Published for Mid-East Penn District Federation of Delaware Valley Square and Round Dancers

Vol. 14, No. 1

September/October 1988

EDUCATION REPORT

Bob & Charlotte Goerlich

The summer ended with three very successful dances. I'm sure that all of the new dancers enjoyed dancing with new people and different callers. We hope that a lot of you have registered for the Convention for a really wonderful experience.

Attention: All callers and cuers who have classes, please contact us and let us know how many people you have in your class. We will have books for them. Call us at 215-887-2153 between 6:00 and 7:00 p.m.

PUBLICITY

Publicity, like charity, begins at home. The more we dance in public, the more people will see us and become interested in our pastime. The mall demonstrations, parades and visits to nursing homes lets the public know we are in existence. Newspaper articles covering our activities, sure help a lot too.

Remember, personal contact is still our best means of promoting square dancing.

THANK YOU FOR CARING

I would like to express my thanks and appreciation to my many square dancing friends for their prayers, telephone calls and get well wishes during my hospital stay.

Square dancing is truly friendship set to music. Thank you again for caring.

Bill Manuel

MEMBERSHIP NEWS

Lee & Jan McDermott
Bruce & Barbara Brown

It is now time to start thinking about membership for 1989. The packets containing all of the information for our Membership Drive will be given out at the September 11th District Meeting to be held at Perkasio Fire Hall. It is important that your club be represented at this meeting so that you may receive your packet.

For your annual fee you will receive the Squares & Rounds magazine mailed to you every other month. This gives you all the information going on in your District and also special events elsewhere. You are also entitled to free dances in the summer.

Don't forget the Membership Dance on November 6th, 2:00-5:00 p.m., at Benner Hall, Richlandtown. This dance is free with your 1989 membership. Let's have a large turnout and get the membership off to a great start!

FROM THE CHAIR

Roy & Marion Goerlich

We are again at the threshold of new activities and enjoyment when we look forward to good things and good times. Now we must remember those people we have been inviting to join us in Square Dancing. September is Square Dance Month and it is also the month that most classes begin. So give that friend, relative, co-worker and/or acquaintance a nudge, call, letter or whatever and get things rolling for a great time this season.

SQUARES AND ROUNDS

"Squares and Rounds" is published bi-monthly (6 issues per year) by the Mid-East Penn District of the Delaware Valley Square & Round Dance Federation.

VOLUNTEERS NEEDED!

Bill & Erma Molin

In order to successfully continue to provide an outstanding Convention each year, the Federation of the Delaware Valley Square & Round Dancers must have volunteers to serve as Convention Chairmen. The guidelines set up by the Federation require that the Chairman be: "an active square and/or round dancer and must be a member in good standing of the Federation of the Delaware Valley Square & Round Dancers".

There are many such dancers in our Federation with additional qualifications because of their service with previous conventions, club and district operations, or because of their occupational background. These are the people we need to hear from voluntarily. To properly plan and prepare for a Convention, leadership should be established two years prior to the actual Convention. Submitting your resume for consideration by the Convention Advisory Committee is not an egoistical act, but an offer to your Federation to help keep the continuity of our Conventions.

Perhaps you know someone whom you think would serve well in such a capacity and with whom you would be willing to work as a part of their committee. Why not speak to them now -- offer your services and urge them to submit a resume or letter to the Chairman of your district.

There is an immediate need for a Chairman for 1990.

'ROUND THE SQUARES

BUCKAROOS: We're looking forward to seeing all of you at our Kick-Off Dance. If you have children who have graduated from a square dance class, remember, we have a family plan so bring them along.

"YIPPEE-I-O-KI-A!"

+++++

SCHUYLKILL PROMENADES: Henry Ferree will be calling our Anniversary Dance on October 15 at Blue Mountain Middle School in Orwigsburg, PA. A buffet table will be provided. If you desire tickets for this dance, they are \$6.00 per couple in advance and \$7.00 per couple at the door. Murray Truax at 215-398-7198 for more information.

+++++

TUMBLEWEEDS: We will resume our regular schedule on September 14th at the Doylestown YMCA, 8:00-10:00 p.m. Our Fall Dance will be held on September 28th...same time, same location and our Halloween Dance on October 19th with special refreshments and many surprises.

Our new class will begin on September 15th at the YMCA, 8:00-10:00 p.m.

+++++

YELLOW ROCKERS: We are one of several clubs that camp together, dance together, eat together and swap stories around the campfire. If you camp, join us for a weekend and share the fellowship and fun.

In the winter, the same fellowship and fun applies at our dances. Check us out at our first dance on October 1st.

RUTHIE'S SEWING BASKET

Ruth McLay

The following are just a few tips concerning fabric.

First and foremost, it's a good idea to wash and dry all fabrics before using them. This will take out extra finishes that dull your cutting shears. This procedure also shows the fabric's washability as well as shrinkage (better to find out first, before sewing).

To avoid puckered edges in some fabrics -- cut away your selvage edges.

Before buying fabric measure how much yardage your different style skirts, bodices, blouses, and sleeves are going to take. Also, keep a purse-size booklet with all of these yardages written down and keep a sample swatch of each fabric you use.

Try to purchase fabrics that are permanent press. An excellent combination is 65% dacron with 35% cotton. 100% dacron or nylon may be wrinkle resistant, but it is very warm and can be very uncomfortable in humid weather.

Look for a few more fabric tips in the next issue.

TOUCH SOMEONE — SQUARE DANCE

Legacy

Each Square Dance Month theme for September has been established and promoted by Legacy now for a number of years.

This year's theme is "Touch Someone — Square Dance", which borrows a phrase from a popular commercial slogan. How appropriate this is, since the most basic movement of square dancing is touching. Touching is universal. Touching is the essence of friendship.

In order for club publicity people to do a better job promoting classes and interpreting square dancing to the general public, a Promo-Kit is offered again for the third consecutive year. The kit is free except for postage and contains a dozen pages of ideas, tips and resources, along

with a poster which depicts the 1988 theme of "Touching".

Order your copy (or copies) of the kit for \$1.25 each to cover postage/handling from Square Dance Month Chairman, P.O. Box 488, Huron, OH 44839. Checks should be made payable to: ASD.

ASD MAGAZINE FACTS & FIGURES

Editors of *American Squaredance*, the only national/international magazine printed monthly for the square dance activity, are pleased to announce that they will be celebrating twenty years of the magazine having been printed in Ohio this fall.

When the September issues are sent out, it will mean that 240 different issues have been produced in Huron/Sandusky, Ohio. The magazine is actually forty-three years old, having been published in New Jersey, Illinois and Ohio.

Presently, the copies go out by bulk mail from the Huron, Ohio post office in quantities of 22,000 to 24,000 every month. Subscribers reside in every state in the U.S.A., every Canadian province and thirty countries of the world where square dancing takes place.

Full coverage is given of events, people, places, trends, and dancing/leadership tips. Advertisers number well over 100. Covers are in full color and each issue has an average of 112 pages. The magazines address is P.O. Box 488, Huron, Ohio 44839. Stan & Cathie Burdick are the editors of the magazine.

ASD Services, a department of the magazine, caters to informational needs. For instance, a series of various reprints on subjects from graduation parties to clogging are available, called "in-forms". Quantities of sample magazines are free for club distribution. Questions on points of interest are answered or referred to promptly. Thirty-five books for callers and leaders are sold by the editors/publishers. Another department is ASD Tours, which have listed two square dance tours to far-flung areas annually. Caller school scholarships are also given out to worthy new callers by ASD, called Scholar-Shares.

D.V.S. & R.D. FEDERATION MEETING UPDATE

Bill & Erma Molin

The first meeting of the 1988-89 fiscal year of the Delaware Valley Square & Round Dance Federation was held on June 9, at the Trinity Lutheran Church in Fort Washington, PA and hosted by the Mid-East Penn District. John & Mary Ellen Lachenmayer, newly elected Presidents of the Federation, presided.

The following new Committee Chairmen were announced: Education, Paul & Evelyn Lofurno; Membership, Clarence & Juanita Dye; Publicity, Bill & Erma Molin; Property, Ron & Mary Weiss; Coordinator/Calendar of Events, Aaron & Rose Silverstein; Insurance, Roger & Marion Owings; Legacy, George & Angie Greenacre; Liaison with Square Dance Council of N.J., Burris & Meryl Plummer; Advisory Committee, Mitch & Carin Cytacki; Wildwood Weekend, Doug Vollmer; and Showcase of Ideas, Joe & Betty Mather.

Reports were made by each District Chairman showing membership totals of: 964 - Mid-East Penn District; 1,194 - Pen-Del District; 545 - Bucks-Trenton District; and 413 - Penn-Jersey District.

Roger Owings requested that all dancers covered by the insurance program be made aware of the proper procedures in case of an accident. The first person to be notified, if a claim is being made, should be the Insurance Chairman of the individual's club. That person will then ad-

vised what steps should be taken to file a claim.

John Lachenmayer reported that the Wildwood Weekend was a success and presented the Treasurer with a check in the amount of \$1,172.00, plus a refund of the \$500.00 advance made by the Federation. The 1989 Wildwood Weekend dates are April 28, 29, & 30.

Jim Howatt, reporting for the Square Dance Council of N.J., said there were 1,900 dancers in attendance at the 1988 Convention. The date for 1989's Convention will be April 1.

Definite boundaries have been agreed upon by the District Chairmen to clarify each District's area. By vote of the Board, these boundaries were accepted as outlined. New clubs are urged to join the District in which they are located. Existing clubs are not affected by this vote. Boundary definitions are available by request to your District.

A discussion was held on the need for and/or the purpose of having a Public Relations Chairman. Further study will be given to this proposal and a report made at a later date.

A proposal to hire the callers and cuers for our Conventions for more than one year at a time was introduced. After discussion, it was voted to refer this suggestion to the Convention Advisory Committee for further consideration and recommendation.

The next Federation meeting will be held on September 8, 1988.

MID-EAST PENN DISTRICT

The Mid-East Penn District is composed of square and round dancers. Approximately 964 dancers belong to 46 clubs within our District. Our District covers a large territory: Scranton-Easton, Reading, King of Prussia, the Roxboro section of Philadelphia and many communities in between. Each club should have a representative to attend the four scheduled meetings each year (January, March, September, November) so they may keep their club informed. We are presently meeting in the Perkasio Fire Hall as it is the most central point that would allow all clubs to have a representative present without having to travel too far. All four meetings are open to all dancers. We encourage you to attend and voice your opinion or ask questions.

The District exists for the purpose of keeping our clubs informed of Federation activities, distributing educational material, publishing Squares & Rounds maga-

zine, scheduling free summer dances, sponsoring an annual benefit dance, making your needs and desires known to the Federation and assisting dancers in any way possible. We also have a Special Events Calendar, which we sincerely desire all clubs to utilize so that none of our clubs will schedule an event in competition with another. In that way, we can all take advantage of any and all special events.

Behind it all is you, the dancer without whom there would be no need for a Club, District or Federation.

GROUND RULES FOR BANNER STEALING

1) A banner may be captured at any regularly scheduled club dance by a visiting club having two or more squares present.

2) All visitors must be registered in the guest book and must be wearing their club badges.

3) Couples who belong to more than one club cannot represent one club and steal a banner from another to which they belong.

4) A club may steal a banner or retrieve a banner on a club visit but not both at once. It takes a visit to steal and a visit to retrieve.

5) When there is more than one visiting club having at least two squares present, the club that has at least two squares registered first in the host club's guest book is entitled to the banner. (This is to prevent discrimination against small clubs.)

6) In the event that the host club's banner has already been captured and is not available, the host club shall give the visiting club a raincheck. As soon as convenient after they recapture their own banner, they must deliver it to the club holding the raincheck. If two squares accompany the banner, it may be taken home again from that same dance. Otherwise, it must be recaptured according to Rule #7.

7) A banner may be recaptured at any of the next three scheduled dances of the captor club by two squares or by one square if beyond the three scheduled dance time limit. After ten scheduled dances, the banner may be recaptured by any one or more couples visiting the captor club.

8) A banner may be captured only one time (by the same club) within a dancing year (September to September).

9) A club is allowed to have a traveling banner which must be a reasonable facsimile of the master banner.

10) A club having a traveling banner will not display its master banner while the traveling one is in the possession of another club.

11) The capturing club agrees to exercise good care of the captive banner and

to have it available at the dance when the members of its club come to take it home.

12) Any club not wishing to participate in banner stealing should make this known to the District Secretary, and it will be duly noted in the club news section of the district publication.

FEDERATION OF DELAWARE VALLEY SQUARE & ROUND DANCERS

The Federation of Delaware Valley is composed of square and round dancers. When you join the Federation you are automatically placed in one of the four Districts within the Federation. Your membership in the Federation provides you with:

1) Guidance and association with an experienced Board of dedicated officers and leaders.

2) Participation and freedom of expression at all Federation and District meetings.

3) Education seminars aimed at the betterment of square and round dancing.

4) Varied square and round dance literature and booklets.

5) Publication of square and round dance news and activities in your District.

6) District sponsored dances and activities.

7) Free dances in all four Districts.

8) Various charity benefits and entertainment.

9) An annual Federation Convention offering national callers and cuers.

10) Scholarship opportunities for new callers and cuers.

11) Membership in a Federation that has successfully sponsored two National Square Dance Conventions.

12) A million dollar insurance program that makes available to every club, in every District, general liability protection.

13) A method of uniting all dancers in a common goal -- the growth of square and round dancing.

14) A big bonus: The joy, friendship, sociability and happiness of togetherness.

JUST THE FACTS!

Legacy

Many times club presidents and callers are contacted by representatives of the local media and asked for more information about square dancing. It was suggested to the Square Dance Month Chairmen of Legacy that a press release should be circulated that would provide some information to answer the usual questions about square dancing. Here goes:

Who square dances? Square dance participants include people of all ages, from small children to nonagenarians; all walks of life; all nationalities and races; all phases of health, from those who can walk confidently to those in wheelchairs; all mental capabilities, from those in challenge clubs to the special steppers. Square dancing is open to anyone who wishes to participate.

What is square dancing? Square dancing is the name given to the activity which encompasses dancing in square formations, contra dancing in long lines, round dancing (couple dancing in specific patterns) and, in some areas, clogging.

Square dancing is eight people moving to music and following the commands of a caller. It's good exercise. It brings people together for fun and fellowship, relieves stress and tension and creates friendships.

When does square dancing take place? In cities, square dancing might be found any evening. In smaller towns, square dancing may only be available on weekends, although where towns are clustered, clubs will endeavor not to compete on the same night.

Where do square dances take place? Many towns and cities across our nation now have square dance halls built by clubs and federations for the enjoyment of their own activity. In many other places, square dancing is enjoyed in churches, schools, gyms, social halls, malls...wherever there is ample room. Wood floors are best, but not always available. During summer, many square dances are held outdoors.

Why do people square dance? We mentioned some of those reasons under "what". Another reason that couples enter the activity is that they can square dance together, rather than participating in separate hobbies. Others are attracted by the fact that square dancers have an agreement not to partake of alcohol before or during a dance. A dancer feels confident that the others in the square are working together to complete the calls for the maximum enjoyment of all.

How does one get into square dancing? September is designated Square Dance Month, and classes usually begin at this time of year. In some areas, classes are started in January. For most club square dancing, it is necessary to take basic lessons.

Many areas have a program called Community Square Dancing, which non-dancers may attend.

The above answers are very general. Local information needs to be added, which should be available from your local publications. Historical information is available from several sources, including *Hoedown Heritage* from *American Squaredance Magazine* and *The History of Square Dancing Handbook* from the Lloyd Shaw Foundation.

Places to dance, either locally or when travelling, are listed in the *National Square Dance Directory*, which annually lists over 10,000 square dance clubs.

The answers above also have been geared to club square dancing. In many areas, traditional square dancing is available and open to those who wish to dance only occasionally and those who enjoy its flavor and rhythms.

Know your local area and resources. Know your callers. If you can't answer a question about square dancing, know where you can look for an answer. Happy promoting!

Tik-Tok Rounds: "Specializing" in rounds only, the Tik-Tok Rounds do not dance above the Phase II level. Dan & Kay Bloom are the cuers in this cuer-run club. Founded eleven years ago, they now have 40 members. Dances are held every Friday at 7:30 p.m. from late September to the end of May in the J.M. Hill School in East Stroudsburg. Due to some renovations taking place in the school this year, classes which are normally held on Monday nights may have to be cancelled, but Friday night dances will continue. When you decide to make your visit to the Tik-Tok Rounds, check their schedule in the Squares and Rounds or call Ed Miller, the contact person listed on the Where To Dance page. He will give you all the up-to-date data.
