very thankful for all of the good help received from all of my friends and fellow dancers during this past term. I want to thank each and every one of you who gave me the support in many decisions. Without all of you, I would have only been "chairman." It's only a title, but my friends, you all helped make it a pleasure to serve. Thank you!

ery easier and much faster. If the four digit part of your zip code is not in our records, your mail may be delayed by the post office.

Here is how to do it. Use your standard five digit zip code, add a hyphen, and then add your new four digit code. It should look something like this: 12345-6789.

If you don't know what your ten digit "Zip + 4" code is, just call your local post office, check your bills, or look through your junk mail to get the last four digits.

We suggest that everyone use their new ten digit code on everything they mail so the post office does not delay your mail delivery.

## **EDUCATION REPORT**

by Frank & Terry Kaiss

We hope everyone is enjoying the dances sponsored by the Mid-East Penn District. As of this writing, we have changed the location of the New Grads Dance on May 21 to the West End Fire Hall in Quakertown, PA. We will have various callers and cuers for your enjoyment along with Mike Walsh as the Master of Ceremonies. The dance will be held from 2:00 to 4:30 p.m. followed immediately by a District Meeting.

The Mid-East Penn District's Summer Dance for June will be held on the 17th

at the Church-on-the-Mall in Plymouth Meeting, PA beginning at 8:00 p.m.

We hope to see you all at both of these dances!

## **MID-EAST PENN VOTING PRIVILEGES**

The Mid-East Penn District policy for voting is as follows:

Any Mid-East Penn member has the right to vote at any District Meeting. All members are invited to attend. Please exercise your rights as a member! District Meetings are always publicized in each issue of "Squares and Rounds" magazine.

## **INSURANCE UPDATE**

by Marian McKinney

Well, spring is finally here and now we can start planning our summer activities. We hope you never need to use your insurance, but accidents do happen.

All of your officers are covered by the insurance program and the dance hall is also covered by insurance. You never know when a dance hall owner will claim that square dancers did some damage to their hall. Isn't it wonderful to know that we have an insurance company that will fight for us.

If you have a long-term accident, the insurance company will pay everything above your insurance payment.

Hope to see you on the dance floor sometime. Happy and "safe" dancing to everyone!

## **CLASS NOTES**

by Charlotte Goerlich

For five years the Mid-East Penn District has been distributing "Class Notes" to all of the new class students. The

editorial staff consisted of John & Kathy Falter, Ed & Marilyn Linkiewicz, and Bob and myself.

During the first year, we had the "Class Notes" copied on white paper, but in subsequent years we had them copied on colored paper and they had much more impact. Included in the articles are items on the history of square dancing, why we do the things we do and dress as we do, the twelve commandments of square dancing, articles about the various classes, and tips of the month which cover the various aspects of good etiquette in square dancing.

We are pleased with the "Class Notes" and hope that some of the information the students receive helps to make their transition from class to club level dancing a little bit easier.

"Let's go  
Dancing"

**PERKY PROMENADERS:** Ah, spring! Time to dust off those winter blues with a visit to the Perky Promenaders. We will be celebrating spring in fine style at our Cherry Blossom Dance on May 3 with caller, Burl Lally and cuer, Peg Dockry. Come on out to check on some great cherry desserts.

Haven't had a chance to stop by lately? Well, there's no better time than at our Getting To Know You Dance on May 17. Our newly graduated class will be there so bring yours too. Chich Stone will be calling this dance along with Peg Dockry doing her usual great job cueing rounds. Give us a "Frenchy Brown," Peg!

Birthday Bash is listed on our calendar for June 7, but we have decided to have a Fabulous Fifties Dance instead. Polish up your jitterbug steps for a contest! Burl Lally will call this dance along with cuer, Peg Dockry.

Remember: As the weather progressively gets warmer, our hall is air conditioned and we have a great wood floor for dancing.

On June 21, we have scheduled a Dangle Dance with caller, Dalt Young and cuer, Peg Dockry. Let's see how many dangles you can earn.

Have a great and safe vacation everyone, and we'll see you on the dance floor.

+++++

**QUAKER EIGHTS:** On April 22, we held a very special 25th Annual Dinner Dance at Milford Square Township Fore Company. We've danced a few years

longer but still enjoy our fun-filled dinner dances. On April 29, we held our Spring Fling with great calling by Carl Hanks. Elaine Novak made the night complete with her excellent cueing.

On May 13, we will be hosting National Caller, Sunny Duprey from Tennessee. Pre-rounds will begin at 7:30 p.m. with cuer, Elaine Novak. We will start the evening off with a Covered Dish Dinner at 6:30 p.m. Bring a favorite food item and come out and join us. We also plan on having an Election of Officers after dinner and before the pre-rounds. This will be the last dance we will be holding until the September season starts again. If you are a member of any club that has not retrieved your banner, please come and get it at this dance.

We hope you all have a great fun-filled summer full of square dancing at weekends and maybe at the 44th National Square Dance Convention in Birmingham, Alabama on June 21-24. We also hope to see everyone at the Second Pennsylvania Square and Round Dance Convention on August 11-12 in Camp Hill, PA. Remember: Keep square dancing, it's fun and good exercise for all.

In September, we will begin by hosting Elmo Troiani on squares and rounds. Also, don't forget to attend the Delaware Valley Convention on September 14-16 at Mount Airy Lodge in Mt. Pocono, PA. On September 23, we will be featuring an upcoming couple: Joe & Casey Bradshaw, a caller/cuer team from Delaware. They're lots of fun. Come out and try dancing to them. Then on September 30, we will be hosting a favorite caller from Northern Pennsylvania, Mike Conning. He will keep your feet moving to a very nice rhythm. Elaine Novak will have you round dancing to all levels of your favorite round dances.

See you on the dance floor at Quakertown Elementary School on Seventh and Park Avenues in Quakertown, PA. Come out and dance with us!

+++++

**ROUND DANCE PARTIES:** Come out and join us on the first Saturday of every month from 8:00 to 11:00 p.m. at the Church-on-the-Mall in Plymouth Meeting, PA for a wonderful night of round dancing.

We have great news! Our Sweetheart Round Dance Class will be graduating on May 3. We also have a new square dance class with eleven enthusiastic members. They have been dancing for three months and should graduate sometime in the fall.

Our Friday night dances are full-packed and more energetic than an exercise class. The Regular Dances scheduled for May are: May 5 with caller, Ted Knauss and cuer, Steve Bradt followed by caller, Dalt Young and cuer, Steve Bradt on May 19. No dance will be held on May 26.

We are looking forward to our summer schedule starting in May and continuing on the third Sunday of each month.

On May 21, we will be holding a Banner Dance with caller, Bob Clark and cuer, Dolores Procopio followed by a Strawberry Social on June 18 with caller, Henry Ferree and cuer, Gloria Reaser. Both of these dances will be held at the Schuylkill Haven Borough Building.

**YELLOW ROCKERS:** In March, our thoughts and actions were geared toward preparing our rigs for the first campout in April. What a great feeling it was to be outside, enjoying spring, and renewing friendships with our camping friends. The committee for the month planned an easy going agenda to give us all time to just relax. Everyone also enjoyed great dancing with caller, Ted Knauss and cuer, Al Spinks.

On May 19-21, we will be attending the Pennsylvania State Camporee at Beechwood Campground in Coatesville, PA. Come on out and join in the fun.

On June 16-18, we will be camping and dancing at Robin Hill in Lenhartsville, PA. We can't wait to see what the camping committee has planned for this weekend! Come on out, there's always room for everyone.

## THE IMPORTANCE OF ATTENDING CALLER SCHOOL

Stan Burdick, who is a Callerlab accredited Caller/Coach and who has been conducting caller schools, seminars and clinics for many years, suggests that both brand new and seasoned callers should plan to attend accredited caller schools when possible. Why? For several reasons. First, to keep up-to-date on new ideas and methods; second, to get new enthusiasm for the tasks and joys involved in calling; and third, to gain a thorough grounding in all fundamental

aspects of the calling profession. The profession changes, just as square dancing changes, and keeping abreast of these changes is important. A one-week or part-week school can also be considered a get-away business/vacation experience if the time is right.

Clubs who want to show appreciation to a veteran caller or help a new caller become better might help with a partial scholarship to one of the many available schools.

Stan has set up three school in three sections of the United States for 1995. The first will be held from June 11-16 in Auburn, Indiana (near Fort Wayne) for new and experienced callers. Stan and Don Taylor will be the staff callers for this international school, which has been attended by callers from several countries.

The second school will be held in northern New York in Hague on Lake George on July 5-8 in the air conditioned community center. This school is especially set up for newer and would-be callers.

The third school, set up for November 6-10, will be held in Melbourne, Florida for both new and experienced callers. Stan will teach this school with Jerry Reed.

Other schools scheduled from January through June can be found listed in "American Squaredance" magazine.

## BOWLING PARTY

The committee working on the Dance to Benefit the Friends of the Handicapped also set up the first bowling party to benefit this organization. Held on January 29, this party had a nice turnout for its first attempt. The profit was \$125.00, with not cost or investment from anyone.

The second event is being scheduled for May 7 at the Lans-Bowl on Main Street in Lansdale, PA from 1:00 to 3:00 p.m. Please help us further our donation to the Friends of the Handicapped. Call Aaron Silverstein at 699-0471 or Frank & Terry Kaiss at 843-9968 and let them

## ALBERTA BOUND

The Convention '96 Committee and dancers of Alberta and Canada would like to invite you to the 10th Canadian National Convention at the Edmonton Convention Centre on July 18-20, 1996. And what a party it will be! At the first Canadian National, we entertained 6,000 dancers. Now we want to make it even bigger and better. We want to host 10,000 of you folks this time!

To make hotel reservations and get guaranteed convention rates just call our hotline within North America: 1-800-342-FIRE (3473). If you get a recording, leave a message or call back during office hours. Rooms are filling up fast. No down payments are needed until April of 1996. (Our U.S. friends will be pleased to hear that the exchange rate is ranging from 30 to 40 cents on the dollar.)

## DANCING FOR THE HEALTH OF IT

It was ironic that the educational seminar that Legacy presented in conjunction with the National Executive Committee at the National Convention in Portland, OR, entitled "Dancing for the Health of It" had a serious health problem. Moderator, Dr. Lee Walker and several of his panelists became seriously ill and were unable to participate.

The session began with a discussion

on emergency preparedness and various emergency situations as well as suggested procedures to follow. Questions included: Does your club maintain (and always have available) a current listing of members trained in CPR or who are nurses, doctors, members of ambulance squads or trained in EMT? Do you know who to call for emergencies? Where is the phone located? Do you need money to place a call? Who is in charge in case of an emergency? What is ECMA - the Emergency Call for Medical Aid? How does ECMA work? What follow-up to emergency situations does your club follow?

Also discussion as this session were "Sunshine" chairmen responsible for keeping in touch with missing dancers. Another told of the "emergency repair kit" (including an eyeglass screw kit) their club always placed in both the men's and women's bathrooms at their dances.

The session then concentrated on the healthful benefits of the square dancing

activity with Jim Connelly, RN, NA, concentrating on weight loss and fitness tips. While no one there had a surefire method to develop the willpower necessary to avoid those delicious refreshments so many clubs serve at their dances, it was heartening to hear that veggie platters and healthier foods are becoming more popular.

### **WESTERN PA. FEDERATION**

An ongoing recruiting and membership retainment has been a focus of the Western PA Federation. Members of recently closed clubs, independent dancers, students and those who have just "fallen away" are being invited to attend nearby Federation club dances where they are encouraged to consider membership.

Arrangements are now underway for the Annual Fall Festival scheduled for October 14. This event will be a dinner dance held at The Ice Palace on Route 51 in Rostraver, PA.

### **LAUREL MOUNTAIN FEDERATION**

Formed in 1991, the Laurel Mountain Federation is the youngest and smallest Federation in Pennsylvania. Our youngest active member is 9 years old and our oldest is 96. Dances take place every night of the week and our membership exceeds 350 with an additional 42 students. About half of our members belong to the State Federation and 38 square dance license plates are gracing our local highways.

### **ALLEGANY VALLEY FEDERATION**

A Federation Dance is being scheduled for September 30 in the Conneaut Lake area. This event will be hosted by the Federation's Vice President, Warren & Lois Mealy of the Star Promenaders. It's the 30th Anniversary of the Federation, so let's make it the best ever.

### **CENTRAL PA. ASSOCIATION**

The results of the Central Pennsylvania Association's election of officers for 1995 are: President, Gary Deuschie; Vice President, Don & Kitty Hackenburg; Secretary, Ken Johnson; and Treasurer, Jeane Weigel.

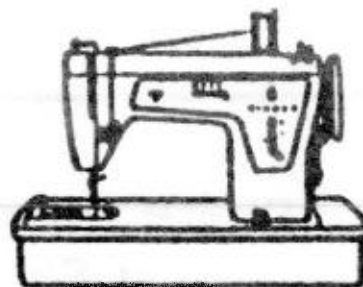

### **DELAWARE VALLEY FEDERATION**

A large group of dancers recently

attended our Annual Dance To See in Wildwood, NJ. It turned out to be a very big affair with everyone enjoying themselves. Make it a point to attend next year's big event and come feel the warm sea air of Wildwood, NJ.

### **PA. STATE MEMBERSHIP**

Membership to the Pennsylvania State Federation is vital to the overall success of the organization. Dues at this time are the main source of revenue. We need to urge all Pennsylvania dancers to be members. The dues are only \$1.00 per year, per person, \$2.00 per couple. A lifetime membership is only \$20.00 per person, \$40.00 per couple. All dues must be accompanied by your full name, address, phone number and the name of the club and federation to which you belong. Mail your membership to: Membership Chairmen, Clarence & Juanita Dye, 152 Bortondale Road, Media, PA 19063.

### **RUTHIE'S SEWING BASKET**

by Ruth McLay

Are you doing a lot of sewing or just letting your sewing machine sit there? Whatever your practice is, the following could be of interest to you in the care of your machine.

No matter how old your sewing machine is, carefully and thoroughly read through your instruction booklet. Your exceptionally finished product depended on a well kept machine that is in good condition.

If your sewing machine dealer offers lessons, take advantage of this even if you are an experienced sewer. He may also demonstrate your machine to you if you request it.

## I Need Your Advice!

After more than 27 years working in an office building, with very few windows, usually permanently sealed, in rather small cubicles, coordinating various car-pools, commuting 30 to 60 minutes each way, I'm considering the possibility of working at home.

I'm an experienced Senior Software Engineer, responsible for the design, implementation, debugging, testing, documentation, enhancement, and support of supervisor and job control functions, written in assembler and higher-level language for small and medium-sized business computer operating systems.

Do you know anyone who works at home? What kind of work do they do? Do they telecommute? How much of their work week is spent at home? Do you think they would be willing, to discuss with me, the pros and cons of working out of my home?

Since this information is pretty specific, I wanted to reach the largest possible audience of sympathetic friends, so I decided to place this ad.

If you know anyone who can help me, please call:

(215) 482-0622

during business hours - you could get an answering machine before 8 A.M. or after 5 P.M., or write:

John P. Falter  
4602 Saint Davids Street  
Philadelphia, Pa. 19127

Thank you for your consideration and any help you may be able to provide.

Check all your controls before starting to sew and oil your machine periodically to help keep your machine running smoothly and quietly. Be sure to wipe off all excess oil no matter how small, then check for oil after it sets a while. Then prevents oil from getting on your nice new dress or whatever you are sewing.

Set directly in front of your needle when sewing and make sure your machine is located in a well lit area so you are not working in your own shadow.

When adjusting the needle height, always turn the hand wheel toward you, never away from you. Also, when removing fabric from the machine, the take up lever should be at its highest point.

If you have trouble threading your needle, try holding a piece of white cardboard behind the needle so you can see the eye more clearly.

Treat your sewing machine with respect and make sewing a pleasure.
