Published for Mid-East Penn District Federation of Delaware Valley Square and Round Dancers

Vol. 15, No. 5

May/June 1990

## EDUCATION REPORT

by Bob & Charlotte Goerlich

The following statements were excerpted from articles by Bill Heimann and Barry Claspar in Callerlab's "Guidelines", Volume XVI, Summer 1989; and they bring into sharp focus some observations about today's square dancers.

1) Good dancers help others.

2) It is not necessary for a dancer to move into more complex programs to be considered a good dancer.

3) Dance problems are caused by dancers who move into a more complex program before mastering their current program.

4) The most help a dancer can give to another dancer is to do his or her own part of the call perfectly. Be precise in doing each part of the call; end facing the correct direction, have perfect timing as the caller directs the action, leave out all actions not officially part of the call's definition, be quiet and keep listening intently.

5) The next best way to help is for the good dancer to do so silently without

touching the dancer being helped. Use hand, head and facial signals, or turn shoulders and hips as he or she helps the erring dancer hold a position, correct a facing direction or move into the spot for the next call. Above all, don't talk, be silent.

6) Only as a last resort should the skilled dancer physically move the erring dancer. In fact, most of the time it is preferable to let the square break down and re-group rather than cause the confusion, resentment and negative attitudes that sometimes occur when one dancer grabs, turns, pulls or pushes another. There are times when this type of help actually causes more errors!

Especially at this time of the year when we will soon be having new dancers on the floor, it might be well to keep the above guidelines in mind to help the new dancer make a smooth transition from recent graduate to experienced dancer.

## DO-SI-DOHIO: SQUARE DANCE MAY BE OURS

A state senator from southern Ohio has introduced a toe-tappin' bill that would add the square dance to the growing list of "official" state things.

Senator Cooper Snyder, R-Hillsboro, proposes making the square dance the official American folk dance of Ohio. Asked if his bill would place the square dance in the same category as the cardinal, the state bird, Snyder said, "I think it would put (it) ahead of the cardinal because there are more square dancers in Ohio than there are cardinals."

## FROM THE CHAIR

by Frank & Terry Kaiss

We are sure all of you enjoyed receiving the March/April 1990 issue early. We received our issue as early as February 7. We want to thank everyone involved with the magazine for doing a great job and let's continue the good work.

We don't want to forget our New Grads Dance on May 6. Let's have a good showing so the new graduates can enjoy an afternoon of good dancing. Following the Grads Dance will be the District Meeting. Stay and attend and see what is going on in the district. You could be missing something.

We hope everyone enjoys Memorial Day and we'll see you on the dance floor.

## INSURANCE

by Marion & Roy Goerlich

It is not that time of year for a renewal or a reminder. It is just that we have to make sure we now pay the fee for all our class members who have joined our clubs.

The Mid-East Penn District has an outstanding record with insurance, in fact, we insure more dancers than are registered with the district. It is not illegal but

it shows that we should make more folks aware of the benefits of Federation membership.

## **"SEW BEAUTIFUL" WILL HAVE AN EXPERT STAFF**

For the 39th National Convention in Memphis, TN, Sew Beautiful will offer informative sessions on a variety of topics, with several experts, including the district home economist with Hancock Fabrics, Cathy Reid.

Demonstrations by Connie Ditchfield on color and beauty for the whole person will be of interest to both men and women. You will want to attend these and other sessions presented by Sew Beautiful. Consult your program book for time and place.

## STUTZMAN FAMILY BENEFIT DANCE

On June 10, 1990 a benefit dance for the Stutzman family, in honor of the late Kerry Stutzman, will be held at the Glassboro State College Student Center in Glassboro, NJ from 2:00 to 5:00 p.m. Callers include Red Bates, Glenn Matthew and Chuck Stinchcomb. Cuers include Rich & Alison Lock and Pete & Mary McGee. The program will be 2+2 with A-2 star tips. Tickets are \$2.50 per person.

### WHAT IS A CAKE WALK?

by Doug Vollmer

I was at a dance the other night and someone asked me, "What is a cake walk?" My answer was as follows:

A cake walk is an old-fashioned money raiser for those who feel they want to help a cause by donating a cake, pie or goodie of any sort. Then the rest of the people donate money into a pot. Usually \$2.00, \$5.00, \$10.00 or whatever their heart tells them to give.

As you donate the first round you are given a numbered marker. When the cake walk begins you place these markers in a big circle and proceed to walk around this circle stepping on each numbered marker to music and then the emcee stops the music and calls out several numbers and those on the numbers win a cake.

So, come to the Kerry Stutzman Benefit Dance and bring your money, your cake and your heart. It's an old-fashioned fun time. See you on June 10.

### THANK YOU!

by Rose & Aaron Silverstein

When you read this, the 13th Annual Dance and Balloon Launch Drawing to benefit the Friends of the Handicapped will be history. We hope all of you contributed to this worthy cause by participating in the dance and drawing.

If past experience is any indication, then everyone had a good time and the Friends of the Handicapped were recipients of another helpful donation.

Our thanks to everyone, the dancers and all of you who worked at the dance and gathered door prizes.

As of April 2, we have begun making preparations for the 14th Annual Dance, the date will be forthcoming.

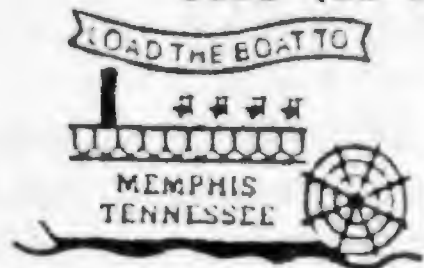

Thanks again to everyone responsible for the success of this annual affair.

If you would like to volunteer, we need to know your name, address, telephone number, time preference and club name. Please sign up at your respective club now, so we can schedule you as close as possible to your time preference.

## CLUBS OF THE MONTH

by Chet & Shirley Lightcap

We again have one square and one round dance club to honor! They are: Twilighter Rounds and Schuylkill Promenades.

### TWILIGHTER ROUNDS

Elaine Novak is the hub of this cuer-run round dance club which meets every Thursday evening. The level of dance ranges from basic class to low intermediate or +4. The schedule consists of basic class from 7:00 to 8:30 p.m. and alternate low intermediate to intermediate from 8:30 to 10:30 p.m. The last Thursday of every month is "Party Time" from 8:30 to 10:30 p.m. with finger foods and a lot of fun.

This young club, comprised of 35 members and only five years old, holds the prestige of being the only round dance club in Allentown, PA.

Join the Twilighters any Thursday evening at Faith U.C.C., 25th & Livingston Sts., Allentown, PA, where President Dave Ickes will bid you welcome.

## SCHUYLKILL PROMENADES

A "regular" club with various callers and cuers is what they call themselves, but there seems to be some irregularities. For instance, this community-oriented group of 23 couples (plus singles) does many demonstrations in nursing homes around the area and they have been dancing at the Farm Show in Harrisburg, PA every year since 1979. More important, they have won a blue ribbon every year. So, you see what we mean when we say they are not just a "regular" club. Another of their civic events is a coffee and cake stand at the Schuylkill County Fair at which square dancing is promoted.

A lot of fun goes along with all their work and the third Sunday of every month funds them dancing at the Schuylkill Haven Area High School. (Amendments to their schedule are April 29, June 10 and August 26 due to the school's schedule.) They dance 2:00 to 4:30 p.m. and this too includes special events, such as an Anniversary Dance complete with door prizes, a Covered-Dish Picnic in August at Bubeck Park and a Christmas Buffet Lunch.

Mainstream classes are held every year with Jim Snyder, Dave Kreider or Bill Appleby teaching.

The club is being ably run this year by President, Willie & Jeanette Kramer; Vice President, Sterling & Fern Staller; Secretary, Dorothy Moyer & Carrie Koch; Treasurer, Leona Smith; Financial Secretary, Eleanor Jones and Board Members, Bernie & Lillie Schwartz and Margarite Mortomer.

They welcome visitors at any dance and a good time is in store for all who attend.

## DEDICATED PHONE NUMBER FOR THE FEDERATION

The Federation's dedicated telephone line is maintained 24-hours a day and is sometimes answered by machine. Please have available where and how you can be reached so we can respond to your requests. Thank you.

## **RUTHIE'S SEWING BASKET**

by Ruth McLay

Here are a few thoughts for the experienced dancer as well as you who are graduating and entering the wonderful world of square dancing.

Dancing attire that you have made on your own sewing machine gives you the feeling of satisfaction and accomplishment — also special originality.

Dancing is more fun when you are wearing a garment you have made and designed yourself. The "gents" strut about the hall holding their heads high when wearing a custom garment made especially for them. As well as the ladies in their original dresses when twirling their skirts.

It has been a popular idea for a couple to dress alike. Some couples not only make western shirts to match the ladies dress or skirt, but also make trousers and jackets to match.

When selecting fabric try to consider the "gent" of the family.

These are just a few highlights of sewing at your leisure. If this idea is not for

you, pass it on to someone else. Who knows when someone will pick up on the idea.

It takes patience and effort that will bring many compliments. Good luck to you at your sewing machine. I know you can do it well.

Here's to happy dancing!

## **ROUNDALAB'S ROUNDS OF THE QUARTER**

Roundalab's Classic Chairmen, Dale & Jo Yakimowski Zumwalt, have announced that the Roundalab Rounds of the Quarter for the second quarter in 1990 are as follows:

## **SQUARE DANCING... A TREAT AT 39TH NATIONAL**

Square dancers coming to Memphis, Tennessee for the 39th National on June 28-30, 1990 will be treated to three days of outstanding calling and programs designed to satisfy even the most discriminating dancer. The Program Committee is especially pleased to announce that in

specified halls, square dancing will be available non-stop each day from 9:00 a.m. to 11:00 p.m. Dancers who would rather dance than eat or mingle will be delighted to find no interruptions to mar their dancing pleasure as callers are programmed continuously without regard for breaks, lunches or suppers. The stout hearted square dancing afficianados will need to find the halls designated as continuous in the convention program book.

Square dancers at all levels will be able to dance to their favorite callers and make new favorites as callers from all over the country are scheduled in the numerous square dance halls. Dancers will be doubly pleased to find each tip featuring a caller doing both a patter call and a singing call.

The Program Committee is more than pleased to offer a wide variety of halls for the satisfaction of the dancers. Square dancing will hold forth in the Cook Convention Center in halls for singing calls, mainstream and mainstream plus. The Ellis Auditorium, next door to the Cook Convention Center, will house the youth hall. At the famed and elegant Peabody Hotel, a few blocks away in the heart of downtown Memphis and easily accessible by a complementary bus service expressly set up for the Convention, will be a mainstream hall and a mainstream plus hall. In addition, the advanced and challenge halls will be located in the Peabody Hotel.

Each day will have square dance workshops, an introduction to plus dancing workshop and an introduction to advanced dancing.

The singles has not been forgotten. A great fun-filled dance program at the mainstream plus level combined with a strong 2x2 round dance program is being planned. The Peabody Hotel will house a meeting room for singles. In addition, all other halls will have an area designated specifically for singles.

Memphis and the 39th National are committed to making this one the best and most successful convention ever held. Y'all come!

## DLDV UPDATE

by Jim Howatt

The meeting was productive and the workshop helped all in attendance. Top it off with a good meal and fellowship and you have the description of the March DLDV meeting held at Marshall's Corner Restaurant.

Discussion items included the following:

How to handle the situation when a single dancer squares up without a partner. At a class, angels fill the spot, but at a dance the single dancer should not square up without a partner. Callers should emphasize the latter practice during class. At a dance, the caller should not hold up the dancing for the remaining squares for one or two dancers any longer than a minute. After all, they came to dance, not stand. Yes, the dancers have a responsibility to square up promptly with their partners.

The caller's partner is a dancer, but sometimes sits out many tips. Some clubs use a dance card to provide partners for the caller's partner. Keep the partner happy and your caller/cuer will be happier.

Wes Morris talked and demonstrated about "Voice, Music and Timing". We all picked up some knowledge from this workshop.

DLDV will miss Wes and his tremendous impact on DLDV this past season.

He and Joyce left for Colorado at the end of March as Joyce starts a new job and Wes goes fishing and calling (?).

DLDV meets the 1st Sunday of the month at various locations in the Delaware Valley. Callers or would be callers should contact Doris Howatt (609-298-5957) for membership information.

## AFTER PARTIES ANNOUNCED

## SAVE ME, PLEASE!

Is your club prepared to handle an emergency situation? Are you?

By the time an emergency situation occurs it is too late to start thinking about what should be done, by whom, etc. By giving some thought and a little preparation to emergency procedures for your club and facility, the life you save may be your own.

To help your club become better prepared for most emergencies, the Federation of Delaware Valley Square & Round Dancers has appointed a committee, entitled the Emergency Preparedness Committee (EPC), to discuss this topic.

EPC's members include: Chairperson, Elaine M. Wasekanes (215-237-8269), Caller/Cuer Contact, Dave Brown (302-834-2099), Sam & Peggy Brubaker, Chet & Shirley Lightcap, John & Marianne Ortals and Ed Wasekanes.

What follows are suggestions of the EPC:

First, the Federation will be furnishing each club president with an emergency preparedness packet. Read the information, fill out the forms and share the information with your club members and your facility.

Second, each club should review or locate the following:

1) The Emergency Call for Medical Aid (ECMA) - copies and explanations are in your emergency preparedness packet.

2) The location of the nearest telephone at your facility/facilities.

3) A plan of action if your facility does not have a telephone.

4) Where emergency telephone numbers are kept.

5) The address of your facility and the closest cross streets.

6) Find out who in your club has current first-aid training and/or CPR training.

7) Fire extinguishers - where they are, what kind they are and how to use them.

8) The location of the nearest hospital.

9) The location of any first-aid kits. (This committee is not recommending that clubs purchase a first-aid kit.) Any emergency requiring more than ice or a band-aid will require a call for trained emergency personnel. But, if there is a first-aid kit available your first-aider might need it. Band-aids are always good to have on hand.

In addition, our committee recommends participation of all square dancers in CPR and first-aid training.

Next, in your emergency procedure packet will be a request that each club assign an Emergency Coordinator (EC). This person "should not" be your club's first-aider. The EC's job is to make sure that the only thing the first-aider has to worry about is the victim. The EC will:

1) Identify the nature of the emergency.

2) Inform the caller/cuer of what is happening, and have him/her locate and direct any first-aiders to the victim.

3) If the situation warrants it, make sure emergency calls are made. Since your EC has other responsibilities, the EC should not make the calls, just make sure it has been done.

4) Help the caller/cuer decide what should be done with dancers. (e.g. clear the hall, continue dancing, etc.)

5) Assist the caller/cuer in crowd control. make sure nothing impedes the first-aiders assistance to the victim.

6) Keep the caller/cuer informed of what is happening so that he/she can in turn keep the dancers informed. (e.g., A dancer has been hurt, first-aid is being given, an ambulance is on the way. Please stay clear and do not interfere.)

7) Inform your District Insurance Chairman about an incident as soon as possible.

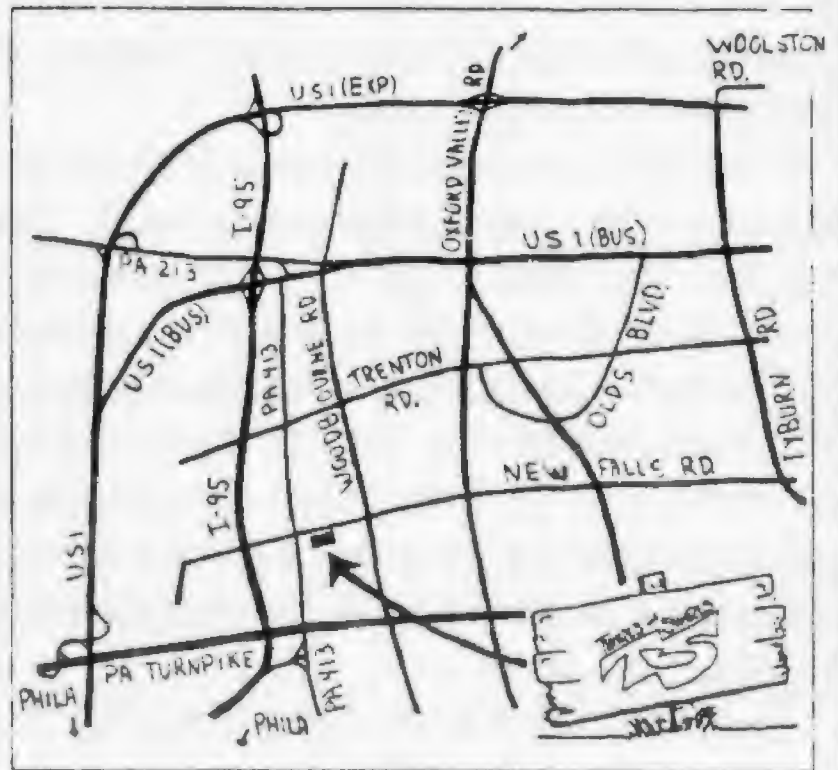

8) If you are not going to be at a dance/class, assign someone else to do your job and make sure they know what they are supposed to do.

9) Lastly, review the EMCA at your dances/classes on a regular basis. Make sure all members, students, club callers and cuers are familiar with EMCA and your club's emergency procedures.

Furthermore, additional suggestions have been made to the Federation and to the caller and cuer organizations in order that they too are better prepared for possible emergencies.

The EPC sincerely hopes that all of the preparation recommended will never have to be used, but it is the goal of the committee that if an emergency does occur that all members of the Federation will be prepared to the best of their ability. In an emergency, time is very precious and being prepared may mean the difference between life and death for yourself or someone you love.

Take the time to be prepared, life is too precious for what if's!

The committee will be glad to help your club in setting up your emergency plan. If you have any suggestions, please call any of the afore mentioned members.

## **WILLIAM FAIRBANKS GENEROSITY DESERVES HEARTFELT THANKS**

The following is an article about William "Bill" Fairbanks who is an active member of Melody Lakes Belles & Beaus Square Dance Club.

Palisades area resident William Fairbanks is an example of how one individual can have a positive impact on youth. Take it even further. He is an example of how one individual can have a positive impact on an entire community.

Mr. Fairbanks recently presented 654 thesauruses and dictionaries to junior and senior high students at Palisades because he wanted to improve the quality of students' education.

At age 91, he clearly illustrates that giving has no age boundary. Mr. Fairbanks not only gives freely of his money, but also of his time. For 20 years, he has been a volunteer reading tutor at the old Nockamixon Elementary School and currently at the Durham-Nockamixon Ele-

mentary School.

"I read in the paper how poorly students are educated," Fairbanks told the school board at a recent meeting. "We blame it on the teachers, but I feel that's unfair. I hope I can be a help in fixing that."

The Palisades School Board and the faculty thanked Mr. Fairbanks over and over again. We would like to add our thank you to the list.

On the inside of the front cover of each book is a stamp noting the donor's name. We anticipate that not only will students refer to the books to assist them in their education, but they will also be reminded of an individual's high regard for public education.

From a man who gives all he can with heart and soul, it is quite touching that the school district staff presented the \$4,000 worth of books to students on Valentine's Day.

Palisades staff and students are fortunate to have William Fairbanks among them. Yet his impact extends well beyond any school district boundaries. (bjr)

## **CAMPING AT THE 29TH DEL. VALLEY CONVENTION**

With signs of spring everywhere one turns, many dancers begin to plan their vacations and those with recreational vehicles are thinking...camping spots.

To those with RV's of all kinds, the 29th Delaware Valley Convention Committee has arranged probably one of the closest camping facilities of any convention.

Garden State Park is the site; lots 12 and 13 are the areas, and, best of all, within walking distance of the Cherry Hill Hyatt Hotel.

Arrangements have been made with Garden State to receive vehicles commencing at noon on September 12. Vacating the area will be no later than noon on September 16.

Other arrangements include security during the stay of all vehicles; basic elec-

tric hook-up will be supplied, but RV owners must supply extension cords or any special hook-up equipment needed.

RV units must supply their own water and lavatories.

Now all you have to do is forward your completed registration form indicating you plan to share in the fun, dance at the Hyatt-Ho Convention on September 13, 14 and 15, 1990, and that you require camping facilities.

Two important notes on the camping facilities are: 1) the fee will be \$50.00 per vehicle from noon on September 12 through noon on September 16, or any part thereof; and 2) requests for camping space should be forwarded to the Registration Chairman before September 8, 1990.

What a great package! Eight national callers, three top-notch cuers, excellent room facilities, all dancing under one roof and nearby camping facilities. What are you waiting for?

## **ROUND DANCING AT THE 39TH NATIONAL CONVENTION**

Round dancers, consider this your special invitation to attend the 39th National Convention. For those who come in early, Trail-in Round Dances are scheduled as follows: June 24, Memphis Rainbow Rounds, June 25, Merry-Go-Rounds, and June 26, Rebel Roundabouts.

The official program will start on Wednesday night with a trail-end dance at the Cook Convention Center at 8:00 p.m. It will be cued by area round dance leaders and will feature popular dances phase-rated I-V.

Each day of the convention will start with a Showcase of Rounds from 9:00 to 10:30 a.m., where the dances to be taught that afternoon will be shown. On Thursday and Friday the Showcase will be shown from the Ellis Auditorium stage with comfortable theater seating for the spectators. On Saturday the Showcase will be held in the convention center proper.

There will be three round dance halls with a total of 30,000 square feet. These

rooms will be used for the afternoon workshops and the evening programmed dances and after parties.

Round dance workshops will be held simultaneously from 1:00 to 5:00 p.m. in the Phase I/II and Phase III/IV Halls and from 1:00 to 5:30 p.m. in the Phase V/VI Hall. Reviews will start at 7:00 p.m. in the rooms where the dances were taught. Programmed dancing will start at 8:00 p.m. and end at 11:00 p.m. in each hall.

Phase I and II will be located in the Lower Level Exhibition Room at the south end of Ellis Auditorium. This hall will feature eight 30 minute teaches each day. The Phase III and IV Hall will be in the East Mezzanine Room at the south end of Ellis Auditorium. There will be six 40 minute teaches in this hall each day. All after parties will be held in this hall from 11:00 p.m. to 12:30 a.m. each night. The Phase V and VI Hall will be located at the Peabody Hotel in the Tennessee Ballroom. Workshops will be from 1:00 to 5:30 p.m. with three 90 minute teaches each day.

The Memphis Convention Center Complex, which includes Ellis Auditorium, is about one-half mile from the Peabody Hotel. Shuttle buses will depart each location every 15 minutes. There will be no problem getting from one location to the other. The Tennessee Ballroom is a new addition to The Peabody at the south end and is connected to the hotel proper at the mezzanine level. All these halls have either vinyl or terrazzo tile flooring.

The response for help on teaches has been very good, but a few more volunteers are needed to teach Phase I and II dances and as standbys or alternates.

## **DON'T MISS THE EXHIBITIONS!**

To date, 25 exhibition groups representing all types of dancing — square, round, clogging, wheelchair, heritage and roller skate squares — have signed up to perform during the 39th National Convention. A total of 45 hours have been set aside for exhibitions in Ellis Auditorium and the various dance halls. Check your program book for times and locations.
