ANNUAL FRIENDS OF THE HANDICAPPED DANCE

On April 1 the 13th Annual Dance to benefit the Friends of the Handicapped will be in full swing. We hope dance tickets, as well as balloon launch drawing tickets, are being bought and sold by everyone. Don't forget, this is the only outside activity sponsored by the Mid-East Penn District. Let's up the income over last year!

The dance includes class level, new dancer level, club level, 2+2, and advanced dancing, plus a round dance room (new for this year).

There will be refreshments sold and some free made by members of the Friends of the Handicapped. We are also looking for door prize donations, so please ask your local merchants.

We need the support of all clubs and dancers, as well as outsiders, for the one-nighter room and the balloon launch drawing. Additional tickets for both are readily available, call Gus & MaryLou Reman (345-6908) or Rose & Aaron Silverstein (699-0471) for more information. We need your help!

FROM THE CHAIR

Now that the holidays are over and you're back in the swing of things again, let's not forget the Three-Quarter Dance on March 17 at Plymouth Meeting Mall and the annual Friends of the Handicapped Dance on April 1 at Upper Dublin High School.

Just a reminder...the dedicated phone line (1-609-298-8828) set up by the Federation is now in effect. One good use is for people visiting the area. They can call and find out where in the area they can dance that night.

A good idea is to get the names and addresses of dancers moving into the area and give them to our Circulation Chairmen, Sam & Peggy Brubaker, so they can send them the latest issue of "Squares & Rounds".

See you on the dance floor!

DANCING

by Sam & Peggy Brubaker

Dancing can be fun for everyone at any level.

Several factors contribute to a holding good dance, whether it be a club dance, convention, benefit, etc. The main thing is that the dancers have a good time. The caller and cuer are definite factors, enabling the dancers to know what to do. The officers also contribute a lot, as do the host clubs, to helping a dance go smoothly.

Visit clubs other than your usual to get a chance to dance to various callers and cuers. This will help you improve you dan-

cing skills, plus let you get to know them. You also meet and get to know different dancers and can invite them to dance at your club.

Gather several club members and visit other clubs to steal or retrieve a banner. It can be a lot of fun, plus you are helping the other club with added attendance. Some of the smaller clubs can use this help.

Get your club to do demonstrations. This is a way to show prospective dancers the fun you are having and maybe they'll join your club. Once new dancers are obtained it is up to you to become angels to continue the fun.

Dixie Style to an Ocean Wave developed from the Dixie Chain where the gentleman placed his lady in front, and they proceeded to chain. Someone came up with the idea to halt the action halfway through the chain so that the man kept ahold of the woman's left hand and joined hands with the other man to make a lefthanded wave. This became more popular than the original call to Dixie Chain.

Teacup Chain, one of the most popular calls, was invented for exhibition dancers on a table using teacups...

There were others, but we felt that these were the most interesting to share with you.

EDUCATION REPORT

by Bob & Charlotte Goerlich

Did you ever wonder about the origin of the names of some of our square dance calls? The following is excerpted from an article entitled, "Dancing Tips" by Harold & Lili Bausch which appeared in the November 1989 issue of "American Squaredance" magazine.

...Allemande Left comes from the French, and it means all round, by the left. Sashay means to side step. Ladies Chain is obvious, and Square Thru is from the square which is formed. California Twirl at that time in California was called Frontier Twirl.

Trade By is explained simply as, outsiders trade as insiders pass by. Ferris Wheel is a take off of Wheel and Deal.

CLUBS OF THE MONTH

by Chet & Shirley Lightcap

This month we have two very unique clubs to present to you. They are "Saucon Squares & Rounds, Inc." and "Cloud Nine Round Dance Club".

SAUCON SQUARES & ROUNDS, INC.

Saucon Squares & Rounds, Inc. consists of six separate clubs with dancing offered on six days of the week. Saturday is their day off to visit other clubs. All the clubs meet at Salem Lutheran Church,

Sunday Afternoons

134 E. Broad Street, Bethlehem, PA. 175 couples now comprise the group that originally started 22 years ago.

All holidays are celebrated with special events. Some of their "extra special" events include a Wine & Cheese Anniversary in November, a Dinner Dance for round dancers only in April, a Dinner Dance for square and round dancers in September, and a New Year's Eve Dance with the famous trio - Ted Knauss, Dalt Young and Mary McGee.

Pete & Mary McGee are the club's full-time cuers and Ted Knauss is their "almost" full-time caller. About half of the dances are called by guest callers.

The club's schedule is as follows: Sunday - Saucon Rounds (7:30-9:30 p.m.); Monday - Saucon Carousels (Workshop: 6:30-8:00 p.m./Dance: 8:00-10:00 p.m.); Tuesday - Fantastic Bears (D.B.D. progressing to Advanced: 7:30-10:00 p.m.); Wednesday - Sweetheart Rounds (Intermediate Workshop: 6:30-8:00 p.m./Beginner's Class: 8:00-10:00 p.m.); Thursday - Tenderfoot Squares (7:30-10:00 p.m.); and Friday - Saucon Squares & Rounds (Plus Dance: 7:30-10:30 p.m.).

As mentioned before, this is a very unique club with dancing on all levels and styles. Find the night to suit you and join in for a night of fun. You won't be disappointed!

CLOUD NINE ROUND DANCE CLUB

Cloud Nine Round Dance Club is also uniquely different in that they offer many nights of dancing on all levels. Dancing is held at Wilson School in Mt. Lakes, N.J.

The club originated in 1977 with Jean & Jess Elrod as club cuers. Peg & Joe Dockry later took over until 1984. At that time Al & Gail Spinks became and still remain club cuers for 61 couples.

A special round dance party is held once a month - November through March, with a Dinner Dance on the first Sunday in May.

The club's weekly schedule consists three nights of round dancing including Basic to Phase V. There is something for everyone. Tuesday - Phase V Rounds (8:00-10:30 p.m.); Wednesday - Basic Rounds (7:00-8:30 p.m.), Extended Basic Rounds (8:30-10:30 p.m. until January),

and Phase III Rounds (8:30-10:30 p.m. after January); and Thursday - Phase IV Rounds (7:30-10:00 p.m.).

Contact people for both clubs are listed on the "Where To Dance" page in "Squares & Rounds". Please call before attending, in case any changes have taken place.

So, gentlemen, twirl and whirl your favorite lady over to "Saucon Squares & Rounds, Inc." or "Cloud Nine Round Dance Club" and make some new friends along the way.

RUTHIE'S SEWING BASKET

by Ruth McLay

Here is a fairly new idea - continuous sewing. Perhaps you would like to try it.

Let's learn continuous sewing! Sew all the facings, darts, underarm seams, etc. in one continuous strip, only connected by several stitches. You may sew as many seams as necessary, then cut the pieces apart.

Now you are ready for a "pressing" session. Try using a so called "security blanket" when ending a seam. Use a scrap of firm fabric measuring 1" x 3". Stitch across this "blanket" at the end of each seam group. Then, cut away this "security blanket" from the previous garment pieces after you have started a new seam. You can help speed your sewing along if you: (1) eliminate holding the thread - avoid machine jamming; (2) do not raise and lower presser foot frequently; (3) eliminate cutting off long thread ends - making sewing neater; (4) never let your needle come unthreaded; and (5) you can save a lot of thread if you follow steps #3, #4 and #5.

Using a "security blanket" will give you a chance to check the stitch setting before you start sewing. If the needle point is dull or damaged you will first discover it on scrap fabric rather than on your expensive dress fabric. It also helps for a better start when you have to begin your seam at the very edge.

I hope these ideas have been helpful to you all.

super weekend at the Stricklands in the Poconos, May 4-6, and an exciting camping weekend, June 22-24.

+ + + + +

EDGE HILL SQUARES: On April 14, we will host guest caller Gordon Lentz. Please attend our Easter Parade of Spring Bonnets and hear a great caller. We will not be dancing on April 28 as we hope our members will be supporting the Wildwood Weekend.

+ + + + +

LENTZ'S LOFTERS: George & Mildred Mann have played a prominent role at our club and we know everyone joins with us in wishing Mildred a speedy recovery from her recent accident.

A bus trip to visit our "sister club", MT Squares (near Edison, N.J.) in December was an outstanding event. Over five squares of members danced to caller Bruce Bush. The cuers were "our own" Peg & Joe Dockry, who are also MT Squares cuers. As cuers for both clubs on a regular basis, this makes MT Squares our sister club. Program leaders were George & Sophia Kraynack, assisted by Griff & Bernie Griffiths.

We have an outstanding list of guest callers for March and April which gives you an opportunity to dance to callers who don't normally appear in our area. One of our favorites is Carl Hanks which is a ticket dance. Tickets are available through any officer or for information, call Bernie & Joan Marcus (275-8255) or Dick & Betty Roberts (646-4279).

We are looking forward to our Pocono Weekend to be held May 4-6. This year we have added a second caller to our staff - Larry Kanniard, along with Mark Franks and Peg & Joe Dockry on rounds. Would you like to join us? This will be a great weekend at Mountain Lake Resort in Marshall's Creek, PA. Hospitality, meals, dancing on a wooden floor, great people, fun, excitement, and more. For information, call Joan Marcus (275-8255).

+ + + + +

MAINSTREAMERS: Come out and join the fun on March 3 with Bruce Williamson, March 31 with Jim Howatt and April 7 with Jim Snyder. On April 21 we will hold a Night Owl Dance with Bill Anderson and Jim Snyder alternating mainstream and plus squares. Please get your

tickets early, call Frank & Terry Kaiss (215-843-9968) for information.

+ + + + +

MELODY LAKES BELLES & BEAUS: Our snowbirds have all flown south to Florida - which accounts for about two squares of our members. We have some world travelers in our club. Al & Elsie Wolf spent two weeks traveling through Germany, Switzerland, Austria and Italy and Bob & Thilde Schleeweise spent about four weeks traveling around Germany. Other members traveled across the United States on their summer vacations. Our caller, Bill & Martha Appleby vacationed in Florida during the latter half of January and the beginning of February.

+ + + + +

PERKY PROMENADERS: With spring in the air, the snowbirds can't be far behind. Come out and join in on some fun dancing. Happy Easter, everyone!

+ + + + +

QUAKER EIGHTS: Come out and dance to Carl Hanks at our St. Patty's Dance on March 10. Jim Snyder and Mark Franks will team up for our Dinner Dance at Milford Square Fire House on March 24. We will also be dancing on March 31 with Rob Bissey, and on April 28 with Bob Clark. Rounds will be cued by Frank & Grace Fertsch at all of our dances.

+ + + + +

SAUCON SQUARES & ROUNDS: Join us for two special events: On March 18, 2:00-5:00 p.m., we will be holding a Muscular Dystrophy Benefit Dance. Help us make this dance as much of a success as it was last year. On April 8, come out for a gala event, our annual Round Dance Ball where the theme is "April In Paris".

+ + + + +

SCHUYLKILL PROMENADES: At our March 18 dance we will be hosting caller Al Groth. Then, at our April 29 dance we will host caller/cuer Red Correll. This dance was originally scheduled for April 22, but was changed due to a benefit dance being held in the area. We are also looking forward to our dance on June 10 with Dan Prosser. Please try to attend - a good time is in store for everyone!

+ + + + +

STARDUSTERS (BERKS): We wish to thank all of you who helped make our "Toys for Tots" campaign successful. We

look forward to dancing with you in the spring. Remember to "wear your green" to our dance on March 17. Hope to see you in a square soon.

+ + + + +

TUMBLEWEEDS: Our Christmas Party was a huge succes with many dancers attending. Wonderful entertainment was provided by our guest Cindy Greatsinger, who taught us Club Med's song and dance "Hands Up Baby". Cindy just recently returned from Club Med's Sandpiper in Port St. Lucie, FL. where she performed nightly at the club. Santa Claus also made an appearance and handed out presents. Everyone who attended had a marvelous time.

Our St. Patrick's Day Dance will be held on March 14, 8:15-10:15 p.m., to celebrate the "wearing of the green". Also, please keep April 1 in mind to attend the Friends of the Handicapped Dance, 1:00-5:00 p.m., at Upper Dublin Senior High School.

+ + + + +

YELLOW ROCKERS: We dance all year long - indoors during the winter months. But now we're getting ready to get into our warmer weather camping/dancing schedule. Come try us out - you don't have to be a camper to join us.

Square and Round Dance Convention.

You would have to search far and wide before finding better dancing, greater fun, explicit attention to convenience and the overall welfare of dancers, than that available at the Cherry Hill Hyatt Hotel, September 13-15, 1990.

This year's Convention Committee, which consists of 18 "sheriffs" and their "ladies", have all been "sworn in" to provide the greatest hospitality ever offered in the Delaware Valley. Their efforts will be outstanding.

As for the staff of callers - how can you beat such names as Red Bates, Gary Brown, Ed Foote, Carl Hanks, Lee Kopman, Ron Libby, Tom Miller and Chuck Stinchcomb. As for cuers - great rounds will be provided by Wayne & Barbara Blackford, Wayne & Donna Slotsve and Carmen & Mildred Smarrelli. All dancing under one roof!

One last hint to the wise - get your registration filled out and mailed early. There is a strong possibility that there will be a cut-off limit this year, designed, primarily, to making your dancing a complete, satisfying and uncrowded experience.

CONVENTION TIME

With the whisper of the early spring breeze it is time to seriously consider attending the greatest square dance event in the area - the 29th Delaware Valley

AMAZING... SPECTACULAR...COLORFUL!

Exhibitions at the 39th National Convention will include "something for everyone"...beautiful round dance routines, lively clogging, precision squares and the

amazing wheelchair dancers.

If you haven't attended a National Square Dance Convention you are in for a treat. The costumes are beautiful and colorful, and some of the routines are just astounding. The many hours spent in practice produce professional dance groups that will be long remembered after the convention.

Most of the exhibitions will take place in Ellis Auditorium, adjacent to the Cook Convention Center where you will be able to give those weary dancing feet a rest. Or if you can't take time out from the many dance halls, the exhibition groups will also come to you at various times throughout the day. Don't miss the wonderful opportunity to see some spectacular dancing!

ROUNDALAB AND NATIONAL EXECUTIVE COMMITTEE SEMINARS AT 39TH NATIONAL

Roundalab, in conjunction with the National Executive Committee of the National Square Dance Committee, will present three two-hour seminars at the 39th National Square Dance Convention in Memphis, TN., June 28-30, 1990.

Betty & Clancy Mueller (IN) are Coordinators of the Roundalab Education Committee responsible for making the ar-

rangements for these informative programs. To help the committee in selecting topics, the critique and comment sheets from the previous convention are carefully studied and evaluated before adopting the program.

On Thursday the topic for discussion will center around two Roundalab manuals - the "Caller Manual For Using Rounds In The Square Dance Program" and the "Roundalab Manual For New Round Dance Leaders". Phil & Royna Thomas (FL) and Walt & Louise Cole (UT/AZ), who chaired the committees that produced the two manuals will be panelists at this session. Also planning to attend are Phil & Jane Robertson, Chairmen of the Teaching Progression Guidelines Committee.

"Hiring A Leader: Festivals, Weekends, Fees, Duties and Contracts" will be the topic for Friday. This session will be co-chaired by Richard & Jo Anne Lawson (AL) and Herb Egender (CO). Saturday's two-hour seminar will feature explanations and demonstrations of different round dance rhythms. Doug & Vi Hooper (AZ) will cover Jive with its variations of single, double, triple and West Coast Swing. Discussing Cha Cha, Five Count Rhythms and Foxtrot will be Ralph & Joan Collipi (NH).

Both dancers and teachers are encouraged and welcome to attend and participate in the seminars which will be held daily between 11:00 a.m. and 1:00 p.m.

LEGACY LOOKS TO THE '90's

by Stan & Cathy Burdick

Legacy members are aware that square dancers are about to enter a new decade, the last of this century. Already the theme for the next Legacy meeting, in Wisconsin in 1991, has been chosen: "Square Dance Rockets to the Nineties". Members will discuss their "mission", "blasting off" with new classes, and many other phases of the activity.

A main Legacy goal since the inception of the organization in 1973 has been to preserve, protect and perpetuate square dancing. Square dancing, to Legacy trustees, is a generic term which includes square, round, contra, folk, traditional and clogging - all aspects of the activity. Legacy committee members are now working on ways to accomplish this goal - revising the "Leadership Training Manual" and encouraging areas to schedule Mini-Legacy meetings, taking a survey of dancer numbers, reporting on the findings of the survey conducted in 1989, publishing a "Club Leadership Journal" to strengthen our clubs, and planning for Square Dance Month (September 1990). These are only a few of the present committee projects now in progress.

Square dancing may see a surge in membership as the "baby boomers" mature in the nineties and seek social activity to contrast with their high-tech job responsibilities. Legacy trustees will seek to prepare themselves and all square dancers to meet this moment when it arrives and to welcome these new dancers into the activity.

Legacy membership is open to square dance leaders who have served several years. An associate membership is also available to individuals and associations who are interested in the goals and wish to receive Legacy publications. Inquire from Al & Vera Schreiner, 1100 Revere Dr., Oconomowoc, WI. 53066.

D.L.D.V. UPDATE

by Jim Howatt

Ed & Helen Shortman of Toms River, N.J. hosted January's meeting. What a terrific workshop. Ed provided us with many ideas for "after party skits" as we had an "after party" ourselves. The "how to's" and "how not's" were explained. Look out dancers, the callers in attendance have some new ideas for after parties.

"Mike time" was used to review two Callerlab quarterlies which received mixed views.

The meeting was an extended one based on this seasons sessions. It took 55 minutes and included a lengthy discussion on the "Community Dance Program" (a one-nighter type of program run on a regular basis for anyone in the community wishing to take part). Dave & Andrea Ainsworth's club, Lakes Squares, is a good example of this program.

As a result of this discussion, April's meeting will be held in the Medford, N.J. area where Dave will conduct a workshop on the Lakes Squares program. He must be doing something right to be dancing in excess of 12 squares at a monthly dance. At least two squares of plus dancers are also in attendance at each dance and they have a ball. We invite all leaders to attend this workshop.

D.L.D.V. meets the first Sunday of the month at various locations in the Delaware Valley. Callers or would be callers, contact Doris Howatt (609-298-5957) for membership information.

ROUNDALAB ROUNDS OF THE QUARTER

At the 13th Annual Convention the Roundalab membership recommended continuing the "Round of the Quarter" program, adopted in 1988, for another year. It was also recommended that in the coming year the Classic Committee work with Callerlab in selecting the Phase II Round of the Quarter.
