to be done and Everybody was sure Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that because it was Everybody's job. Everybody thought Anybody could do it, but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

The purpose of the Federation Calendar is to coordinate activities in our area and avoid conflicts that would be detrimental to each of the entities listed on it.

In the past, the calendar has been a mystery to the average dancer. Your Federation will try to make it readily available to all. Club planners should not be without it.

Be sure to get your special dances and fundraising events listed. If you have any ideas that will make the calendar a better instrument of communication, please give us a holler. It's your calendar.

### IN REMEMBRANCE OF OLIVE WILCOX

The square dance world lost a truly wonderful member when Olive Wilcox passed away on October 31, 1995 at the age of 82. She and her husband, George were a really dedicated couple to the dancing world and had square danced on six different continents, and even on the Great Wall of China.

For years, together they were greatly instrumental in the operation of local clubs, including the Buckaroos for over 25 years, and participated in many District and Federation sponsored activities. They were General Chairpersons of the 14th Federation Convention at the

Bellevue Stratford Hotel where I worked very closely with them and really learned what a wonderful couple they were. In the 20 years, or more, that I knew them, Olive was always smiling and never had a derogatory word to say about anyone. She was one of the truly beautiful people. She enjoyed life to the fullest, loved people, and was a really dedicated friend and dancer. She will always be remembered as a lady, and I know that I and hundreds of other people will miss her greatly.

May she rest in peace with her maker. We all loved you Olive.

### 49TH NATIONAL TO BE HELD IN BALTIMORE, MARYLAND

by Burris & Meryl Plummer

Isn't it exciting. A national convention is going to be held right here in our backyard. Baltimore, Maryland has been awarded the bid to hold the 49th National Convention in the year 2000.

Recently, the 49th National Convention General Chairmen, Dick & Linda Peterson and the WASCA (Washington Area Square Dance Cooperative Association) host Federation asked us to be liason for the Delaware Valley Federation, and we accepted with pleasure. This brought back fond memories of the four years we worked for the Atlantic City National in 1977 and the four years of the Baltimore National in 1984.

What so we do as liason? Well, we keep all dancers in our Federation informed of future events leading up to the main event, host Booster Dances to raised funds, and entice you to join the fun by helping. As a National Executive Committee member once said, "If you don't get paid for it, it must be fun."

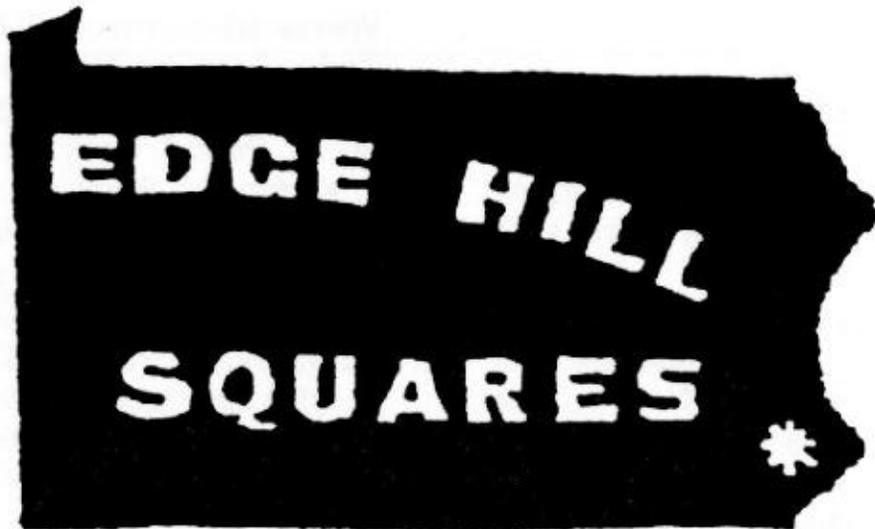

You can start by purchasing an Early Bird Certificate which is good for a registration after June 1999. It is truly a bargain. Don't delay, order your Baltimore 2000 Early Bird Certificate now! The last date of sale of the Early Bird Sailing Certificate is January 31, 1999.

### WOULDN'T IT BE NICE?

by Stan & Cathie Burdick

In 1996, wouldn't it be nice if...

...Everyone did a back-to-back do-sa-do when it was called, instead of some kind of Hungarian fling thing or a Kentucky two-hand balance step?

...Everyone used either arm grips or palms up for ocean waves, swing thrus and such?

...Everyone did a full swing once around when swing is called for, instead of a Texas-style half-swing and layout before a promenade?

...Everyone learned to dance smoothly with no time-altering flourishes?

...Everyone enjoyed and danced DBD?

...Everyone participated in club dances "below their level" also?

...Everyone promoted and "angeled" new classes?

...Everyone supported one or more clubs?

...Everyone encouraged and praised every caller for doing her or her best?

...Everyone attended the larger area events?

...Everyone danced at least once a week?

...Everyone had a kind word for fellow dancers, a friendly attitude, a sweet disposition, a love and proprietary feeling for the activity and...

Well, nobody's perfect, but we can try!

## PARDON, YOUR SLIP IS SHOWING

Notice in a Florida church bulletin, reprimanding parents for driving too fast when dropping children off at parish functions: "We want everyone to know that safety is one of our priorities. Driving slowly on church property is a necessity or we many have to install bums on the driveways."

From a classified ad in the Raleigh, N.C., *Spectator*: "Rent a man. Week-nights or weekends, any and all types of work. I even do windows!"

In response to a batch of poems I had submitted, a poetry magazine sent me a rejection letter saying that my work "does not fit our nerds at this time." — Contributed by Erica Stux.

From an article in the Erie, Pa., *Times-News* about a man who has logged a mil-

lion miles of driving during his career: "He has worked in various sales and marketing assignments that have included traveling all over the United States, mostly by cat."

From an article in the Fresno, Ca., *Bee*: "On the third swig of a bottle, First Lady Hillary Rodham Clinton christened the nuclear-attack submarine *Columbia* in Groton, Conn."

Care instructions spotted on a clothing label: "Machine wash cold, gentle cycle, tumble dry low. Torch up with warm iron if necessary."

Spotted in a chiropractor's ad in the San Diego, Ca., *Blade-Citizen*: "New patient special. You will receive a flea examination!"

From a classified ad in the Paoli, In., *News Republican*: "Part-time house-keeper needed at Patoka Chalets Resort."

On a sign in a fabric store: "Help wanted. Must have knowledge of sewing, crafts and quitting."
