INSURANCE UPDATE

by Marian McKinney

May I remind you that any square dancing accident which requires a doctor's visit must be reported to me within 20 days. I will in turn send you a form which must be filled out in duplicate and returned to me. I will then send the forms

to the Insurance Chairman. He will then send you any additional forms that you may need.

A few insurance cards have been sent to each club and hopefully, by now, additional cards have been issued. One insurance card is sufficient for each couple.

Vacation time is here again! May I wish each and every one of you a safe and happy summer.

FROM THE CHAIR

by Bob & Ellen Williams

The summer is approaching and it is time to plan for the next year. Some of our clubs are having difficulties. To strengthen your club, start now by planning classes for September and recruiting new dancers. Plan to visit other clubs and help by supporting their program. If your club does not dance during the summer, why not visit those that do, or plan a raid by your club on a club that is dancing.

Congratulations to all the new graduating dancers. Experienced dancers, please help them over the rough spots of the first year as others helped us. Make them feel welcome so they will continue in the pastime which we all enjoy so much. New graduates and experienced dancers, come and join us at the New Grads Dance on May 31.

The Mid-East Penn District will again provide three Free Summer Dances for Federation members on June 20, July 18 and August 15. Please support these and all other activities provided by our district.

RICH KELL '92

by Doug Vollmer

Recently I attended a funeral. I was truly impressed by the cross-section of U.S.A. that were there. Square dancers, teachers, boy scouts, family and friends; each coming to pay respect to a man, a father, a husband and most of all... a friend.

I arrived early and stayed late. I had the honor of being asked to be one of the pallbearers, an honor I'll remember for the rest of my life. There were many Masonic dignitaries in the assembled, but I had been asked by Doris and Richard, their son, earlier in the week.

Each ceremony, the Masonic Service, the Minister who spoke, all talked of Rich's many friends and accomplishments, but it wasn't until at graveside, listening to one line the Minister used, did I realize the true quality of this man in the coffin. The Minister said, "Now that he's (Rich) up there in heaven, he'll make the angels dance." How true!!!

RUTHIE'S SEWING BASKET

by Ruth McLay

Hopefully this will be the beginning of nicer weather, with a new start for everything and everyone. Conventions and vacations being planned... New life with the green grass and beautiful flowers... Picnics and trips here and there... Plenty of dancers around to enjoy no matter where you go to explore... (Please excuse me, but I seem to get carried away.)

Getting back on the subject of sewing, perhaps you would like to try the following suggestions concerning your dance apparel.

When making a bell sleeve, try using a contrasting liner. Cut the liner and material for the sleeve. Put the right sides of the liner and material together and sew across the bottom of the sleeve, then join them together at the underarm seam. Turn the two pieces right side out and press. Then ease into the armhole of the bodice avoiding stretching either piece and sew sleeve into the bodice.

You make make a reversible vest for your partner out of these two materials or from any two of your favorite dress materials.

Do have a good vacation and look for square dances everywhere you may travel. Have fun!

If anyone has an idea that may be of help or make a sewing project easier, please contact me at 657-8441. I'll be most happy to put it in my article with your consent. Thank you so very much.

DIXIE DERBY'S NEW BEGINNER'S CLASS

Dixie Derby's new class, which begins next September, will take part in a revamped program that is very unique for the Delaware Valley, and to a large part of the rest of the United States. This program will extend the teaching of Basics and Mainstream to 11 months and include the teaching of APD/DBD concepts. No Plus will be taught during the first year. Class will run uninterrupted (except for normal school breaks) from September through the end of July. Students will then return in September for a second year in which Plus and Plus APD/DBD will be taught. The second year will also extend 11 months.

The result of this program will be, we hope, the finest new graduates ever to enter the square dance world in the Delaware Valley. Similar concepts in a different format have been used by individual callers in other parts of the United States and Canada. Dave Lightly (Iowa) and Ann Uebelacher (Canada)

have both experimented with the teaching of APD/DBD to new students. In Scandinavia, students are required to dance Mainstream for two years before they are allowed to progress to Plus. (They are among the finest dancers in the world.)

Our presentation will be made to our own Federation, seeking to use their influence to persuade all clubs to follow Dixie Derby's lead. Letters from club President Bill Johnson and "Dance!" magazine will also be presented to John Lachenmayer, Eastern Vice President of the United Square Dancers of America, who will then in turn take them to the Callerlab Convention coming up this spring. It is important that Callerlab be aware of what we are doing. It is equally important that we attempt to persuade them to work toward adopting this program universally.

We truly believe that there is room for all levels of dancing in our country, from the Community Dance Program for those with a casual interest in dancing to our version of the Basic Program, designed to produce dancers who will be able to dance for the sheer enjoyment of being able to maintain continuity in a square and finish a tip without the constant frustration of breaking down and not knowing how to continue.

MEMBERSHIP UPDATE

by Bill & Dorothea Fish

At this time we only have two clubs with 100% membership in the Federation. They are Mor-L/Friendly Squares and the Lehigh Valley Cloggers. We thank these clubs for reaching their goal.

We are still accepting memberships at this time. To date, we have 788 members, which is slightly under last year's numbers, but we hope more of you will join the Federation and enjoy the benefits from doing so.

'ROUND THE SQUARES

BUCKAROOS: We welcome all "new square and round dancers" on May 8 with Buck Fish calling and Elaine Novak cueing. On May 22 join us at our Red, White and Blue Dance, followed by our Strawberry Festival on June 12, where you can eat as many strawberries as you want, and finally, wear as many badges as you can at Badge Night on June 26. Don't forget to wear your Buckaroo's badge!

Remember, we dance throughout the summer to the calling of Buck Fish with Jane Styer and Cassie Bradshaw cueing rounds.

CH SMOOTH SQUARES: We are starting our summer program on June 23. Watch for our dates and times in every issue.

COLONIAL WOODS: We will feature our 11th Annual Square and Round Dance Jamboree on June 4-7. For more information, call Peg Dockry at 908-995-2133.

CURLI-Q'S: Don't be shy, drop on by, we dance with everyone! Those who came by for our Six-Foot Hoagie and Pizza Night had a great time. Join us for our upcoming "calorie counting" dances (we always have something for those special diets). You only have three more chances this season - May 17, May 31 and June 14. We don't dance during July or August, so if we don't see you before then we'll see you in September.

DIXIE DERBY'S: During May and June we will be holding two special dances. First, is our Fast Squares Dance on May 15 to get you in shape for summer by working off a few unwanted pounds and second, is our Clown Dance on June 5 which offer everyone the opportunity to dress up and be funny. Two

Please see our ad for the various locations we will be using during the period.

LIBERTY STARS: Visiting dancers - from New Jersey, Delaware and Eastern Pennsylvania - have been very good to our club. Our first dance in January brought out 19 squares and our second dance, with Brian Fugere and Randy Page, had 22 squares. We were also honored at our February dance with a visit from the Whites and the Margos, President and Vice President of the North Jersey Square Dance Association.

We have several special upcoming events including an A-2 Dance with Dave Lightly on July 30, an open Plus Dance on August 2 with Tim Marriner and Steve Kopman, and a C-1, A-2, open Plus 3 Dance on October 10 with Lee Kopman.

Our monthly dances are designed for experienced Plus dancers with exposure to Plus DBD and a desire to belong to a club designed to ultimately be full DBD within the next two years.

MAINSTREAMERS: Come join us on May 2 and dance to the calling of Buck

Fish, followed by Ed Kerns on May 16, Richie Rich on May 30, and Mike Walsh on June 6.

Unfortunately, we will not be dancing during July, but will resume on August 1 for our Anniversary Dance with Gordon Lentz. Tickets are also available for our All-Nighter on October 31 with Jim Snyder and Richie Rich. Tickets are \$10.00 per person and include dancing (8:00 p.m. 'til 3:00 a.m.), a midnight meal, continental breakfast and prizes for those in costume.

+ + + + + + + + + +

PAGODA ROUNDERS: We dance every Sunday, Monday and Tuesday. Look for times and locations on the "Where to Dance" page. Also, join us on a special night - May 29 - for our All Round Dance Party.

We will be starting a new Beginner's Class in September on Tuesday nights with Gloria Reaser teaching. For information, call Bob Reaser.

PERKY PROMENADERS: We sponsored a square dance class this year with Burl Lally as teacher. They will be graduating on May 3 along with Burl's other class, the Crosstrail Travelers. Then they will join us at our dance on May 20 where we will have a square dance clothing sale and desserts galore.

Our Annual Luau will be held on June 3 followed by a Mystery Dance on June 17.

Remember, we dance in an air conditioned room throughout the entire summer.

+ + + + + + + + + +

QUAKER EIGHTS: Our last dance of the season - a Covered-Dish Dinner Dance - will be held on May 9. During the summer, we will be holding workshops with Jim Snyder calling. We welcome all interested dancers to join us.

+ + + + + + + + + +

RED HOT HATTERS: Our summer season will start on June 13 with Richie Rich calling. As always, casual attire is acceptable and new graduates are welcome. We dance to the level of the floor with workshop tips.

+ + + + + + + + + +

SAUCON SQUARES AND ROUNDS: You are all more than welcome to come

and join us in our air conditioned hall. We will feature some guest callers and cuers.

New graduates of both squares and rounds should check our calendar for the workshop you prefer. This will prepare you for winter dancing.

Also, remember our Annual Round Dance Ball - "May Cottillion" - on May 3.

+ + + + +

SCHUYLKILL PROMENADES: In April, we danced in the American Cancer Society Telethon in Lehigh. Some of us wore our "farm show outfits". Our Birthday/Anniversary Dance, with prizes and a beautiful cake, was a huge success and lots of fun. Bob Clark called while Betty Peters cued line dances.

Join us at our Banner Dance on May 30 and again on June 27 for our Strawberry Social - where strawberries will be featured as the main refreshment.

+ + + + +

YELLOW ROCKERS: On January 19, at one of our special dances, everyone had a good time snacking and dancing to Ron Libby. On February 2, we enjoyed our Hawaiian Holiday Dinner Dance which was sold out weeks ahead of time. Calling squares were Ted Knauss and Dalt Young and cueing rounds were Mary McGee and Al Spinks.

On May 15-17, we will be camping at Evergreen Lake Campground in Bath, PA and then again on June 19-21 at Beechwood Campground in Coatesville, PA.

Don't forget the Pennsylvania State Camporee at the Lebanon Fairgrounds on May 29-31. Please get those reservations in soon.

CLUBS OF THE MONTH MARCH/APRIL ISSUE

Belatedly, we would like to announce that Lentz's Lofters and P.D. Cues were selected as Mid-East Penn District's "Clubs of the Month" for March and April 1992.

LENTZ'S LOFTERS

Lentz's Lofters has been around for

awhile, about 35 years actually. They got their name from their founder and long time caller Gordon Lentz and the loft above his business establishment where they started dancing.

In 1973, they moved to their present location - the Schuylkill Valley Nature Center in Roxborough, PA.

In 1986, Gordon retired but his legacy carries on. The Lofters co-sponsor new dancer classes at the Combined Squares class.

To keep up the interest in dancing and to help each other along the Lofters are trying something new, the "Try-Tri Association", along with Perky Promenaders and R & R Squares. This association fosters and promotes inter-club dancing with incentives such as special and combined events.

P.D. CUES

P.D. Cues is a round dance club founded in 1985 by its cuer, Russ Booz. The club dances Beginner and Phase II, III and IV rounds every Monday, Tuesday and Thursday evening.

Monday's dances are held at Round Meadow School in Upper Moreland, PA; Tuesday's Beginner Dances are held at Bryn Athyn School in Bryn Athyn, PA; and Thursday's dances are held at Lower Southampton School in Feasterville, PA.

The "P.D." in P.D. Cues stands for "Patience and Dedication", just the ingredients needed to become an accomplished round dancer.

CLUBS OF THE MONTH MAY/JUNE ISSUE

We would like to announce that Hunterdon Flutterwheels and Dixie Derbys were selected as Mid-East Penn District's "Clubs of the Month" for May and June 1992.

HUNTERDON FLUTTERWHEELS

Hunterdon Flutterwheels was founded in 1972 by their caller Wilson Hoff and are currently celebrating their 20th An-

niversary.

The Flutterwheels dance on the first and third Fridays of each month at the Baptist Church, Church and Main Sts., Flemington, NJ. They are also sponsoring a new dancers class and are pleased that the class size is the largest in four years. May 15 is their Ice Cream Social Dance. We know where we will be dancing that night and we hope to see you all there.

DIXIE DERBYS (MAINSTREAM)

Dixie Derbys was founded in 1980 by a group of dancers from the Upper Moreland area. Shortly after, the need for a mainstream club was noticed. The Dixies took the challenge and the Dixie Derby's Mainstream Club was born.

The Dixie Derbys dance on the second and fourth Saturday of each month to various callers. It provides an opportunity for both old and new dancers to enjoy the fun of mainstream dancing while providing the bridge for new

dancers to hone the skills they learned in class while learning the plus level.

CINCINNATI... WHY VISIT?

Friendly, yet sophisticated... Serene, but saucy... Cincinnati is a city of contrasts whose diversity makes it difficult to characterize or categorize. But it is this very diversity that makes it such a unique destination. The variety of museums and galleries, fine dining, festivals and events, attractions and sports, parks, recreational activities and shopping are the reasons that two-million people visited Greater Cincinnati in the past year.

FOR THE DAY OF THE DANCES REFER TO CALENDAR PAGES

GREATER CINCINNATI PLACES OF WORSHIP; RICH IN HISTORY AND TRADITION

If you've ever wanted to see the famed Notre Dame Cathedral, you don't need to travel to Paris to see a church just like it. When you are in Cincinnati for the 41st National, take time off to cross the Ohio River to Covington, Kentucky. There you will find the Cathedral Basilica of the Assumption, a small-scale replica of the famous Paris church, complete with gargoyles, flying buttresses and the largest stained glass window in the world.

Greater Cincinnati's large number of historic places of worship is a result of the religious interest and devotion of its settlers. A number of these places have been placed on the National Register of Historic Places.

Some of the more famous places of worship in the downtown Cincinnati area include:

Covenant First Presbyterian Church at 8th and Elm Streets. This church, built in 1875, is known as the oldest Presbyterian Church north of the Ohio River.

Plum Street Temple at 8th and Plum Streets. Opened in 1866, the temple was constructed under the leadership of Isaac Mayer Wise, founder of the Jewish Reform movement. This magnificent Moorish/Spanish style temple is now

used only on special occasions but tours are available.

St. Peter in Chains Cathedral at 8th and Plum Streets. This truly inspiring edifice is considered one of the most handsome and monumental examples of Greek Revival architecture in the United States.

Christ Episcopal Church at 318 Fourth Street. Located in the heart of downtown, Christ Church was organized by Dr. Daniel Drake, founder of the first medical college west of the Alleghany Mountains.

Other downtown churches include **St. Xavier Church-Jesuit** at 607 Sycamore Street, **St. Louis Church** at 29 East Eighth Street and **Union Baptist Church** at 405 West Seventh Street.

If you want to visit a place of worship during your stay in Greater Cincinnati, the Convention's Hospitality Committee will be happy to help you find the place of your choice.

A VIEW FROM THE FLOOR

by Bernie Marcus

Perhaps you have executed the call "Wheel Through". If so, you know that the couples that have the action part of the call begins with clapping hands as soon as they hear the call while proceeding to complete the call. Perhaps you have also heard the caller say... "I hear a lot of clapping, but not much is happening."

That little scenario helps to set the stage for what I am about to share with you. We have been hearing a lot of talk, but not much is happening.

Most square dance leaders are extremely concerned about the losses we have been experiencing in square dancing activities. As a result of this I have attempted to put together a plan to help. This plan has to do with saving three old line clubs that are in trouble and are trying to pull themselves up and keep going. This plan is probably nothing new, but it's something new to us and it is a concept to try. Something to get us off the dime. Something to get our club members stimulated and hopefully

excited about. Let's say that it's better to try something than to just wait and hope. Wait and hope won't get the job done. Perhaps this plan may be the thing that you as a club member can use in whole or in part to help spark your club.

Armed with a plan and enough material to make an appeal, I contacted "club contacts" John & Kathy Falter of Perky Promenaders and Aaron Silverstein of R & R Squares. As we talked, both John and Aaron agreed to join me as "principals" in this endeavor. Two delegates were then selected from each club and a meeting was set to take place.

The purpose of this association is:

1) To get the three clubs to work together and to allow each club to become better acquainted.

2) To combine talents, knowledge, abilities, skills and resources to be applied to a common cause.

3) To develop fresh and innovative ideas, concepts and approaches which will ultimately lead to each club prospering with an increase in participating membership, increased attendance at dances with a quality dance program to attract the square dance community at large.

At the first meeting, ideas and comments were brought forward and a name was chosen for the organization - the "Try-Tri Association".

The delegates and principals in attendance then elected the following officers: President, Bernie & Joan Marcus of Lentz's Lofters; Secretary, Doug & Jeanne Vollmer of Perky Promenaders; and Treasurer, Aaron Silverstein of R & R Squares. Delegates in attendance were: Lentz's Lofters - George & Sophia Kraynak and Marian & Paul Bisbing; Perky Promenaders - John & Mary Ellen Lachenmayer and Doug & Jeanne Vollmer; and R & R Squares - Dick & Ceil Smith and Ed & Rosemary Lagan.

Club members were encouraged to visit the other clubs as groups and their first dance was free if they wore their club badges and colors. The purpose of this was to foster friendship among the three clubs.

Plans are now being made for a "Try-Tri Association" picnic. Sub committees

are being formed and will be meeting to bring in proposals for consideration of having Association Dinner Dances and a "Gala Dance" which would be a major effort on behalf of each club in the Association.

The focal point of a "Gala Dance" is to get interaction between the three clubs, to open lines of communication, as well as having a three clubs working and planning together for a common effort.

Lentz's Lofters dances on the first, third and fifth Fridays. R & R Squares dances on alternate Fridays, the second and fourth, while Perky Promenaders dances on the first and third Wednesdays. All three clubs use Peg & Joe Dockry as their round dance leaders and they are all within a geographical boundary that does not infringe on any other club's territory. Each club has been in existence for a number of years and has enjoyed the benefits that are normally associated with old line clubs. They have also established quali-

ty leadership, that is committed to seeing their club maintain its status.

Will it work? We now have leaders from each club who have made a commitment to this cause. We can only "Try-Tri."

Don't forget... Square dancing is "Friendship Set to Music". Have fun... Dance!

ROUNDALAB'S 16TH ANNUAL CONVENTION

Roundalab, the International Association of Round Dance Teachers, Inc., will be conducting its 16th Annual Convention in Cincinnati, Ohio on June 21-23, 1992. Almost 300 teachers and cuers from the United States, Canada and Australia are planning to attend.

Although the purpose of this annual convention is to conduct the business of Roundalab, almost twice as many scheduled hours will be devoted to providing educational clinics and seminars on topics of interest to round dance leaders.

While the Rhythm Clinic on Sunday evening will concentrate on the Mambo, other rhythms and figures will be discussed in depth during shorter sessions. There will be several Round Robin Sessions, where attendees have the opportunity to attend each session as well as

"How to Teach" seminars and "Practical Applications" clinics. The ever popular "Teacher Talk" is being expanded this year to have a simultaneous session entitled "Partner Talk". Among the Committee Meetings scheduled are the usual Phase Committees, Golden Classic Standardized Dance Cues, Dress Code discussion, Teacher Training, Teaching Progression and the Dance Technique Manual.

An all day Seminar/Clinic will follow on Wednesday. This annual event, sponsored by Roundalab, will concentrate on Associative Teaching of the Waltz and Foxtrot during the morning and on the Jive and West Coast Swing during the afternoon.

Many Roundalab members will remain in Cincinnati for the rest of the week to donate their time and talents at the National Square Dance Convention. It promises to be a very full week for round dance leaders.

PUBLICITY SEMINAR

by Ed & Marilyn Linkiewicz

We attended the Publicity Seminar presented by New Jersey's Trenton District and have sent a letter regarding the seminar and club level publicity to each of the clubs in the Mid-East Penn District. Please ask your club caller, president or publicity chairperson if they have received it. Included with the letter was a brief survey. We would like to help your club, so please respond to this survey.

Also, a special events calendar is being planned for 1992-93. We would like to include your club's special dances, activities, etc. To do so, we need to know about your upcoming events: what they are and when they will happen. Please send us a copy of your 1992-93 schedule when it becomes available.

Please mail the above mentioned materials to: Publicity Chairmen, Ed & Marilyn Linkiewicz, 1415 Mauck Road, Blue Bell, PA 19422.

THE I.O.K. CAMPGROUND

The hosts of the I.O.K. Campground in Cleves, Ohio welcome the 41st National Convention to the Cincinnati area and are committed to making our ex-

perience enjoyable. The facility has been in operation for 20 years and covers 64 acres of fenced, private, shaded and grassy open camp sites. The campground is only open to special groups such as ours and will be available beginning June 21, 1992, for early arrivals.

For our safety, the I.O.K. Campground will man a message center on a 24-hour basis. Along with an emergency phone for incoming calls, there is access to a CB base unit for those who have a CB in their camper. Pay phones for outgoing calls are just outside the message center. The grounds are completely fenced in with a single entry check point, and there will be a 24-hour vehicle patrol of the grounds. Security lighting illuminates the roads and grounds. In the case of emergencies, numerous fire departments, ambulance, life squads, and paramedic units are located nearby.

This campground does not have hook-ups, so it is designed for self-contained motor homes. There is safe drinking water throughout the grounds and 30, private-stall, warm-water showers are located at the headquarters building. There are also flush toilets at this building, and portable units will be placed throughout the grounds. Arrangements can be made to have your holding tanks cleaned for a fee. Filling of water tanks at your site will require you to provide long garden hoses. You may wish to bring small tables and lawn chairs since these items are not provided at each campsite.

The campground is easily accessible from I-275 and only 20 minutes from downtown Cincinnati. Shuttle busses will pick up dancers at areas located within comfortable walking distance from your campsites. Within one-mile of the grounds you can find churches, a grocery store, pharmacy, beauty shop, video rental, restaurants, hardware store, laundromat and gas stations.

The main room - 4,175 sq. ft. - located at the headquarters, has room for a planned dance or other social activities. There will be full kitchen facilities where snack foods and limited menu items will be sold during posted times. The campground will also sell firewood and ice. A large, outdoor patio is available for re-

laxation.

Also available to you is a State approved RV dump station at the entrance of the campground. Garbage pickup will be provided each morning at your site.

If you have any questions, contact: 41st National's RV and Camping Chairmen, Ogie & Ruth Megie, P.O. Box 16070, Cincinnati, Ohio 45216-0070.

SEW IT WITH HEART

In our Sewing Room at the 41st National in Cincinnati, Ohio on June 25-27, 1992, you will find: Sewing Seminars, a Staffed Pattern Tracing Area, a Sewing Machine Demonstration, Handouts, Door Prizes, a Repair area - Clothes - Glasses, a "Husband Lounge" equipped with video tapes for his enjoyment and relaxation, and a "Whatever's Clever Corner".
