**APPALACHIAN EXPRESSIONS:** We celebrated our first anniversary in March. We are a small club and had a great year. We also accomplished a lot. Everyone is still enjoying dancing and having fun. We are working on our summer schedule for demonstrations and performances.

Our new graduates are doing great. They are still learning new dances along with our club members.

We dance every Sunday afternoon at the Bethlehem Volunteer Firearm Home Association on N. New Street in Bethlehem, PA. Beginner Plus Classes are held from 1:00 to 2:00 p.m. followed by a Dance or Workshop from 2:00 to 5:00 p.m.

For more information about our club, contact Josie Fye at (610) 253-0538.

**BUCKAROOS:** As we finally enjoy the delightful spring weather and the sight of the trees and flowers bursting with color, let us welcome our schedule of May and June dances.

On May 10, we will celebrate with a Honor Mother's Day Dance as we host caller, Ray Taylor and cuer, Lil Armstrong. As an extra added treat, we will be introducing the graduates as they receive their diplomas. It will be an entertaining evening. Then on May 24, we will celebrate with our Grand Parade Dance with caller, Dalt Young and cuer, Peg Dockry. We hope you will join us for an evening of super dancing.

June will be bursting out all over when we celebrate with our Flag Day Dance on June 14 as we host caller, Ralph Stapenell and cuer, Lil Armstrong. We hope to celebrate with you. Then on June 28, we will have John Kaltenthaler as our guest caller and Elaine Novak as our cuer. This is a special dance as it is en-

titled, Request Rounds and Square Dance. You are invited to fill out a request form which will be available at the two previous dances, May 24 and June 14. Just list your special requests and we will forward them to John and Elaine. Please join us for an evening of fun.

We have been sponsoring a Beginner's Class every Wednesday evening from 7:30 to 9:30 p.m. at the Titus Elementary School on 2733 Lower Barnes Road in Warrington, PA. We are few in number, but very enthusiastic and dedicated.

Since our Beginner's Class will be graduating on May 8, we are planning a Mainstream Dance on May 22 and another on June 12. Both of these dances will be held at the Titus Elementary School from 7:30 to 9:30 p.m. We sincerely hope you will join us. George Polk has been teaching our class and doing an excellent job, and he will be calling for both of the Mainstream Dances.

+++++

**BUCKINGHAM DANCERS:** Our Class of '96 has graduated and we are really enjoying our workshops and dances. Ralph became an American citizen and Nancy is well on her way to recovery from spinal surgery.

We will be holding dances on May 5, May 19, June 2, June 16, and June 30.

Summer Workshops (Plus DBD) will be held on May 6, May 13, May 20, June 3, June 10, June 17, and June 24.

Come on out and join in the fun. We dance Plus and Mainstream (alternating tips) from 7:00 to 9:30 p.m. on the first and third Sundays of the month. We have something for everyone!

+++++

**CH SMOOTH SQUARES:** No regular dances have been scheduled for the months of May and June.

+++++

**CROSSTAIL TRAVELERS:** On May 17, we will be holding our May Flowers Dance featuring caller, Burl Lally and cuers, Bob & Gloria Reaser. There's nothing like a hot "travelers" dance on a cool spring evening. This is your last chance to catch a spring dance with our gang before our camping season begins.

Our dance schedule continues with a new format: Class level squares from 7:00 to 8:00 p.m., class level squares and rounds from 8:00 to 8:30 p.m., and 2x2 plus level dancing from 8:30 to 10:30 p.m. As a special incentive for class members, you pay only \$4.00 per couple. Our dances are held at St. Peter's Lutheran Church on Walnut and Glasgow Streets in Stowe, PA.

Our May and June camping schedule includes weekend stays at Camp Swarta in Bethel, PA on May 3-5 and at Shady Oaks in Newmanstown, PA on June 7-9.

We hope to see you at one of our outings.

Congratulations will be in order for all of the graduating class members. Be sure to give each one of them a hearty handshake or a hug and a word of encouragement when they join a square that you are in.

Follow up information for camping, dances and summertime workshops can be obtained by calling Pat & Barry at 582-1274, Chuck & Dottie at (215) 233-5214, or Dick & Janet at 323-7278.

As always, we'll be looking for you at one of our dances, campouts, classes or workshops.

We dance at the Upper Moreland Middle School on Orangemens Road (north of Byberry Road). Mainstream dances begin at 7:45 and end at 10:15 p.m. at Lehman United Methodist Church on Lehman Avenue and Old York Road in Hatboro, PA. We will be holding dances on May 6, May 13, May 20, June 3, June 10, June 17 and June 24. No dance will be held on May 27 due to Memorial Day celebrations.

We are still dancing every Monday at the First United Methodist Church on S. Second Street in Easton, PA. We dance from 8:00 to 10:00 p.m. Dalt Young leads us in Line Dances and the third Monday is All Singing Calls.

Our traditional Covered-Dish Dinner Dance will be held on June 8 with caller, Pete Classetti and cuer, Lil Armstrong. You bring your favorite covered dish and we will provide ham and all else. Reservations are needed for table settings. Also, please bring eating and serving utensils. A sign up chart will be available at our club dances or call 379-8839 to make reservations. All are welcome! Dinner will begin at 6:00 p.m. with square dancing at 8:30 p.m. Come on out and visit our club in its 38th year!

June 21 is the first day of summer. Have a great time on that day and happy dancing!

+++++

**PERKY PROMENADERS:** The winter weather was a little rough on us in January. Imagine... we had to cancel the Jack Frost Dance in January! Our February dance, entitled Sentimental Journey, with caller, Burl Lally and cuer, Peg Dockry

went smoothly with lots of couples getting out and dancing after a winter filled with icy blasts and too much snow.

Perky couples have been busy with demonstrations, too. On January 31, we had two squares dancing to tapes at Jefferson Apartments on Marshall Street in Norristown, PA. The audience filled one end of the hall and they couldn't have been more receptive. It's nice when you are welcomed back... as they said, "real soon."

On January 19, four couples traveled to Hereford and Marlborough Elementary Schools in Upper Perkiomen where Dalt Young called and taught square dancing for two wonderful groups of fourth graders. On February 8, we returned when all the fourth graders from both schools (24 squares - wow!) danced to Dalt Young in the Hereford School gym. Besides our demonstration tips, we all joined in the squares with the youngsters. There were so many parents that showed up to watch their kids dancing that parking was quite a problem. Miles and miles of video tape were recorded, too.

On February 13, we had several squares participate in a demonstration at St. Titus Church in Norristown, PA; and on February 20, we danced at Faith Lutheran Church as part of their Fastnacht Social entertainment.

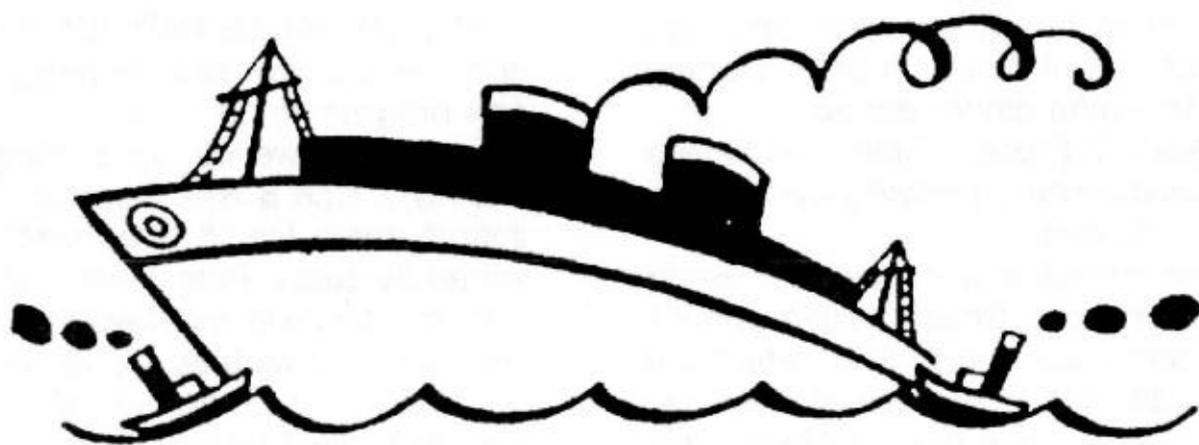

On May 1, Bob Clark will be calling squares with Peg Dockry cueing rounds. Burl Lally will be calling on May 15 along with cuer, Peg Dockry as we honor our new grads.

During June, Burl Lally will be calling on the 5th and Dalt Young will be calling on the 19th. Peg Dockry will be cueing both of these dances. On June 22, we will be having a special dance with National Caller, Bill Harrison doing the honors and Peg Dockry will be cueing rounds for all levels.

Sounds like we are a great social club, huh? Why not join us for the fun every first and third Wednesday of the month at the Church on the Mall in Plymouth Meeting, PA.

## LEGACY RESOLUTIONS DEAL WITH YOUNGER DANCERS

Among the resolutions passed at the Legacy Meeting in 1995, one concerning the "Future of Square Dancing" arose from concern over the need to acquaint youth and young adults with the fun of square dancing. A two-year task force reported on its findings at the meeting, noting that where youth clubs exist, they are strong because of the support they receive from their callers (a parent or a young friend) and from parents. In many areas no opportunity to dance exists for young people. A few clubs allow younger dancers to join, but the published list is very limited.

The first resolution reads, "Whereas, the future of the square dance activity lies in our children from Kindergarten

through the University level; and, whereas, there are now excellent instructional materials available, such as Jack Murtha's Diamond Program, which enables educators to teach square dancing in the schools in the correct way with proper attitudes; and, whereas, there is considerable square dance curriculum material already developed, or in development for which no financing is available, be it resolved that: Legacy International take the initiative in working with other square dance organizations to obtain financing for the production of additional instructional square dance materials for use in the schools, Kindergarten through grade 12, and other youth educational and recreational organizations."

Many present square dancers bemoan the lack of younger dancers entering the picture. The question that must be answered is "How anxious are we to have younger dancers in our groups?" Will we bend our dress code? Will we adjust our times? Will we offer baby sitting? Another resolution dealt with some of these as-

pects:

"Whereas, every square dancer is a friend you have yet to meet, and, whereas, the people we dance with are more important than the calls they dance, be it resolved that: We, as Legacy Trustees, urge that more understanding of individual preferences in dance programs, in dance dress, in dance frequency, and a respect for these; more welcoming of the youth and younger dancers who are the future of the activity; and more caring about those with whom we dance, so that square dancing may continue to be 'friendship set to music'."

For more information on Legacy, write to: Al & Vera Schriener, executive secretaries, 1100 Revere Drive, Oconomowoc, WI 53066 or call (414) 567-3454.

## FRIENDS OF THE HANDICAPPED UPDATE

We are presently making arrangements for a Carnival to be held from Wednesday to Saturday, August 21-24 on the grounds of the Pennridge High School in Perkasie, PA. We are hoping to have a variety of activities and fun for all. There will be fire works, a petting zoo, pony rides, carnival games, food, and much more.

We wish to thank all of the square dancers who have been helping us raise the much needed funds to help needy persons acquire the medical equipment that they need. You all have been most cooperative for the past 18 years. This will be our 19th year of helping the Friends of the Handicapped.

### RUTHIE'S SEWING BASKET

by Ruth McLay

May and June means "Spring!". What a great time of the year! This means nicer weather and a new start for everyone and everything. Current conventions are being held at vacations are being planned. Beautiful flowers and nice green grass set the tone for plenty of picnics and trips here and there. Also, plenty of square dances are being held no matter where you go. (I guess I'm getting carried away with spring fever after all the snow we've had this winter.)

For those interested in making their own custom made dance apparel, the following is just one suggestion in helping you make a great outfit:

The first thing you need to do is choose two coordinating colors of material.

Now, try using a bell sleeve on your outfit, which can be lined with the darker of the two colors that you have chosen. Cut the liner and the prominent color you have chosen for the sleeve together and sew the bottom of the sleeve, then join them together at the underarm seam. Turn the two pieces right side out and press with an iron. Then ease into the armhole of the bodice, avoiding stretching either piece of material and sew it into the bodice.

You may also make a matching reversible vest for your partner out of the same two materials you chose for your dress or from any two coordinating materials that fancy your taste.

Do have a safe and enjoyable vacation. Also, look for square dancers everywhere you may travel and have fun!

### INSURANCE NOTES

by Marian McKinney

Are you dancing uninsured? Every square dance organization needs to carry General Liability and Accident Medical Expense coverage while conducting and sponsoring activities. As closely as safety rules are followed, accidents can still happen. There is an insurance program which was specially designed for U.S.D.A. dancers. It provides for \$1,000,000.00 in liability insurance and \$10,000.00 in accident medical expense reimbursement coverage, plus other advantages such as certificates of insurance for special dances at no additional cost. This is becoming increasingly more important as more owners and public facilities demand that groups show proof of liability insurance before they will be allowed to use the facility for the dance.

Who exactly is covered by this insurance? Club members will be insured while participating in any regularly scheduled and sponsoring dancing activity worldwide, including group travel, which means ten or more club members in a vehicle commercially licensed for transportation of passengers and oper-

## FRAZZLED

by Aaron Silverstein

Some kids wear out jeans,  
Some kids wear out shoes,  
Some kids wear out clothes  
To the point it doesn't amuse.  
But the most destructive of all  
Their behavior that I can see  
Is how my grandkids wear out  
Their Grandma and me.

## LAUGHING FOR THE HEALTH OF IT

Did you know that: "Children laugh over 400 times a day, whereas adults laugh an average of 15 times a day."

Laughter is a physical activity. When on laughs, the heart rate and blood pressure increase. After laughter subsides, the rates drop below the base rate. Energy expenditure and metabolism increase, and skeletal muscle tension decreases. The respiratory rate is stimulated. Deep breathing and coughing resulting from laughter help clear the lungs and increase the blood gas exchange. Oxygen-rich blood is then carried to the brain.

Laughter can bolster the immune system by increasing lymphocyte proliferation, natural killer cell activity, and

immune response in saliva.

Laughter decreases epinephrine and cortisol levels, both of which suppress the immune system.

These positive effects of laughter on the immune system strengthen the body's ability to fight off illness for up to two days.

## PARADISE, HAWIIAN STYLE!

Aloha from Paradise, the 35th Delaware Valley Convention! A special opening ceremony we have planned will get the native drums of your heart beating and will give you a taste of the islands.

Anyone wearing the leis given out at registration to the opening ceremony will be eligible to win a gift certificate (up to a \$50.00 value) to the Hilton's Cafe Restaurant good for Friday or Saturday of the convention. So, come say "hula-o" to us and get a chance to win a delicious meal.

In order to enjoy the relaxed, "hang loose" feeling of our Hawaiian theme, we invite you to wear your island garb to the day sessions of the convention. Break out your mu-mus and Hawaiian shirts, but please NO bathing suits, shorts or halter tops. At night, however, traditional square dance attire is required. There will be an opportunity to create a "Kodak moment" in paradise by the waterfall in the lobby where a Hawaiian scene will be located.

We are in negotiations now to have a "make your own sundae" bar during selected hours in the evening and the possibility of an express buffet dinner on Friday and Saturday evening at the hotel's Cafe Restaurant to provide fast, efficient service. There will also be a cash and carry fast food concession for your convenience. If you decide you would like to eat elsewhere, there are several other restaurants and fast food places within a short drive from the hotel.

Most have been warned that we like to be served quickly so we can get back to dancing! A map will be available at the hospitality table.

We can't wait to see you on September 19-21 at the 35th Delaware Valley Convention at the beautiful Brunswick Hotel in East Brunswick, NJ. Look for the tentative program schedule in the next issue of "Freedom Valley Dancer" to plan your Hawaiian adventure. Remember, space is limited, so register early!

## 45TH NATIONAL'S EDUCATION PROGRAM

The 45th National's Education Committee has put together an Education Program which will include the following:

**Panels** - Vice Chairmen, Paul & Linda Rowland have put much effort into choosing the topics and panel leaders. A new and very exciting panel is "Square

Dancing Around The World" with moderator, Ed Warmoth from Oregon. Dancers from several countries will discuss dance programs, special events and related travel. There will be ample opportunity for input from the audience. You won't want to miss this one!

**Clinics** - Vice Chairmen, Tim & Sissy Tyl are planning very informative demonstrations of square dancing, round dancing and contra techniques, as well as country and western dancing skills.

**Seminars** - Vice Chairmen, Al Blalock and Vivian Webb have put together a wonderful schedule of seminars. These seminars, sponsored by Callerlab, Roundalab, Contralab and Legacy, will add to the knowledge of callers, cuers, prompters and dancers who desire to preserve our heritage and continue our activity. Topics will include: "Planning a Mini-Legacy," "Singles in a Couple's Activity," "Club Insurance and Incorporation," "The Many Facets of Round Dancing," "Round Dancing for the Physically Limited Dancer," and "Methods of Choreographic Control."

An Organizational Roundtable on the topic: "Answering Questions - Recruiting and Retaining Dancers" will be a moderated discussion held on Thursday afternoon, June 27th.

informative displays. There will be displays from all over the States that publicize what we as square dancers do for fun and fellowship, as well as projects that benefit our communities and our fellow man. Many of these ideas and publications may be just the catalyst for activities and projects to be used in our home clubs and communities. Something new for 1996 -- A video viewing area to show tapes of groups from around the world involved in our common activity.

**Sew and Save** - Vice Chairman, Shirley Fields and her committee are working on an outstanding program of 20+ seminar topics such as "Fitting a Bodice," "Embroidery Embellishments," and "Serging and Sewing Creations." The Tracing Room will be open daily. Across the hall from the Tracing Room will be the Husband's Lounge where he can sit and watch videos or doze. Next to the lounge will be a Repair Room for those emergency apparel repairs. The "glue" to hold all of these exciting events together will be the "Sew Great Across the Lone Star State" Sewing Book. The booklet can be ordered on your registration form or purchased in the Registration Area. This booklet will be filled with all manners of sewing and craft hints, as well as blank pages for taking notes.

The Education Coordination Room will be manned by Assistant Education Chairmen, Charles & Betty Nicholson and by Computer Coordinators, Nasser & Shirley Skukayr.

Please take some time out to stop by one or more of these very informative sessions. They will be very beneficial to everyone. See you at the 45th National Convention in San Antonio, TX on June 26-29, 1996!

## AMERICAN FOLK DANCE

Since the early 80's when square dancing was named the American Folk Dance for slightly more than a year, representatives of Legacy and the USDA have been working to obtain proclama-

tions in the individual states, making square dancing the official state dance. When a majority of states have adopted this state dance, the national project will again be attempted. Frank & Helen Cavanaugh, working as chairpersons for Legacy, report that 56% of the states have now accomplished this goal.

Square dancing, as used in these bills, includes all facets and forms of the square dance activity. Mentioning each form, such as round dancing or contra dancing, is too cumbersome and confusing. Keeping the wording simple has helped passage of the bills.

Five new states were added in 1995: Mississippi, North Dakota, South Dakota, Missouri and Connecticut.

Committed to considering bills in 1996 are Georgia, Indiana, Kansas, Maine, Nebraska, Nevada, New York, North Carolina, Pennsylvania, Vermont and Wisconsin. The Wyoming legislature will have a bill introduced in 1997.

Still inactive on this project are ten states: Alaska, Hawaii, Iowa, Louisiana, Michigan, Minnesota, New Hampshire, New Mexico, Ohio and Rhode Island.

If your state is one of the states listed on the inactive list and you wish to have more information on how to work for this project, contact Frank & Helen Cavanaugh, 20 Wooten Drive, Southampton, NJ 08088-1014. For more information about Legacy, contact Al & Vera Schreiner, 1100 Revere Drive, Oconomowoc, WI 53066; (414) 567-3454.
