

SQUARES and ROUNDS

Published for Mid-East Penn District Federation of Delaware Valley Square and Round Dancers

Vol. 14, No. 6

July/August 1989

EDUCATION

by Bob & Charlotte Goerlich

This year, for the first time, the Mid-East Penn District awarded 100% badges to those students who, obviously, completed 100% of their classes. The recipients were 24 square dance and 12 round dance students. That's a good beginning but let's see if we can improve on that next year.

Don't forget the remaining Free Summer Dances — one on July 15 with Mike Walsh calling and Russ Booz on rounds and the last on August 19 with Dalt Young calling and Elaine Novak on the rounds.

It will soon be time to think about square dance classes starting in September, so please encourage your non-square dancing friends to attend a class and join this fabulous activity.

Thanks also goes to those who helped gather prizes. Balloon Launch cards, as of this writing, have been returned from Massachusetts, Rhode Island and Brooklyn, New York.

The 13th Annual Dance and Balloon Launch is already being planned. Tentative date is April 1, 1990 at the Upper Dublin Senior High School, Ft. Washington, PA. For next year, we are planning to have another room available for round dancing only, in addition to the round dancing in the main room.

Thank you all again for your support. You made our efforts all worthwhile.

DANCE FOR THE FRIENDS OF THE HANDICAPPED

by Cliff & Dot Kehrle
and Rose & Aaron Silverstein

Many thanks to all those who not only worked for this affair, but also those who supported it.

The 12th Annual Dance and Balloon Launch to benefit The Friends of the Handicapped went off without any problems. The many dancers, callers and cuers, and volunteers all pulled together wonderfully.

Our approximate estimate of monies raised from this affair is about \$2,800.

DISTRICT INSURANCE

During the balmy days of summer, it is hard to think of the cold facts of next year's insurance, but now is the time to plan and know what you have to do. As most clubs have to register for the new year again, the fees for insurance have to be considered and that is not all, your new students for the new year have to be registered. Remember FEE or not, the district insurance chairman must have all the names on your club roster that are to be covered. Keep in mind that the insurance must be paid for all CLUB MEMBERS. The 1990 insurance information will be published ASAP, until then I remain Roy Goerlich, District Insurance Chairman.

SQUARES AND ROUNDS

"Squares and Rounds" is published bi-monthly (6 issues per year) by the Mid-East Penn District of the Delaware Valley Square & Round Dance Federation.

COME AND SHINE IN '89

by Rocky & Margaret Mary Rocchi

At our recent Convention Committee meeting, we are happy to report that our registrations are going fast. Again, our advice to you who have not registered — do it NOW! Remember the Convention registration price is \$37.00 per couple, \$19.00 per single. Rates for the rooms are posted in the ad in this issue.

Volunteers are an important part of any convention. Our Hospitality Committee, Bob & Josie Davis, are now asking for volunteers to help at the hospitality table, registration table and as greeters. All that is required, is an hour or two of your time during the weekend. You can sign up through your club. Request sheets have already been sent out to each club. Please volunteer!

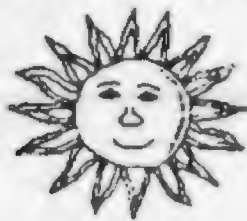

All clubs in the Federation are invited to bring their club banner for display. It is quite a thrill to see your banner displayed along side of other clubs — it adds to the joy of dancing.

us that the program will be terrific with plenty of mainstream dancing for our newcomers. All levels of dancing will be well taken care of. Our Round Dance Program will please everyone, too. There will be all levels of rounds, some in the square dance halls on a 2x2 basis, but most in the round dance halls.

With all the dance time for new square and round dancers, we would also like to suggest that our more experienced dancers take some time to join them in the mainstream rooms and get to know our new friends.

There will be plenty of activities because Mount Airy Lodge is a resort complex and for your money, they are included with your registration. Activities available are an indoor swimming pool, shuffleboard, a game room, pool tables, ping pong and much more. Included of course, is our own fashion show and sewing classes, etc. There is also a gift shop in the lobby. Mass Services will be held on Sunday morning.

Our vendors have all allocated a large

area very close to some of the dancing areas for your shopping pleasure for clothes, shoes, jewelry, etc.

So, "COME AND SHINE IN '89" with us. Watch your September issue for an advanced copy of the entire dance schedule for the Convention.

RAINBOW STROLLERS: Our 1st Annual Muscular Dystrophy Benefit Dance was a whoppin' success. We would like to thank Paul Andrews, Bill Appleby, Harry Borger, Gleas Crumling, Dolores Procopio and Sam Procopio for a great job of calling and cueing. Next year, we are planning for a bigger and more special event. We had a nice turnout for our 14th Annual Grand Square Awards Night, paying tribute to Peg & Bill Webb of Beth-

lehem, John & Mary Ellen Lachenmayer of Norristown, Bill & Rose Mary Smeigh of York, and Karl & Barb Burkhardt of Gettysburg.

We recently lost a true friend and member - Joe Krutulis. He and his wife, Dottie, traveled from Schuylkill County to be with us in both squares and rounds. They have performed in demonstrations and in our special television performance. Joe always had a smile on his face and a story to tell. His artistic talent will always remain with us. Joe's loss is not only to us, but to square and round dancing as well.

SAUCON SQUARES & ROUNDS: A special thanks to everyone who attended our Annual Round Dance Ball and made it such a big success. Also, many thanks to those of you who contributed to the Muscular Dystrophy Fund by donating and/or attending our Fundraiser Dance on April 30.

MID-EAST PENN DISTRICT DANCE/CONCERT

This past April your District Officers presented "The Red Boot Boys" at a dance and concert. The weather was beautiful, the dance hall perfect and the boys from Tennessee were a joy. The Red Boot Boys calling was excellent and our cuer for the day, Frank Fertsch (on his birthday) cued a superb dance. The concert portion of the program was delightful with everyone comfortably seated. It was a most enjoyable afternoon.

There were 45 squares present and the afternoon was a huge success. If you missed this one, shame on you. It is now under consideration by the Mid-East Penn District Board to do it again, perhaps three years from now.

CALLERLAB VIDEO TAPES AVAILABLE

by Darryl McMillan

We are pleased to announce the availability of the long awaited commercial video tapes for use in promoting our wonderful square dance activity. These video tapes, produced as PSA's (public service announcements) are being produced in two formats - a VHS video and a one inch video (primarily for studio use). Each tape includes all three of the separate and distinctively different commercials. They are entitled as follows:

COUCH POTATO (30 second spot) - Two couch potatoes, feeding their faces, having nothing to do and no place to go. Scenes of square dancing: "Are we having fun yet?"

PERCEPTIONS (60 second spot) - Narrative concerning perception and sometimes erroneous impressions of square

dancing. Tells it like it is - a fun friendly recreation - where the action is. Scenes of square dancing: "Square dancing is what's happening!"

SCENIC AMERICA (30 second spot) - Scenes of various people and places. Scenes of square dancing: "All America is coming home to square dancing."

There is a spot at the end of each individual commercial for you to insert a phone number for more information. Because these tapes were designed for many uses, including to be used as PSA's, your local television station should not charge you to "air" them.

We ask that if you have not already made a donation to the Callerlab Foundation for the Preservation and Promotion of Square Dancing that you include a donation with your order to help defray cost of production and distribution.

The enthusiasm is high! As you already know, our theme for this year is RECRUIT, PROMOTE and MAINTAIN. We are pleased to have these tapes available at this time and are hopeful

that they will greatly increase our recruiting capacity. WE ARE PROUD AND EXTREMELY PLEASED! YOU SHOULD BE TOO! The first Callerlab Foundation project has been completed. It is certainly a step in the right direction and IT WAS MADE POSSIBLE WITH YOUR HELP! Thanks to each and every one who generously donated not only their money but their time and talents as well!

Order blanks can be obtained by contacting the Callerlab Home Office, Box 679, McCauley Avenue, Pocono Pines, PA 18350.

RUTHIE'S SEWING BASKET

by Ruth McLay

Button, button, who's got the button? When applying buttons to a garment, remember that buttons are an important addition. They must be placed properly and sewn on correctly or they could pucker, gap or droop and ruin your garment.

There are two types of buttons, shankless and those with a shank. Shankless buttons are flat and work well on thin fabrics or as decoration. Shank buttons are made with a shank. They should be positioned so that the shank parallels the button hole and then attached with small stitches.

The size of the button is important. Choose a size in proportion to the type of garment and the size of the person wearing the garment. Large buttons do not flatter a tiny person and vice versa.

When sewing on buttons the thread should match the fabrics weight and color. Although, ordinary thread is fine for sewing on most buttons. Button hole twist can be used on heavy fabrics. Only use about 16 inches of thread at a time to avoid knots.

Place buttons at stress points to prevent the garment from gapping — for example, the fullest part of the bustline. Be sure that the buttons match up with the

button holes perfectly before you sew them into place to avoid gaps and puckers. Sew them on one at a time, from top to bottom, and button each button as it is completed to be sure it is correctly placed.

Buttons can be reinforced by placing a smaller flat button on the back (wrong side) of the garment under the larger outer button. Sew one button to the other with the fabric between them. Buttons on light-weight fabric can be reinforced by folding a piece of seam binding and sewing it under the button on the back (wrong side) of the fabric.

These are but a few hints concerning buttons. Hopefully, they will be helpful to you all.

CALLERLAB'S MAINSTREAM QUARTERLY SELECTION

Kenny Farris, Chairman of the Mainstream Quarterly Selection Committee, is pleased to announce that his committee has selected GRAND SWEEP as the Mainstream Quarterly Selection for the quarter which began on April 1, 1989.

GRAND SWEEP

Starting Formation: Static Square.

The Action: Heads Part - Flutterwheel, Sweep 1/4, Pass Thru, Partner Trade. Now do the Sides part. Repeat both parts to end at Home. Sides Part - Face your partner, back away three steps and turn on the fourth step to face the Head position, walk forward to meet the dancer coming at you with a Dosado (back to back) and then a Star Thru. Now do the Heads part. Repeat both parts to end at Home.

Ending Formation: Static Square.

Timing: 64 beats.

Teaching Hints: The action for the

Sides begins like Grand Square. Callers will say, "Sides face, Grand Sweep." In the Heads part, when the dancers do the Pass Thru, they should move forward far enough so that the Partner Trade takes place in the Sides position.

Singing Call: Sides face, Grand Sweep! (Callers may wish to sing or direct the action.)

Current Mainstream Quarterly Selections are: Hang A Right (Left), Cloverflo and Grand Sweep.

Avenue, Pocono Pines, PA 18350 and pay an initial fee of \$90.00. Thereafter, the annual fee for renewal is \$60.00. The dues year commences April 1st and closes March 31st of the following year. A current roster must accompany the dues check each year.

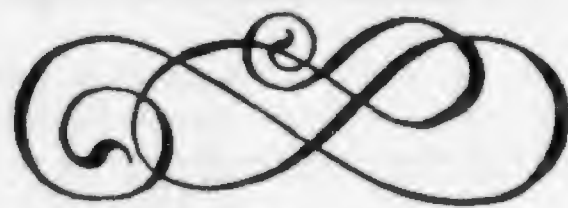

At the time of affiliation, the organization need not have a Callerlab member among its members; however, within three years, at least one of the members of the affiliated organization must be a member of Callerlab and attend the annual Callerlab Convention. Convention attendance requirements thereafter are the same as for all members; i.e., once every four years for organizations in North America and once every eight years for organizations outside of North America. The affiliated organization is expected to subscribe to the Callerlab Code of Ethics and otherwise support Callerlab policies.

Members of affiliated organizations have no individual status within Callerlab unless they are, in fact, Callerlab members, subscribers or apprentices in their

(This insurance coverage is not currently available to callers residing in Canada or overseas.)

Callers' organizations who are not now affiliated with Callerlab are encouraged to acquire that status and take advantage of the benefits affiliation offers. For more information, please contact the Callerlab Home Office in Pocono Pines, PA.
