Jo Balz (OH). This was followed by the last scheduled seminar, "Leadership...Fun, Not Frustration, Image And Reputation" with panelists Roy & Betsy Gotta (NJ) and Gordon Goss (MI).

## CALLER'S CODE OF ETHICS

I resolve:

- 1) to honor all calling commitments.
- 2) to conduct myself as a gentleman or lady at all square dance functions.
- 3) to participate in the free exchange of material and ideas among callers and square dance leaders.
- 4) to maintain a positive attitude toward fellow square dance callers.

- 5) to be well groomed and pleasant in manner and dress as befitting the square dance occasion.
- 6) to completely abstain from intoxicating liquors and/or hard drugs before or during a square dance.
- 7) to adhere to standardized square dance terms and nomenclature.
- 8) to help square dancers and beginner callers in every way possible.
- 9) to strive to give each group the maximum entertainment possible within the realm of my ability.
- 10) to refrain from any action that will take away from or hamper the fun and fellowship of square dancing.

## THE BERMUDA SQUARE & ROUND DANCE CONVENTION

If you haven't tried it, you should. It's aptly described by many of the attendees as "the square and round dance experience of a lifetime". Fitness, friendship, and fun is what it's all about at the annual Bermuda Square & Round Dance Convention to be held in 1989 on January 8th thru the 15th - Sunday to Sunday - or any part of the week. It will all take place under the roof of the beautiful Sonesta Beach Hotel, majestically set on a 25-acre landscaped peninsula.

From the Candlelighting Ceremony on opening night to the afterparty as our closing finale, there is something for everyone. For the square dancers, there is mainstream, plus, advanced-one and advanced-two, as well as some sessions of challenge-one. The round dancers have easy, easy-intermediate and advanced levels to choose from. Also for the novice dancer, a class in round dance basics.

Two new spacious halls were used in 1988 and are just perfect. Air conditioned with wooden parquet flooring and a staff that is tops and just can't be beat! Workshops are held in the morning with dances being held after dinner. Afternoons are set aside for shopping, sight-seeing and other relaxed activities, including golf, tennis, swimming and the world-class European Health Spa at the Sonesta Hotel.

Dancers from 18 states and 3 Canadian provinces enjoyed the welcome champagne party kicking off the special events for the week.

A Skirling Ceremony at Fort Hamilton, Sonesta's Rum Swizzle Party, the Convention's own fashion show, square dancing in St. George's Square as part of their historical ceremony, celebration night; special demos, guest callers and cuers, and much, much more is all in store for you.

1989 will be the 10th Convention, and many plans are underway to make it the best one ever! Come join us and a full-time professional staff to give you the best "winter break" you've ever had.

Convention date: January 8-15, 1989. For registration forms, please write or call: Bermuda Square Dance Convention, P.O. Box 145, Avon, Mass. 02322; 617-963-0713.
