EDUCATION REPORT

Bob & Charlotte Goerlich

By now, all classes are well along in their instruction; and we are looking forward to the dances.

The Halfway Dance is scheduled for January 21, 1989 at the Church on the Mall in Plymouth Meeting, 8:00-10:30 p.m. Jim Snyder will be calling, but there will be no rounds. Cost: \$2.00 per person. We look forward to having a good attendance.

Someone left a pair of white shoes at the West End Fire Hall in Quakertown on August 20th. Please call 215-887-2153 to claim them.

FROM THE CHAIR

Roy & Marion Goerlich

By now we should have had a great Convention and great Kick-Off Dances with even greater club dinners and dances to come. All we can say is to keep up the enthusiasm and go forth into the new year with the greatest program that can be devised. We look forward to all holiday events and that one great time when the Mid-East Penn District sponsors the Red Boot Boys on April 23, 1989.

See you all swinging and dancing to the best activity this side of Heaven...Square and Round Dancing. Enjoy your holidays!

The news is out! Let's come dance and shout to the Red Boot Boys on April 23, 1989!

DON'T GET CAUGHT IN A SPEED TRAP

Jack Lasry

As we travel to and from our square dances, many of us are keenly aware of the conditions of the road and also aware of the potential speed traps. Now this article is not designed to preach to you about how you drive except to say that we wish you to be careful since we hate to lose dancers. However, I ask you to consider the similarities of the conditions of the road for automobiles and the square dance activity.

When we look at square dancing, we see that many of us got our learner's permit when we first attended beginner's classes. We received our driver's permit when we "graduated" from class. We traveled down the square dance highway by visiting other clubs, and we had many opportunities to get the small parking violations etc. when we would goof a call or two. We made new friends and several of them had been "driving" longer than we had and they were showing us the thrills of some of the more scenic drives and perhaps even high speed driving. We accepted the bait and we began our own

brand of experimentation.

We began driving faster and faster by learning more and more calls from more and more lists. We could handle anything that our local "official" could toss at us. We had "mastered" the Mainstream lists, the Quarterly Selections and the Plus lists. True, we had occasional warning signs, perhaps even a flat tire or a blow-out, but we were undaunted. We still wanted to go faster and achieve more thrills. Along came a "super highway" called Advanced and beyond that the very limited access road called "Challenge".

Many of you [dancers and callers] are really caught up in this speed trap. We sometimes think that because the road is there, we must drive on it. Might it not be better if we, as individuals, learned to handle the various road conditions along the way? Can we not enjoy the scenic routes in our own neighborhoods? Can we not enjoy the beauty of the secondary road and perhaps even the first four lane highway? Do we all have to travel on the divided highway? Must we pass everyone on the road?

We talk about the scenic highways and byways and yet in square dancing the scenic portions have to be the people and the friendships established. Just as the forests, the flowers and the shrubs are the scenic roadside attractions and the waterfalls add serenity, so do the friend-

ships and people in square dancing accomplish the same things for us in our pursuit of this leisure time activity. We should take the time to enhance these friendships. We should take the time to smell the roses. We should make the effort to be especially friendly to the strangers that attend our club dances. We should enjoy the scenic route for what it has to offer.

Let us all take stock in ourselves and review where we are and where we would like to go. Let us not get caught up in the "Speed Trap" of square dancing.

(Reprint permission granted by Jack Lasry, Hollywood, Florida.)

A MESSAGE FROM FRANK & GRACE FERTSCH

As of today, we will no longer do any teaching of either basic or intermediate rounds. After more than twenty years of doing so, it is now time for us to take a long and well deserved retirement from teaching only. We will still honor all cueing commitments, as well as accept new cueing dates. We will only be giving up teaching, except for the basic teach at a square dance.

I want to take this opportunity to thank

We appreciate the support of the dancers that have come out since we started in July. We would like to wish each and every one of you -- happy holidays!

PERKY PROMENADERS: On December 7, we will hold our Annual Christmas Dinner Dance at the Church on the Mall, in Plymouth Meeting, PA. Reservations are required for dinner, contact David & Char Kelsall at 215-323-4089. The dance, at 8:00 p.m., is open to guests.

+ + + + +

R & R SQUARES: We will be holding a Dinner Dance on November 11 -- make an armistice with your partner and join us for a great evening.

We proudly announce the return of our banner which was stolen two years ago.

And wouldn't you believe it, we had it back for two weeks and it was stolen again!

+ + + + +

RAINBOW ROUNDS: It's been fun with our recent class of rounders, which have now joined our Wednesday night workshop early.

We are anxious to meet our newest class of rounders on Tuesday nights, 7:30 p.m., at St. Mark's Lutheran Church, 10th & Windsor Sts. Come out and join us for an easy way to learn rounds. Guests are always welcome, whether it's at our class or workshop on Wednesday nights. However, if you come on Wednesday, be sure to stop in at our dance hall on the 13th & Amity Sts.

+ + + + +

RAINBOW STROLLERS: August was a great month for us. Five squares attended a video taping of the Strollers with Sam & Dolores. Then, on August 9, Sam & Dolores were taped live on Channel 41. We got even a bigger break when the program was re-run on August 15 and 18. It was not only a great plug for us, but for square and round dancing as well.

Hobo Night was a classic event...when "Ho Bo to you, too", was the comment from the caller. Also, 50 people attended our Picnic at Engleman's Park. Hats off to everyone. Nice work to our committee chairmen, the Doudnas and the Hulls.

Heading our new list of guest callers are Ed Foote on November 11, and Carter Ackerman on December 16. Also, don't forget to sign up for our usual fabulous New Year's Eve Party. The committee

SAUCON SQUARES & ROUNDS: Come join us some Friday night for a great 2x2 program and/or on the 2nd & 4th Tuesdays for APD, plus Advanced.

SCHUYLKILL PROMENADES: On November 20, John Sweeney will be calling and December 18, will be our Christmas Dance. A Christmas Party will follow the dance.

+++++

SMOOTH SQUARES: November is lucky for us because we will be dancing three times: November 1, 15 and 29.

Dress in your red and green for our Christmas Party on December 6. This will be our only dance in December.

+++++

STARDUSTER ROUNDS: We dance every Thursday, 7:30-10:00 p.m., at Memorial U.C.C. Church. For more information contact Jeanne Truax at 215-398-7198. We dance Intermediate to Advanced (Phase III to Phase V).

+++++

STARDUSTERS: On November 4 we will have Phil Kennedy & Don Spangler with

us; on November 19, Rob Bissey & Bob Reaser; and for our Christmas Dance on December 2, Phil Kennedy & Don Spangler. (We will only have one dance in December because our 3rd Saturday dance falls to close to Christmas.) Do come out and join us.

We greatly miss Ron Friet who passed away on August 25. He did so much to promote square dancing that his absence will be felt by all who knew him.

+++++

YELLOW ROCKERS: Fantastic fun and fellowship -- come out and help us celebrate our Anniversary Party on November 5 -- with a wine, cheese and fruit party after the dance. Then, join us again for our Christmas Party on December 17.

Mark your calendar for another good time: January 22, 1989 -- when we will be hosting Carl Hanks. (See our ad in this issue.)

PENNSYLVANIA STATE FEDERATION NEWS UPDATE

Steve & Dorothy Musial

The Pennsylvania Square and Round Dance Federation met on August 21st at Penn State University, State College, PA, to adopt a Constitution and By-Laws and to elect the following officers. They are: President, Bob & Dottie Elgin (Harrison

City, PA); 1st Vice President, Fred & Eva Strang (Johnstown, PA); 2nd Vice President, Steve & Dorothy Musial (Philadelphia, PA); Treasurer, George & Angie Greenacre (Springfield, PA); and Secretary, Pat Rhodes (Dover, PA).

Sites for an Annual State Convention were discussed and the possibility of a first convention as early as the summer of 1989 under the leadership of Chairman, Bruce & Eileen Williamson (Altoona, PA).

The official State Dress having been adopted at a previous meeting, the delegates adopted a State Name Badge, and formed a committee to plan a State Banner.

All known Pennsylvania Associations, Federations and non-affiliated Clubs will be sent Pennsylvania Square and Round Dance Federation membership forms in the near future. Membership in the State Federation will give us strong representation which will enable us to promote, benefit and perpetuate square and round dancing more vigorously in the future. It will also help us to further communication and understanding between other state and national square dance organizations, as well as, the non-square dance population.

Have you heard the news? It will chase away the blues. Come dance to the Red Boot Boys on April 23, 1989!

ROUNDALAB'S 12TH ANNUAL MEETING

Over 230 teachers from thirty-one states, including Alaska, five Canadian provinces and New Zealand attended the 12th Annual Meeting of Roundalab, the International Association of Round Dance Teachers, Inc., held in mid-June at the Grand Hotel in Anaheim, CA.

It was a busy three-plus days as leaders from various backgrounds shared their expertise and knowledge for the bet-

terment of the round dancing activity. The membership voted to adopt a liability insurance program. The Video Tape Committee began working with a professional studio to tape the Phases.

More figures were defined and placed in the Glossary and the Six Phases, a new way of presenting the Phase Rating system in booklet form by rhythms was adopted, a new section was added to the Callers and New Round Dance Leaders Manual, the Classic List for 1988-89 was accepted, plans were developed for choosing rounds of the quarter, and lengthy, meaningful discussions were held on Teaching Progression and Mini-Clinics and Master Teachers.

The Roundalab Annual Meeting also provides its attendees with many educational opportunities. Sunday evening sessions included discussions on After Parties conducted by Ralph & Joan Collipi, Burn-Out presented by Harmon & Betty Jorritsma and Video Cameras explained by Bob Nolen. On Sunday evening Bill & Carol Goss introduced and explained figures in the International Tango. Monday afternoon attendees had a chance to Swap & Exchange information on handling festivals and weekends, round dance teachers' school and publicity moderated by Barbara Blackford, Paul & Debbie Taylor and Wanda & Pat McBride respectively.

Frank & Carolyn Hamilton were named recipients of the prestigious Silver Halo Award for their outstanding contribution to the round dance activity. Honorary Member, Eve Maxhimer was also present and shared memories of round dancing in its infancy. She also brought along a program book from the 1st National Square Dance Convention in Riverside, CA 37 years ago.

The Wednesday Teachers Seminar/Clinic sponsored by Roundalab and conducted by clinicians Bill & Helen Stairwalt, Dwain & Judy Sechrist and Eddie & Audrey Palmquist was a sell-out. It was interesting to note that many Roundalab members remained in Anaheim to volunteer their services at the 37th National Square and Round Dance Convention.

Elected to the Board of Directors were Ron & Donna Baba (Canada), Wayne & Barbara Blackford (FL), Bob & Barbara

Herbst (TX) and Ted & Barbara May (LA). Continuing on the Board are Ray & Anne Brown (CO, AZ), Irv & Betty Easterday (MD), Herb Egender (CO), Don & Pete Hickman (TX), Wilson & Ann McCreary (AL), Pete & Carol Metzger (CA), Helen & Bill Stairwalt (IL, TX) and Norma Wylie (AZ).

Irv & Betty Easterday were re-elected as Chairmen. Appointed Executive Secretaries for another year were Peg & Doc Tirrell (NJ). Roundalab's 13th Annual Meeting will be held June 18-21, 1989 at the Lincoln Plaza in Oklahoma City, OK.

PLANS UNDERWAY FOR THIRD NEW JERSEY CONVENTION

The Square Dance Council of New Jersey reports that plans are underway for the 3rd New Jersey Square & Round Dance Convention, to be held on April 1, 1989 at Trenton State College in Ewing Township.

Continuous dancing in the Basic, Mainstream and Plus programs has been scheduled from 10:00 a.m. until 10:30 p.m., along with round dancing in all phases. Selected hours will be dedicated to Advanced and Challenge dancing, Clogging and Contra dancing. The Grand March, one of the most impressive sights of the day, will take place at 7:00 p.m.

The Convention Committee, led by General Chairman, Tex & Margaret Shipman, is considering the possibility of rotating the dance programs throughout the major halls in response to dancer concerns. This will give all dancers the opportunity to dance on the wood floors in certain halls, and perhaps lessen "the agony of the feet".

In addition to all the dancing available, there will be several Education Sessions and Workshops, along with a Showcase of Ideas featuring displays from area organizations. Many vendors will also be on hand to show off the latest in square dance attire and supplies.

To sustain all the hungry dancers, snack bars on campus will be open for mealtimes, and last year's popular "all you can eat" buffet is expected to return. Several restaurants are a short drive from

the college. For those that prefer not to travel great distances in just one day, parking for self-contained recreational vehicles (RVs) will be available on campus, and several motels are located just minutes away.

No fooling -- the 3rd New Jersey Convention promises to be the best one yet, so take advantage of the low admission fee (\$8.00 per person) and sign up now! Registration details are available from Don & Pat Stephens, 674 Clifton Ave., Toms River, N.J. 08753. Additional convention information may be obtained from Publicity Directors, Ken & Helena Robinson, 614 Van Liew Court, Neshanic Station, N.J. 08853.

Have the winter blues got you down and out? Come dance to the Red Boot Boys on April 23, 1989!

that is kept in good condition.

Visit your dealer for a demonstration of your machine. If he offers lessons, take advantage of them even if you are an experienced sewer. You will learn the potential of your machine.

Periodic oiling is important and will keep your machine running smoothly and quietly. Be sure to wipe off all excess oil immediately and give your machine a little running and then let it sit. Before the next use, wipe it again as some oil may appear. It's better to be sure than to have an oil mark on your material.

When sewing, always sit directly in front of the needle, not in front of the machine. Also, put your machine in a place where there is plenty of light. Do not work in your own shadow, if possible.

Be sure to turn the hand wheel toward you when adjusting needle height, never turn it away from you. The take up lever should be at its highest point before removing fabric from the machine.

Do not change the needle position while the machine is running or when the needle is in the fabric. You may break or bend the needle. Make sure you have a good supply of ball point needles in several sizes on hand at all times just in case you do break a needle.

When threading the machine, hold a piece of white cardboard behind the needle for better visibility. You can see

the eye more clearly this way. Also, make sure you check all controls when changing to a new operation.

Make sewing a pleasant experience; treat your sewing machine with respect.

ASD MAGAZINE PUBLISHING EVENT

Cal Golden, more than any other caller, 'wrote the book' on salesmanship and showmanship. And now he's literally done just that, drawing from a colorful forty year career as one of the most flamboyant, yet personable callers of our time.

American Squaredance magazine editors are pleased to announce this premier publishing milestone straight from the pen of the guy who (it has been said) could 'sell iceboxes to Eskimos'.

The new book is entitled "*The Worth Of A Salesman*", and contains hundreds of tips for callers and dancers, showing them how to "...sell yourself first, then sell others". An added bonus is the inclusion of dozens of photos of Cal with leading stars of the entertainment world, from whom he gained much insight.

In one of its official documents, Callerlab editors said: "A showman is a per-

son having a flair for dramatic or visual effectiveness". That "country boy" from Arkansas (who was Chairman of Callerlab) was also known as "Mister Showmanship" to many thousands of dancers, coast to coast and abroad. Callers especially can benefit from advice freely given by one of the most successful callers of the 20th century. It would make a fine Christmas gift for your favorite caller.

Orders received by *American Square-dance* before December 15th will be \$8.00 per book plus \$2.00 postage (U.S. funds); then, \$10.00 plus postage (U.S. funds) thereafter. Write: ASD, P.O. Box 488, Huron, Ohio 44839.

For crying out loud, come join the crowd and dance to the Red Boot Boys on April 23, 1989!

To meet the first goal, the 1988-89 Survey will repeat many of the questions used in the previous surveys. The consistency will allow us to continue the monitoring of trends over time.

To meet the second goal, the 1988-89 Survey will include some new questions, seeking information about ourselves as people. Things such as age, occupation, family status and lifestyle. Demographic information -- that's what marketers call it. They use it to promote products and services. We, too, can use demographic information to promote square dancing.

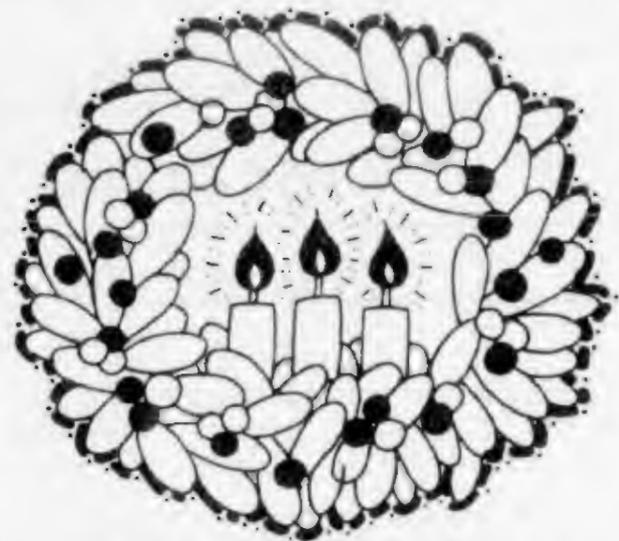

As in past Legacy Surveys, your responses will be kept confidential and anonymous. And, as always, your replies and comments will be combined with those of many others to obtain information about our square dancing activities, our clubs and ourselves.

The 1988-89 Legacy Survey forms will be distributed this fall and early winter, through square dance organizations and publications. Fill one out and send it in. Your answers are important. So are you.

WHO ARE WE?

Paul DeBald, Legacy

From past Legacy Surveys we know a lot about square dancers as square dancers. However, we know little about square dancers as people. So the 1988-89 Legacy Survey will have two goals. One, to continue the flow of information about our square dance activities and our clubs. Two, to answer the question, "Who are we?".
