Published for Mid-East Penn District Federation of Delaware Valley Square and Round Dancers

Vol. 15, No. 3

January/February 1990

FROM THE CHAIR

Another year has come and gone,
Look forward, don't look back.
Let's all get going for a brand new year,
All clubs and dancers, get on the track.

We wish all of you a Happy New Year!
There is no CL B without U.

But don't just attend, become a part of
your club. Clubs do not just sit there and
exist. It takes all of you. Take an active
part in your club, and help to continue in
this new year, to create fun in dancing
and bring in new dancers.

LET'S DANCE

When you read this article, the Balloon
Launch drawing tickets for the Friends of
the Handicapped Dance, will have been
out almost two months. Hopefully, every-
one will have purchased at least one.

During January the tickets for the
dance will be distributed. The donation for
these tickets is still \$2.50 per person. The
dance and the drawing will be held on
April 1, 1990 at the Upper Dublin Sr. High
School, Ft. Washington, PA, and that's
no fooling.

We have nine callers and eight cuers
scheduled for the dance. There will be
square dancing at all levels and a new
round dance room, plus rounds in the
club level room. Food will once again be
sold and some free provided by the
members of the Friends of the Handi-
capped.

Let's all get behind this effort. It is our
13th year for this cause, so let's make it
lucky!

SORRY — BUCKAROOS

Aaron Silverstein, who has been hand-
ling the ads for "Squares and Rounds",
offers an apology to the Buckaroos for er-
rors in their last ad, where we had the
name of Frank & Grace Fertsch as cuers,
after we had been told to correct it with
"various cuers". We are sorry for any in-
convenience caused, and we shall do our
utmost to prevent any errors from occur-
ing in any of the ads.

EDUCATION REPORT

by Bob & Charlotte Goerlich

By now, all classes are well along in
their instruction; and we are looking for-
ward to the dances. The first, is the Half-
way Dance on January 20, 1990 at the
Church-On-The-Mall in Plymouth Meeting
at 8:00 p.m.

We have a good roster of callers and
cuers scheduled for all of the dances, and
we ask that you encourage all of the
students in your class to attend.

Flyers are available with the schedules;
and if you want some copies, please call
us at 215-887-2153.

PLANNING AHEAD

Now that enjoyable holiday season is behind us, serious thought can be given to your dancing plans for the spring, summer and especially the fall season.

Naturally, you will agree that the highlight of the year must be the 29th Delaware Valley Convention. Now, September 13-15 may seem a long way off to make plans for, but habit often leads us to put things off. So, we are writing this as a reminder not to miss the great western theme of our "Hyatt Ho in the Big '90". Eight great national callers and three of the finest round dance leaders are all signed in for your dancing pleasure.

Put your "brand" (names) on one of those registration forms available at all clubs — and you will be sure of an early room sign up at our Cherry Hill Hyatt "corral" in September.

In the meantime, keep an eye peeled for those cowboys and their fancy ladies as you dance around the area — they will be looking for you!

DLDV UPDATE

by Jim Howatt

Tex Shipman really means it when he says... "A short business meeting." The first meeting was 45 minutes, the second was 29 minutes, and the third (November) was 55 minutes which included a five minute break to move some cars.

Joe Helverson received extensive help during the "Mike Time" training session held in October. Bill Morrell showed those in attendance his method of conducting a "One Nighter" and Vern Wersler demonstrated a new line (solo) dance at the October meeting. At the November meeting, Jim Howatt talked about the business side of calling. Income and recording expenses, IRS audits and the use of computers were included in Jim's presentation.

Plans are well underway for the Stan Burdick "Leadership Seminar" to be held on May 21, 1990. About 100 leaders from different organizations in the Delaware Valley will join together for a two-hour ses-

sion. The seminar will be conducted by Stan Burdick (caller and editor of American Squares) followed by a meal.

DLDV meets the first Sunday of the month at various locations in the Delaware Valley. Callers or soon-to-be callers should contact, Doris Howatt (609-298-5957) for membership information.

MEMBERSHIP DANCE

by John & Kathy Falter

The Mid-East Penn District held its annual Membership Dance at Benner Hall on November 5, from 2:00-5:00 p.m. with over 175 dancers enjoying the afternoon.

We heartily thank the callers and cuers who donated their time to help the dancers, District and Federation. We thank Eleanor & Bob Fosters for bringing the Grand Square shop. We thank the B & B's, Colonial Squares, Melody Lakes Belles & Beaus and the Twilighters for bringing all those refreshments. We also thank the many District officers and members who helped us put this dance together.

Although all of the results are not yet tabulated, most clubs submitted their membership lists at the dance, and we expect outstanding lists from the District Meeting held on November 12.

BALLOON DRAWING LAUNCH

EVERYBODY "TALKS"
about the ENVIRONMENT,

but nobody does anything... until NOW!!

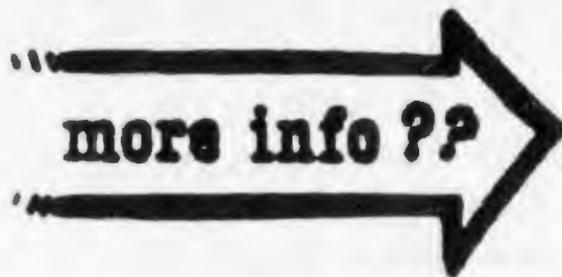

The Mid-East Penn Dist. sponsoring the "Dance for
the Friends of the Handicapped" is leading the way!

Environmentalists have complained about the effect
the balloons have on animals and fish when they descend.

This year we intend to have a Balloon Launch Drawing,
to be held at the dance. Tickets will be sold at \$1.00
as in previous years, but no launch.

Please support this effort as in the past. This
dance is the only means of obtaining funds to continue
their good work.

RUTHIE'S SEWING BASKET

by Ruth McLay

I trust that everyone had a pleasant holiday season. And now that 1990 is here, once again we'll get down to new and old routines.

It's good to know your own figure (gals and guys, too) when making your own garments.

Measurements are important! A dress or skirt that hangs loose fits as poorly as one that is too tight. And a dress or skirt that is too long detracts from the beauty of the garment as well as one that is too short. A gapping neckline is also uncomfortable. Square dance clothing should feel good, fit properly and be comfortable while dancing. A well-fitted dress makes you feel like the prettiest gal at the dance. So...come on gals (guys, too) take your measurements! Then hide them after you are through sewing if you'd like —

but take them!

Measurements taken should be compared with standard pattern measurements. If yours falls within the patterns listings, you will not have any problems. If they don't, then get a pattern with the closest listings and make adjustments on the pattern accordingly. And fit the pattern well before cutting out your material, allowing for movement.

A few simple alterations on your pattern will save a lot of ripping out and expedite your sewing.

"THANK YOU" FROM THE 28TH DVS&RD CONVENTION

by Rocky & Margaret Mary

Our theme for the 28th Delaware Valley Square and Round Dance Convention really held true as its words repeated themselves throughout the past year and at the convention.

We, the members of this past year's Convention Committee would like to take this opportunity to thank each and every one of you who attended the 28th Convention, and made it the great success that it was. As we all know, a convention cannot succeed without people like yourselves. We really appreciate all you have done.

We especially want to thank Bob Clark, caller, who so very graciously gave of his time to call for us during the first few hours of Thursday's dance schedule.

THANKS TO THE 28TH

by John & Mary Ellen Lachenmayer

We take this opportunity to thank Bill & Joan Flick, general chairmen of the 28th DVS&RD Convention, and their committee for a job well done. It was another great Delaware Valley Convention and we feel certain that everyone attending had a good time, in spite of the inclement weather.

Next year's committee, under the leadership of Doug & Jeanne Vollmer, we are sure, will be another good convention. For this convention, we are returning to the Philadelphia area — to the Cherry Hill Hyatt. Good luck to Doug & Jeanne and a great big "thanks" to Bill & Joan.

We completed our Pre-New Year's Dance with caller Brian Fugere and cuers Peg & Joe Dockry and Rich & Allison Lock.

On December 2, had held a bus trip to Mt. Squares which was very successful. Caller Bruce Bush called an all-position dance that evening.

We are now laying the ground work for our Pocono Weekend coming up in May. (See our ad in this issue.) We have two callers lined up for this year -- Mark Franks and Larry Kanniard. Peg & Joe Dockry will be our cuers for this event. We'd love to have you join us!

Thank you all for your support. We appreciate your attendance at our dances.

You may want to take note that our round dance classes will now be held in Sinking Spring at St. John's Evangelical Lutheran Church with plenty of parking. Our Wednesday night workshops are still held at the Nativity Lutheran Church from 7:30 to 9:30 p.m.

+ + + + + + + + + +

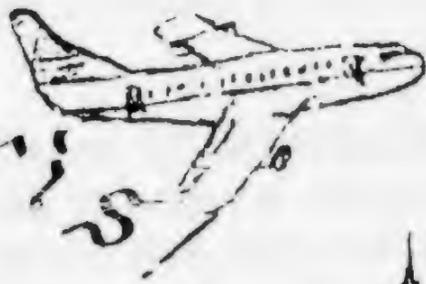

RAINBOW STROLLERS: We took three squares to York White Roses to steal their banner. It was a super night. We are awaiting the return of the White Roses. It was also a great night for the Grand Squares where several of our dancers attended to support the calling of Sam & Dolores. Sam has another class this year, marking the 14th consecutive year for a Stroller's new class.

In January and February we are hosting special guests - Paul Andrews on January 12 and Gleas Crumling on February 23. The pleasure will be yours.

ROUNDALAB AND NATIONAL EXEC. COMMITTEE SEMINARS

Roundalab, in conjunction with the National Executive Committee of the National Square Dance Committee, will present three two-hour seminars at the 39th National in Memphis, Tennessee, June 28-30, 1990.

Betty & Clancy Mueller of New Whiteland, IN are Coordinators of the Roundalab Education Committees responsible for making the arrangements for these informative programs. To help the committee in selecting topics, the critique and

comment sheets from the previous convention are carefully studied and evaluated before adopting the program.

On Thursday the topic for discussion will center around several Roundalab manuals — the "Callers Manual for Using Rounds in the Square Dance Program" and the "Roundalab Manual for New Round Dance Leaders". Phil & Royna Thomas (FL) and Walt & Louise Cole (UT/AZ) who chaired the committees that produced the two manuals will be panelists at the session. Also planning to attend will be Phil & Jane Robertson, chairmen of the Teaching Progression Guidelines Committee.

"Hiring a Leader: Festivals, Weekends, Fees, Duties and Contracts" will be the topic for Friday. This session will be co-chaired by Richard & Jo Anne Lawson (AL) and Herb Egender (CO). Saturday's two-hour seminar will feature explanations and demonstrations of different round dance rhythms. Doug & Vi Hooper (AZ) will cover Jive with its variations of single, double, triple and West Coast Swing. Discussing Cha Cha, Five Count Rhythms and Foxtrot will be Ralph & Joan Collipi (NH).

Both dancers and teachers are encouraged and welcome to come and participate in the seminars which will be held daily between 11:00 a.m. and 1:00 p.m. The location of these sessions can be found in the NSDC Convention Book.

LOOK FOR THE LIGHTHOUSE BEAM AND FIND THE PATH TO KNOWLEDGE

Take a moment and ask yourself the following question: "When attending a National Square Dance Convention, what can I get from it that I can't get at home?" Dancing, workshops, fashion shows, entertainment, exhibitor booths, and performing groups are all typically available at home. A frugal person would also ask, "How can I get the most for my money?" The answer becomes apparent when considering all the elements that make up a national convention...the 39th National's Education Program.

The planned program includes seminars, panels, clinics, a bid session, a Showcase of Ideas, a publications display, and an organizational roundtable session. The topics discussed or demonstrated in all sessions have been screened and selected to give everyone attending our Education Program a wealth of knowledge, skills and proficiency in all dance areas.

The Education Program will be located on the mezzanine level of the Crowne Plaza Hotel which is connected to the Memphis Convention Center. (Look for the lighthouse beam lighting the path to knowledge.)

The Showcase of Ideas with 160-200 anticipated displays from national, state and local square dance organizations and some foreign countries will be located on the first floor level of Ellis Auditorium, adjacent to the convention center. The Showcase of Ideas is a favorite meeting place at the convention. Old and new friends meet here; cities bidding for a future convention, together with the next three upcoming convention cities, do public relations work here. An area displaying memorabilia from past national conventions is provided for you to pursue.

Large corporations spend millions of dollars sending employees to seminars, panels and clinics to increase their personal knowledge and abilities. These seminars can cost from \$500 to \$2000 per

person. A National Square Dance Convention can increase your knowledge for a small portion of this cost.

We invite you to get your full dollar's worth. Attend not just one Education Program but as many as you can during the convention. You'll take home special knowledge and skills that you can't get locally. (Look for the lighthouse beam lighting the path to knowledge.)

If you have any questions about the 39th National's Education Program, contact: Bill & Fran Tinnaro, Education Chairmen, 5263 S. Germantown Rd., Memphis, TN 38125 (901-795-2790).

WHAT IS LEGACY?

What is Legacy? Here is an answer given by new Canadian Trustees, Bob & Ruth Pereira, in a recent Canadian square dance publication.

Legacy was founded in 1973 by the editors of the three most important square dance magazines in the U.S. at the time — Stan & Cathie Burdick of "American Squaredance", Bob & Becky Osgood of "Square Dancing (Sets-In-Order)" and Charlie Baldwin of "New England Square Dance Caller". These people recognized a need for better communication, cooperation and coordination among leaders in all aspects of the square dance activity — dance associations, caller and round

dance leader associations, publishers, record companies, suppliers, special groups (singles, youth, handicapped, campers, overseas dancers, tour leaders, caller's schools, vacation institutes, etc.) and various national societies and foundations. Square dance, in this context, is a generic term that includes round dance, contras, clogging, heritage and country dance.

Trustees, as the delegates would be called, would meet every two years to exchange ideas and formulate goals, for promotion, protection and perpetuation of the activity. Committees would function continuously, coordinating useful programs and offering assistance as needed. The objective would be to operate as a leadership-service-advisory organization, with open channels of communication to and from all square dance organizations.

Legacy I, held in Cleveland, Ohio, in 1973, outlined specific areas of concern — leadership training, communication, organization, standardization, square dance image, heritage education, ethics and attitudes, and business aspects.

Legacy's accomplishments in these areas during its 16 years of operation has been most impressive. 1) Establishment of local leadership programs (Mini Legacies), production of manuals to improve leadership skills, and leadership seminars at National Conventions. 2) Maintenance of a national "Hot Line" and "Dancer/Answer Lines" in every state and most

provinces. 3) Maintenance of mailing lists of associations and publications. 4) Establishment of the National Association of Square and Round Dance Suppliers and Roundalab. 5) Assistance to solo groups, youth and handicapped. 6) Support and endorsement of Callerlab in its establishment of Quarterly Selections as a controlled trial process for new movements, and reduction of the complexity and number of basics for a more realistic mainstream program. 7) Measurement of the dancing population and its opinions and desires through National Surveys. 8) Endorsement of the Code of Ethics, guidelines for proper attire, non-alcoholic and non-competitive status. 9) Promotion of heritage awareness, displays and demonstrations to celebrate the U.S. Bicentennial in 1976. 10) Coordination of September as Square Dance Month and production of "Promo-Kits" and "New Dancer Notes". 11) Development of guidelines for sound fiscal practices in square dance organizations.

CAMPERS ENCOURAGED TO COME TO THE 39TH NATIONAL

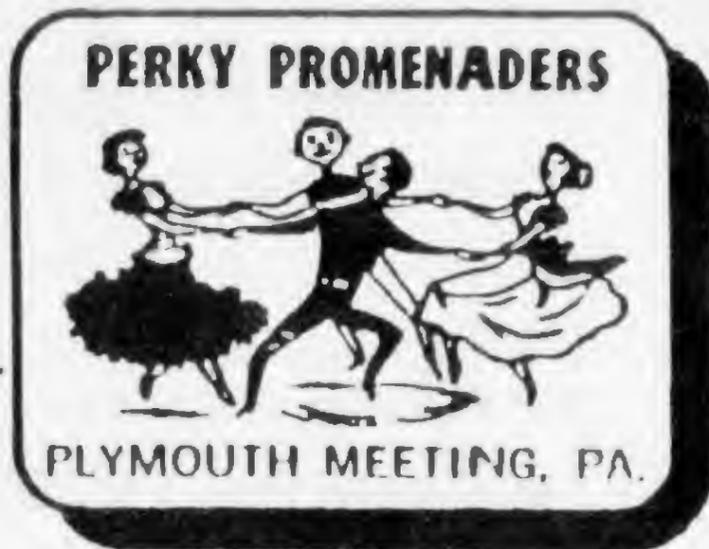

Both Memphis Mayor, Dick Hackett and Shelby County Mayor, Bill Morris, were impressed with the large number of campers attending the 38th National in Oklahoma City and want to provide adequate facilities for the 39th National in Memphis in June, 1990. The number of proposed sites with electrical service was increased from 500 to 1,000 (provided there are 1,000 RV registrations by December 31, 1989). The camping facilities being built by the county expressly for the 39th National will be located at the Agri-Center International, which is approximately 15 miles from the Memphis Convention Center Complex.

The campground will be serviced by express shuttle busses. The fee for the use of the busses is \$10.00 per person in advance and \$12.00 per person after May 1, 1990. This fee is not included in the price of the RV site rental.

open to accept dancers at 7:00 a.m. on June 25, 1990 and will remain open until noon on July 1, 1990. Dancers who have registered and paid the fee for an RV site will be able to pick up their convention registration packet, along with any merchandise purchased from the form, at the campground upon arrival.

The campers will have access to water from spigots placed strategically around the campground which will have 100 ft. hoses attached. There will not be individual water connections. Two shower facilities will be provided — one for men and one for women. Each shower facility will have ten stalls. There will be dump facilities at the campground, and a "honey wagon" will be available for a nominal fee for those who don't want to move their rigs.

For all sites above the number which are registered by December 31, 1989, the county will provide a site to park the rigs. These campers will have access to water, showers and the dump station but will not have electrical service.

All campers wished to camp together as a group should gather somewhere and arrive at the campground together. Space does not permit a staging area at the campground, and all parking will be done sequentially based on check-in order.

Directions to the campground, along with some recommendations as to locations for groups to meet, and the CB channel which the campground will monitor will be forwarded to all who register and reserve a site.

Campers, be sure to register by December 31, 1989 to ensure that sufficient sites with electrical service will be provided.

For answers to specific questions, contact: Allen & Doe Roberts, Vice Chairmen of Camping, P.O. Box 751990, Memphis, TN 38175-1990.
